Christian faith and change the world      **Reaching Muslims** Nick Chatrath,2011-08-10 A fascinating introduction covering demography theology culture politics justice and other aspects of Islamic identity It is well illustrated with stories and examples Nick considers what reasons a Muslim might have for thinking that Jesus is good news What does the Qur'an say about Jesus Why do we know that God loves Muslims He then suggests thirteen No Regret Moves to help build open hearted friendships and to equip Christians to connect with Muslims including Pray in faith for open hearts Foster curiosity Show love in action Invite others into The Story and your story He deals with three theological hot potatoes should Christians call God Allah should a convert from Islam be baptised and should Christians eat halal meat Detailed appendices provide sample talks for Muslim audiences and offer seven specific ways to foster contact with the Muslim community      Reaching African-American Muslims for Christ Josh Llano,2005-04 Josh Llano's book presents ministry guidelines to the Nation of Islam and African American Orthodox Muslims This relational evangelism identifies Jesus as the savior of all races colors and ethnic groups      **Pilgrims of Christ on the Muslim Road** Paul-Gordon Chandler,2008-10-03 Today's tensions between the Islamic East and Christian West run high Here Paul Gordon Chandler presents fresh thinking in the area of Christian Muslim relations showing how Christ\_ whom Islam reveres as a Prophet and Christianity worships as the divine Messiah\_ can close the gap between the two religions Historically Christians have taken a confrontational or missionary approach toward Islam leading many Muslims to identify Christianity with the cultural prejudices and hegemonic ambitions of Westerners On the individual level Christ followers within Islam have traditionally been encouraged by Christians to break away from their Muslim communities Chandler boldly explores how these two major religions\_ which share much common heritage\_ can not only co exist but also enrich each other He illustrates his perspective with examples from the life of Syrian novelist Mazhar Mallouhi widely read in the Middle East Mallouhi a self identified Sufi Muslim follower of Christ seeks to bridge the chasm of misunderstanding between Muslims and Christians through his novels      Understand My Muslim People Abraham Sarker,2004-11-24 For many Americans questions concerns and misunderstandings surround the world's fastest growing religion Islam Abraham Sarker born and raised a devout Muslim knows Islam and understands Muslim people While Sarker was being trained as an Islamic leader God miraculously opened his eyes and touched his heart with the gospel of Jesus Christ He shares his story then provides a clear description of the history beliefs and practices of Islam Sarker concludes by giving us a better understanding of the Muslim mind set and offers practical strategies Christians can use to engage in productive dialogue with Muslims      Chrislam Jeff Morton,Joshua Lingel,Bill Nikides,2012-07 This important study engages the question of how much one can should remain connected to one's Muslim heritage as that Muslim comes to embrace Christ What should we teach others to do in a Muslim context how should we translate the Scripture for them so the message of the New Testament is clear On analogy with the Messianic movement the claim is that the ability exists to extensively keep both relationships This impacts translation practice It is a significant claim that needs careful assessment The emotional line

between cultural sensitivity and syncretism is thin but the theological line between them is great One cultural sensitivity is important to maintain the other syncretism is crucial to avoid This study of insider movements will help you assess what is going on and help you begin to see the crucial difference It is well worth the time because it is a timely insightful book on an important topic Darrell L Bock Research Professor of New Testament Studies Dallas Theological Seminary The critical question concerning the so called insider approach to missions is not the pragmatic question of what works but the theological question of what is essential to the New Testament Gospel William Lane Craig Research Professor of Philosophy Talbot School of Theology The insider movement does not produce disciples of Jesus Christ but spiritual schizophrenics The insider movement is not inside Islam and it is not inside the Gospel It is in fact more an Islamic movement than Christian It is another form of Islam It is a perversion and disservice to Christ Those who have the interest of Muslims at heart should read this book again and again Moses Gbenu President Ministry of Eternal Affairs Nigeria

