Re Imagining Evangelization Vision Conversion And Contagion:

Secularism and the Pursuit of Transcendence, Volume I Stanley E. Porter, Wendy J. Porter, 2025-02-20 We live in a secular age or so we have been told Nevertheless the Christian church strongly believes that we still experience and in fact are surrounded by acts of transcendence encounters with God that often defy imagination and explanation And yet we do try to explain such phenomena whether theologically experientially biblically historically philosophically literarily or even or especially artistically These two volumes are more than just papers from a major conference on secularism and the pursuit of transcendence held at McMaster Divinity College in Hamilton Ontario They contain genuine attempts by people deeply engaged with their secular surroundings to explain what we mean by transcendence Transcendence has been a longstanding topic among the best thinkers of this and previous ages and the same is true for these volumes which include contributions by Charles Taylor Robert Wuthnow Merold Westphal and Christina Gschwandtner but also by a wide range of others who address the question from divergent vantage points The responses vary as much as the orientations of those involved in the pursuit of defining not only what it means to live in our secular age but to be involved in the pursuit of transcendence or even to perceive the Transcendent s pursuit of us Whitaker's Books in Print , 1998 **The Chicago Theological Seminary**

Gospel Portraits K. Rex Butts, 2022-05-17 Many people realize that the cultural landscape of North America has shifted significantly With such changes new challenges for how churches live as a proclamation of the gospel have and continue to emerge These challenges are related to the church s participation in the mission of God and particularly how local churches live faithfully to God while remaining relevant to such challenges Because Scripture is revered as God s word this matter also pertains to the way churches read Scripture since the Bible does shape how churches embody the gospel Gospel Portraits addresses the intersection of mission and hermeneutics for churches within their local contexts Believing the gospel calls the church to follow Jesus and bear witness to the kingdom of God this book proposes that churches should read the Bible as a Christ centered and kingdom oriented narrative This reading of Scripture allows churches to reimagine how they might embody the gospel within their local contexts Discerning what a contextual embodiment of the gospel involves churches portray God s new creation in ways that are coherent with the biblical story and relevant to their local context In doing so churches live as Christ formed and Spirit led communities portraying the gospel The Cumulative Book Index , 1996 A
