Raydon Airfield Fighter Station To Farml:

Raydon Airfield Graham Cross,1991 **Fighter Bases of WW II US 8th Army Air Force Fighter Command USAAF, 1943-45** Martin W. Bowman,2009-08-19 This book covers the bases used during the Second World War by the American fighter units that flew in support of the 8th Air Forces heavy bomber forces The long range Lightnings Thunderbolts and Mustangs escorted the Mighty Eighths Flying Fortresses and Liberators on their deep penetration raids into occupied Europe and Germany Fighter cover was vital since the USAAF flew daylight raids and in the early months the number of US aircraft lost to the defending Luftwaffe fighters was unacceptably high The airfields included are Bodney Bottisham Boxted Debden Duxford East Wretham Fowlmere Halesworth Honington Horsham St Faith Kings Cliffe Leiston Martlesham Heath Raydon Steeple Morden Wattisham and Wormingford This book looks at the history and personalities associated with each base what remains today and explores the favorite local wartime haunts where aircrew and ground crew would have sought well deserved entertainment and relaxation Other museums and places that are relevant will also be described and general directions on how to get them included **In the Hands of Strangers** Kim Moretto Niemeier,2016-11-07 On June 12 1944 six days after the D Day invasion of Normandy U S fighter pilot Fred Moretto is ambushed by German Messerschmitt 109s Barely escaping his burning P 47 Thunderbolt Lieutenant Moretto parachutes into the French countryside where villagers working for the Resistance conceal him from the Germans for two months in a bread oven a secret perch in an attic and a hayloft In 1993 nearly 50 years later Kim Moretto Niemeier convinces her father to return to France Reuniting with the people and the places where he survived against all odds re invigorates his French Connection and launches Kims 20 year odyssey to uncover the dramatic details of her fathers inspiring story Airfields Of 8th Roger Freeman,1978-02-28 A unique nostalgic look at the airfields used by the Eighth in the United Kingdom during the Second World War Conceived in war the airfields experienced their moments of glory and when the war ended were left empty and derelict to die The few which remain virtually intact have only survived because some private or public concern has formed a practical use for them although not always as airfields Some of the more remote airfields still dot the countryside the same as when the last plane left their runways and the last truck departed through the main gate They are bleak windswept and moldering but they retain the atmosphere of the fine high endeavors of the people who inhabited them and the aura of ineffable sadness that hangs over memorials to fighting men For such they are **2nd Air Division Air Force USAAF 1942-45** Martin W. Bowman,2007-04-19 A history and guide to historic British airfields where American bombers were prepared to take off at a moment s notice includes photos As part of the AHT series the airfields and interest in this book are concentrated in a particular area in this case Norfolk and Suffolk The Second Air Division s first bombing mission was flown on November 7 1942 the last on April 25 1945 A total of 95 948 sorties were flown in 493 operational missions by the division s B 24s dropping 199 883 tons of bombs Targets attacked ranged from Norway in the north as far east as Poland and Romania while

several Mediterranean countries were reached from temporary bases in North Africa Six 2nd Air Division groups received special presidential citations for outstanding actions and five airmen received the Medal of Honor highest US award for bravery four posthumously In combat the 2nd Air Division gunners claimed 1 079 enemy fighters destroyed against losses of 1 458 B 24s missing in action and many others lost in accidents This book looks at the history and personalities associated with each base what remains today and explores the favourite local wartime haunts where aircrew and ground crew would go

Flypast ,2005 *Action Stations: Military airfields of the Central South and South-East* Chris Ashworth,1990 First published in 1985 this up dated version includes additional text and photographs bringing the story up to date This is the last of the area volumes in the Action Stations series

Bleeding Sky Joey Maddox,2009-09-11 This is the true story of Captain Fletcher E Adams and the famous 357th Fighter Group Known collectively as the Yoxford Boys the 357th was the first P 51 Mustang fighter group in the history of the Mighty 8th Air Force Although active for less than two years during World War II the group set many records and became one of the greatest fighter outfits the U S Air Force would ever send into combat Between February 1944 and April 1945 the 357th produced more aces than any other American fighter group They also shot down more German jets than any other group in the Army Air Corps during the Second World War On January 14 1945 a day that will forever be known as The Great Rat Race and The Big Day the 357th Fighter Group shot down 55 1 2 German fighters in just over two hours setting a record in military aviation that has never and probably will never be broken Among the members of this amazing group of fighter pilots were Chuck Yeager Bud Anderson Kit Carson John England and others destined for fame So was Captain Fletcher E Adams a native son of the small village of Ida Louisiana Then on May 30 1944 Adams the leading ace of the 357th Fighter Group with 9 kills to his credit was shot down over Tiddische Germany and murdered by civilians on the ground This is their story as told by the pilots through their books diaries and interviews with the author Theirs was an adventure never to be matched again in the annals of aviation history Find out what it was really like to go to war with the Yoxford Boys This book gives us the best insight into a tragic causality of WW II and the mystery of what happened to Captain Fletcher E Adams Joey Maddox s use of other voices quotes and investigative interviews make the story interesting You ll not only learn about Fletcher Adams but also the history of the 357th Fighter Group I found the use of Adams personal diary an illegal practice in wartime particularly interesting to learn of his personal feelings during his training and combat