Reaching Your Muslim Neighbor with the Gospel A. S. Ibrahim, 2022-09-30 How to Better Engage and Share the Gospel with Muslims Muslims are coming to Christ more than ever before which is why having a robust Christ centered foundation for evangelism is essential However many Christians know very little about Muslims and their beliefs which often results in misconceptions and a decreased ability to clearly and effectively proclaim the gospel In Reaching Your Muslim Neighbor with the Gospel Ayman Ibrahim seeks to provide readers with insight and practical tips to engage and share the gospel with Muslim friends and neighbors Ibrahim divides the book into two sections 1 a Christian understanding of the strands of Islam and the diversity of Muslims and 2 practical ways for Christians to connect with Muslims and effectively communicate the gospel This ebook also incorporates true stories about Muslims coming to Christ and answers common questions Ideal for Christians Interested in Cross Cultural Missions Especially those interested in evangelizing to Muslims or wanting to learn more about the Muslim community Perfect for Group or Personal Study Each chapter ends with practical information about Islam and Muslims and questions to prompt discussion Practical Guidance Includes true stories answers to common questions proper responses to Muslim questions and common pitfalls to avoid during evangelism

*Reasoning from the Scriptures with Muslims* Ron Rhodes, 2002-07-01 Anyone interested in sharing the gospel with Muslim friends or understanding the doctrines and historical basis of Islam will appreciate this addition to the popular Reasoning from the Scriptures series Using an easy to follow question and answer format Reasoning from the Scriptures with Muslims covers issues including Muhammad and Jesus Christ what are their roles the Quran and the Bible what kind of inspiration and authority do they have Islam today what different groups exist and how can Muslims be reached with the good news Each chapter examines a Muslim belief and compares it with biblical Christianity Readers will find this an invaluable tool for discussing and sharing the words and life of Jesus Christ with Muslim friends and acquaintances

*The Christian Witness to the Muslim* John Gilchrist, 2015-07-28 The emigration of millions of Muslims to the West since the end of the Second World War has presented the Church with a unique

opportunity to evangelize Muslims at its traditional doorstep The task however requires a considerable degree of knowledge and wisdom as the field of Muslim evangelism is a special one which requires an informed approach The author has sought to provide Christians who seek to witness to the Muslims in their midst with the kind of knowledge they will require to be truly effective in the field This book serves as a companion volume to the author s first volume titled Muhammad and the Religion of Islam

**Fear and Intimidation** Robert Cook,2017-01-10 In the early eighties the second Muslim I ever met threatened to kill me because he thought I was making fun of his god while I was asking another Muslim about the first Palestinian intifada the many suicide bombings in Israel Little did I know then that I would ever study Islam and the Quran and write a book about the two subjects Muslims are commanded in the Quran to believe in all the books revelations that Allah has sent down to all mankind which include the Old and New Testaments Though Islamic scholars and Imams teach that the Old and New Testaments are corrupted and therefore should not be studied The Quran says nothing at all about the Word of Allah as being corrupted In fact the Quran states that Allah preserves his word So when Muslims refuse to read or study the Bible they are rejecting the word of Allah In this book the Quran and the Bible are quoted throughout covering subjects like how the Quran actually glorifies Jesus above Muhammed by declaring that Jesus was a faultless man A faultless man is a perfect man which is more than just a man because no man who has ever lived on the earth has been faultless except Jesus This book is an effort to inform all including Muslims about Islam and the Quran so that we may better understand the fastest growing religion in the world and to give Christians what they need to know about Islam in their efforts to reach out to Muslims

*The 10 Things You Need to Know About Islam* Ron Rhodes, **Engaging Islamic Traditions** Bernie Power,2016-04-19 The Hadith have long been neglected by Christians yet they may hold the key to reaching Muslims with the good news of Jesus Christ In this ground breaking book the earliest traditions of Islam are assessed from a biblical perspective Insights into the Islamic worldview and potential springboards to Christian truth are uncovered along the way For those contextualizing the gospel to Muslim friends and colleagues this book seeks for concord and connection with Muslim thinking while maintaining a clear commitment to Jesus Christ and his gospel **Encountering the World of Islam** Keith E.
