**Rattles and Steadies**, 1986      *Rattles and Steadies*, 1986 Gander is one of the best known small towns in the world especially among west and east Europeans Russians know it with familiarity This book is not about Gander however despite its notoriety rather it conceals the great wilderness that surrounds Gander the magnificent Gander River laden with salmon the limitless forests abounding with game Much has been written about the seafaring Newfoundlander and his exploits on the bay bight tickle or sea but literally nothing has been written about the Newfoundlander as a woodsman This book then fills that tremendous gap and gives us through the life long experiences of one man all the excitement lure and love that a preoccupation with the land can bring      **Freedom to Play** Norah L. Lewis, 2010-09-29 When we were children we made our own fun is a frequent comment from those who were children in pre television times But what games activities and amusements did children enjoy prior to the mid 1950s Recollections of older Canadians selections from writings by Canadian authors and letters written to the children's pages of agricultural publications indicate that for most children play was then as now an essential part of childhood Through play youngsters developed the physical mental and emotional skills that helped them cope with life and taught them to get along with other children In both rural and urban settings children were generally free to explore their environment They were sent outdoors to play by both parents and teachers Their games were generally self organized and physically active with domestic animals acting as important companions and playmates Children frequently made their own toys and equipment and since playing rather than winning was important most children were included in games Special days holidays and organizations for children and youth provided welcome breaks from daily routines Their lives were busy but there was always time for play always time for fun Norah Lewis has provided an entertaining view of the toys games and activities in Canada and pre confederate Newfoundland from approximately 1900 through 1955 Her book will be of interest to historians educators and sociologists as well as anyone who lived through or wants to know more about those early years in Canada and the games children used to play      *The Essential Edward Stratemeyer Collection* Edward Stratemeyer, 2013-03 Compiled in one book the essential collection of books by Edward Stratemeyer American Boy's Life of Theodore Roosevelt Dave Porter and His Rivals Dave Porter and the Runaways Dave Porter at Star Ranch Dave Porter in the Far North Dave Porter in the Gold Fields For the Liberty of Texas The Mystery at Putnam Hall On the Trail of Pontiac Richard Dare's Venture The Rover Boys at Big Horn Ranch The Rover Boys at Colby Hall The Rover Boys at College The Rover Boys at School The Rover Boys in Alaska The Rover Boys in Business The Rover Boys in Camp The Rover Boys in New York The Rover Boys in Southern Waters The Rover Boys in the Air The Rover Boys in the Jungle The Rover Boys In The Mountains The Rover Boys on a Hunt The Rover Boys on Land and Sea The Rover Boys on Snowshoe Island The Rover Boys on the Farm The Rover Boys on the Great Lakes The Rover Boys on the Ocean The Rover Boys on the River The Rover Boys on Treasure Isle The Rover Boys out West The Rover Boys Under Canvas True to Himself
