

# 5 EASY STEPS TO Re-enter The WORKFORCE

1. Invest in a professional resume writer, focusing on job accomplishments as opposed to the job description.

2. Invest the time crafting a compelling profile on LinkedIn, paying attention to key words, career highlights, and job accomplishments.

Use a professional picture that reflects your skill set in the very job you are applying for. This ensures that your profile stands among the other people who are searching for people like you.

3. Spend time on LinkedIn joining Groups with your area of expertise and reach out to connect with hiring managers within your area of discipline. Make a point to 'like' and comment on their posts, contributing good information.

4. Spend time looking at companies you would be interested in joining, and sign up for job alerts.

You can also set up Google Alerts, as well as alerts on each company's individual website that you are targeting, so that you are alerted when potential job matches become available.

5. Reach out to everyone that you can think of that knows of your skills and past accomplishments, for referrals, employment and ask for their names that may have a need for someone of your caliber.
