Middle English Biblical Poetry Cathy Hume, 2021 A new analysis of the neglected genre of medieval Biblical poetry Medieval England had a thriving culture of rewriting the Bible in

art drama and literature in Latin French and English Middle English biblical poetry was central to this culture and although these poems have suffered from critical neglect sometimes dismissed as mere paraphrase they are rich innovative and politically engaged Read in the same gentry and noble households as secular romance biblical poems borrow and adapt romance plots and motifs present romance inflected exotic settings and share similar concerns reputation order family and marriage This book explores six poems from the thirteenth and fourteenth centuries that retell episodes from the Old Testament the ballad like Iacob and Iosep two lives of Adam and Eve an alliterative version of the Susanna story the Pistel of Susan and the Gawain poet s Patience and Cleanness Each chapter identifies new sources and influences for the poems including from biblical glosses and manuscript illustration The book also investigates the poems relationships with contemporary cultures of literature and religion including with secular romance and offers new readings of each poem and its cultural functions showing how they bridge the chasm between medieval Christian England and the Jews and pagans of the pre Christian Mediterranean world It also considers reading contexts arguing that the poems and their manuscripts offer hints about the social class and gender of their household audiences

Eighteenth Century English Poetry Nalini

Jain, John Richardson, 2016-07-01 This anthology of 18th century English poetry is extensively annotated for a new generation of readers It combines the scope of a period anthology with the detailed annotations of an authoritative single author edition Selected poets include John Wilmot Earl of Rochester John Dryden Jonathan Swift Anne Finch Countess of Winchelsea Joseph Addison Alexander Pope and William Cowper The guiding principle of the annotation is one of thoroughness the editors concentrate on works where the meanings have changed on primary allusions and on relevant details of social and political history

The Philosophy of English Poetry David Russell McAnally, 1883

Victorian Poetry and the Culture of Evaluation Clara Dawson, 2020-02-27 Victorian Poetry and the Culture of Evaluation argues that the dialectic and dynamic relationship between the periodical review and poetry creates a culture of evaluation which shapes Victorian poetic form The mediation of poetry by the periodical review orients poets towards public readership and reception heightening their self consciousness about their audience and generating a poetics of publicness Using methodologies associated with historical poetics and new formalism the book examines the dialogues between poets and periodical reviews from the 1830s to the 1860s It juxtaposes male and female poets and canonical and uncanonical texts Challenging the critical binaries of fame and celebrity the culture of evaluation posits a new way of reading Victorian poetry It illuminates poets engagement with the immediacy and inevitability of writing for the present and for the contemporary media through which poetry was read and disseminated New patterns of reception were created by mass print culture and both poets and reviewers were preoccupied with reaching the newly constituted mass audience The changes to the material forms of poetry e g through the periodical or gift book and the subjection to the commercial imperatives of the literary marketplace encouraged bold experiment with verse The book identifies three poetic strategies for articulating the preoccupation with a mass audience and the demands of mass media

voice style and address Chapters on voice style and address explore the development of poetic form in dialogue with periodical reviews

Poetry and Painting in Song China Alfreda Murck, 2020-10-26 Throughout the history of imperial China the educated elite used various means to criticize government policies and actions During the Song dynasty 960 1278 some members of this elite found an elegant and subtle means of dissent landscape painting By examining literary archetypes the titles of paintings contemporary inscriptions and the historical context Alfreda Murck shows that certain paintings expressed strong political opinions some transparent others deliberately concealed She argues that the coding of messages in seemingly innocuous paintings was an important factor in the growing respect for painting among the educated elite and that the capacity of painting's systems of reference to allow scholars to express dissent with impunity contributed to the art's vitality and longevity
