## Reaching The Unreached:

Reaching and Teaching M. David Sills, 2010-04-01 Most Christians know and understand that we are to seek to reach the lost around the world Yet Christ's command to us is more specific and calls us to a higher standard of involvement with the peoples of the world He has called the church to make disciples of all people groups and to teach them to observe all He commanded us Matthew 28:18-20 In recent years mission agencies and missionaries have increasingly shifted away from discipleship and teaching toward an emphasis upon evangelism and church planting many to the exclusion of any other field activity While evangelism and church planting are essential components of a biblical missions program they are not sufficient for the complete task to which we have been called Reaching and Teaching examines the task Christ gave in the Great Commission and redefines the task of missions from that which is currently prevalent It surveys missions strategies and methodologies that have increasingly replaced Christ's Great Commission instructions even as they have sought to fulfill it It is a clarion call to return to the biblical task of reaching and teaching the nations for Christ's sake *Reaching the Unreached for Christ* Charles F. Dreyer, 1960 Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954 United States. Internal Revenue Service, 2002 **Theology and Practice of Mission** Bruce Riley Ashford, 2011-09-01 Theology disconnected from mission is not Christian theology at all The pastors professors and missionaries writing *Theology and Practice of Mission* provide a clear biblical theological framework for understanding the church's mission to the nations Toward that goal the book holds three major sections God's mission the church's mission and the church's mission to the nations Part one explores the canon of Christian Scripture from narrative and systematic angles explaining how the mission of God to redeem a people who will be a kingdom of priests to the praise of his glory bear witness to his gospel advance his church and dwell with him forever on a new heaven and earth is communicated in the Bible's four movements Creation Fall Redemption and Restoration Part two sees the mission of God's people in the light of God's mission emphasizing not only preaching and church planting but also gospel witness in every dimension of human culture glorifying God in family church work community through the arts sciences education business and the public square The writers encourage us to live missionally leaving all of our resources at God's disposal for the sake of his kingdom Finally part three contends that the North American church must come to terms with its missional calling just as international missionaries do and gives a starting point and parameters for conceiving the church's mission to all people groups and cultural contexts Chapters here include ones on unreached people groups Muslims Hindus Buddhists and Postmoderns **Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1986**, 1992 **Reaching the Unreached in ...** Missions Advanced Research and Communication Center, 1973\* Reaching the Unreached Peyton Jones, 2017-05-16 For too long church leaders have focused on increasing the size of their church rather than increasing their reach outside of the four walls of the church building The result Church life becomes a predictable set of routines with

predictable results Church members struggle to reach the neighborhoods they drive through on their way to church programs unable to penetrate their surrounding communities in a meaningful way Reaching the Unreached recounts the stories struggles and triumphs of individuals and churches that have reinvented themselves to meet the world where it is working to reach the ones that no one else is reaching The search for the silver bullet of success has diverted us from tapping into the timeless principles found in the book of Acts says author pastor and front line church planter Peyton Jones Yet the spiritual climate that Paul and the Apostles stepped into is not all that different from the brave new world the church faces today From accidentally planting a church in a Starbucks in Europe to baptizing members of the Mexican mafia in Long Beach Harbor Jones has been on the frontlines of today s missional movement and has lived to tell the tale In Reaching the Unreached he teaches church planters pastors and church leaders how to convert pew jockeys into missionaries and awake the sleeping giant of Christ s church one person at a time Today there are two types of churches those who put their proverbial heads in the sand and those who champion 1st century principles meet the challenges head on and embrace the adventure of mission in community Tomorrow only one type of church will survive those that accept the challenge to reach the unreached

*A Third of Us* Marvin J. Newell, 2021-09-21 A Great Need Requires a Great Response Today over three billion people a third of humanity have yet to hear the good news of Jesus They have no opportunity to believe in him as their Savior and find peace with God through him Of all the injustices in the world and there are many that are quite distressing this is the worst because of the eternal consequences A third of anything is significant especially this third In light of this staggering need Marv Newell explores the five Great Commission passages where Jesus methodically unfolds the essence of the disciples task A Third of Us is not just an invitation to be aware of the need but a rally cry for today s disciples to respond Writing to the whole body of Christ Newell casts a vision for multiple ways to get involved in reaching the unreached When finishing the task set by our Savior feels overwhelming this practical and inspiring book points us back to Jesus words with hope So are you ready to reach A Third of Us
