Drugs, Thugs, and Divas O. Hugo Benavides,2009-03-16 Soap opera speaks a universal language presenting characters and plots that resonate far beyond the culture that creates them Latin American soap operas telenovelas have found enthusiastic audiences throughout the Americas and Europe as well as in Egypt Russia and China while Mexican narco dramas have become highly popular among Latinos in the United States In this first comprehensive analysis of telenovelas and narco dramas Hugo Benavides assesses the dynamic role of melodrama in creating meaningful cultural images to explain why these genres have become so successful while more elite cultural productions are declining in popularity Benavides offers close readings of the Colombian telenovelas Betty la fea along with

its Mexican and U S reincarnations *La fea más bella* and *Ugly Betty* Adrián Estévez and Pasi de Gavilanes the Brazilian historical telenovela *Xica* and a variety of Mexican narco drama films Situating these melodramas within concrete historical developments in Latin America he shows how telenovelas and narco dramas serve to unite peoples of various countries and provide a voice of rebellion against often oppressive governmental systems Indeed Benavides concludes that as one of the most effective and lucrative industries in Latin America telenovelas and narco dramas play a key role in the ongoing reconfiguration of social identities and popular culture

Taras Bulba Nikolai Gogol, 2003-04-01 The First New Translation in Forty Years Set sometime between the mid sixteenth and early seventeenth century Gogol's epic tale recounts both a bloody Cossack revolt against the Poles led by the bold Taras Bulba of Ukrainian folk mythology and the trials of Taras Bulba's two sons As Robert Kaplan writes in his Introduction Taras Bulba has a Kiplingesque gusto that makes it a pleasure to read but central to its theme is an unredemptive darkly evil violence that is far beyond anything that Kipling ever touched on We need more works like Taras Bulba to better understand the emotional wellsprings of the threat we face today in places like the Middle East and Central Asia And the critic John Cournos has noted A clue to all Russian realism may be found in a Russian critic's observation about Gogol Seldom has nature created a man so romantic in bent yet so masterly in portraying all that is unromantic in life But this statement does not cover the whole ground for it is easy to see in almost all of Gogol's work his free Cossack soul trying to break through the shell of sordid today like some ancient demon essentially Dionysian So that his works true though they are to our life are at once a reproach a protest and a challenge ever calling for joy ancient joy that is no more with us And they have all the joy and sadness of the Ukrainian songs he loved so much
