

REACHING OUT

A Manual for Healing Hearts

The background of the cover is a deep purple with a fine, grainy texture. Two broad, luminous beams of light, one yellow and one pink, originate from the bottom corners and converge towards the center, creating a V-shape. In the center of this V, a figure with long, flowing blonde hair and a purple robe stands with arms outstretched. The figure's chest is marked with a small white cross. Above the figure's head, a wavy, blue line resembling a river or a path of energy flows upwards, disappearing into the top of the frame. The overall composition suggests a spiritual or healing journey.

Reaching Out A Manual For Healing Hearts:

Reaching Out Pamela Nadeau, 2002 We may feel we are spiritual beings living inside physical bodies yet know that life's big challenge is to live a spiritually good life For how can we be spiritually good when life can invite us to be unloving unkind or just plain confused Is this dilemma different as we enter the 21st Century with its complex technologies and renewed threats to global survival Are there simple solutions to staying spiritually good and physically alive no matter when we live in history Or does each generation need to find its own way The author had no answers to such thoughts only more questions until the day an extraordinary entity joined her debate Hailing from an Egypt of 5000 years past and communicating through channeled material Princess Hats upset wades deep into the topic with her endearing blend of humor metaphor and compassion She wins and heals the hearts of those who read her Are we so different from our forebears Read about and experience the magical mysteries of an Ancient Sisterhood of Healing Hearts Will your 21st century heart also be healed

Dream Seeker Harold A. Skaarup, 2002-07-29 The Dream Seeker is a collection of stories dreams and readings which touch on the Light that shines within us Those who have a strong faith and a loving heart radiate this Light and one result is others are drawn to it When you have this light there should be no questions or answers that you should fear Many of the answers to the questions in this book may surprise you Have we been here before Is it possible we have had past lives Are there others visiting us Can our future be understood Can we be shown the way ahead You will find responses to these questions based upon interviews with gifted people who believe that many things are possible We are all given incredible gifts that seem to have been significantly enhanced with recent changes that have taken place around us One must always honour such gifts or they will just as quickly be taken away It is my hope that you will find something that resonates within you in this book and that you too will choose to walk in the Light

Relaxation, Meditation & Mindfulness Personal-Training Manual Jonathan C. Smith, 2006-02 Meditation and mindfulness aren't easy. Most people quit, usually frustrated by problems concentrating, the result of outdated ritualized dogma based instruction. Here is a complete and practical guide that takes a groundbreaking new direction in the instruction of meditation and mindfulness. Over a decade of research at the Roosevelt University Stress Institute has found that learning one type of meditation, meditation or relaxation is not enough. Different approaches have different effects and work for different people. A balanced combination is more effective than a quick fix of one technique or ritual. In this program, the student first masters six foundation skills of yoga, form, stretching, muscle relaxation, breathing exercises, autogenics, and imagery. Then simple and fun instructions guide one through the adventure of developing a personally tailored relaxation and meditation program, one that is based on individual strengths and needs.

Doorway to Artistry Esther Lightcap Meek, 2023-06-15 Your artistry involves you intimately with the world around and beyond you. So your artistry involves profound but simple philosophical matters. As a human person, you are artful and philosophical at the core of your being. Doorway to Artistry offers a playful, everyday philosophical approach necessary for life integration, healing, and thriving in artistry. It reflects on the real and how we are involved with it, especially in our creative effort. In short, the real hospitably welcomes us, and in our artistry, we reciprocate in noble courtesy. Human persons were made for this communion with the real. Find in this book a hospitable welcome to belong at home beyond where you are.

Catch the Fire Michael Wilkinson, Peter Althouse, 2014-03-15 A recent phenomenon of charismatic renewal took place in Toronto in the mid 1990s. Commonly known as the Toronto Blessing and operated by the former Vineyard Church leaders John and Carol Arnott, the renewal was defined by reports of uncontrollable laughter, weeping, speaking in tongues, animal noises, and falling on the floor during worship. Sympathetic Christians embraced these practices, while others who believed that this form of worship bordered on spectacle rejected them. By the end of the 1990s, most people thought that the renewal was over. Yet in the first decade of the twenty-first century, the authors, a sociologist and a theologian, heard rumors that the Toronto church, now known as Catch the Fire, was still holding mass meetings with upwards of 2,000 people in attendance. They also learned of an emerging practice of soaking, prayer, an adaption of Pentecostal charismatic prayer that participants and leaders claim facilitates and expands the reception of divine love in order to give it away in acts of forgiveness, reconciliation, compassion, and benevolence. Soaking, the authors reveal, is a metaphor for practices like resting in the Spirit, prayer for spiritual gifts, healing, prophecy, impartation, and supports overall charismatic spirituality. Attending Catch the Fire conferences, churches, and house meetings in the United States, Canada, Britain, Australia, and New Zealand, Wilkinson and Althouse observed first-hand how people soak, what it means to soak, and why soaking is considered an important practice among charismatics.
