with his work THE JOURNAL OF RELIGION **Pacifism as War Abolitionism** Cheyney Ryan, 2024-03-12 Responding to
the unprecedented violence of our times and the corresponding interest in nonviolent solutions this book takes up the heart
of pacifism its critique of what pacifists have termed the war system Pacifism as War Abolitionism provides an account of the
war system that draws on contemporary sociology history and political philosophy The core of its critique of that system is
that war begets war and hence war will not be ended or even constrained by finding more principled ways to fight war as
many imagine War can only be ended by ending the war system which can only be done nonviolently This has been the
message of pacifism s great voices like Gandhi Dr Martin Luther King Jr and Dorothy Day It is the principal message of this
book Key Features Draws extensively on the sociological and historical research on war to expand the usual philosophical
discussion beyond hypothetical accounts Expands the dialogues on the ethics of war beyond just war theory to its principal
alternative pacifism Engages discussion of empire and imperialism in relation to the logic and development of the war system
