From Khor Towers to the Moss Mountains kd Brinck,2025-08-05 It has been the author s attempt to write a long story and this is the third book in that effort The first book Terra Moss sets up the world and main characters The second book Road to Liansha continues to tell the saga of the hero Burrwood a Twinarian who wants to outrun his fate Yet the gods and many others seek to use him for their own desires and purposes They see him as they want him to be and all the while he refuses to be that Deep down he knows who he is and tries to ignore how others view him as he struggles to remain who he really is The first two books were relatively short This book is longer perhaps because the author has learned how to tell a long story The reader must make that decision on their own

Complete Reign of King Edward the Third Donald Richardson,2018-10-16 Proudfoot and Bennett remind us that the authorship of Edward III remains speculative 89 However they continue The circumstantial case for Shakespeare has sufficient dimensions to be persuasive especially the relation of Edward III to Shakespeare s early non dramatic and dramatic writings 89 Whether Shakespeare wrote the play is less important perhaps than the fact that we have the work and can still appreciate it today
