This book covers the following units

- Historical investigations
- Russia and the Soviet Union 1905-24
- The USA 1918-41

Modern Populism Deepak Tripathi, 2023-08-28 This book sheds light on modern populism and discusses the link between populism and identity politics against the backdrop of populist leaders asserting the identity of their own group while maintaining the separation from others Written by former BBC correspondent and commentator Deepak Tripathi the book explains how populism has a long history with early discernable origins in the Tsarist Russian Empire and North America in the nineteenth century spreading to Latin America Europe and elsewhere in the following century The book

analyzes various forms of populism its causes and consequences It further looks at how industrialization economic growth and movement of people led to conditions which contributed to inequalities fueling populist sentiments and social conflict around the globe Tripathi concludes that populism has moved from the fringes to the mainstream of politics and is here to stay given factors such as growing competition for resources population increase climate change and migration The book will appeal to students scholars and researchers of political science and neighboring disciplines as well as policy makers interested in a better understanding of modern populism and its roots Written in a graceful informative style this book explores the rise of populism on the global scene and exposes its dangers Mark Juergensmeyer Distinguished Professor Emeritus of Sociology and Global Studies University of California Santa Barbara and author of *Global Rebellion Religious Challenges to the Secular State* Deepak Tripathi provides the first lucid and comprehensive analysis of a political phenomenon that engulfs many states and societies today Ilan Pappé Professor of History and Director of the European Centre for Palestine Studies University of Exeter This wide ranging and clear sighted book gives a historically informed account of how populism went mainstream It is a fascinating read Richard Toye Professor of Modern History University of Exeter

The Battle of Tsushima Phil Carradice, 2020-03-30 The author of *The First World War in the Air* details the gripping 1905 naval battle during the Russo Japanese War In 1905 Japan and Russia were at war With the Russian Far East Fleet destroyed the Czar sent his Baltic Fleet halfway around the world to exact revenge This mammoth journey took many months and was an amazing feat of seamanship But at the end of this adventure the Russians were totally overwhelmed and the majority of the fleet was underwater There was no alternative for the Czar but to sue for an ignominious peace The story of the journey and the final battle remain fascinating the people involved behaving like characters from a novel Russian Admiral Rozhdestvensky was a gunnery expert but had never held active command in a major sea battle Japanese Admiral Togo had trained in Britain enlisting as a cadet on the Training Ship Worcester even though he was far too old and was forced to lie about his age Inept generalship on the part of the Russians combined with brilliant seamanship from Togo saw the complete destruction of the Russian fleet The naval battle of Tsushima is one of the forgotten actions of the twentieth century but it has a significance that is immense in world history An utterly compelling story well told by Carradice We really sympathize with the Russian sailors trapped on their ironclad warships for months as they battled against the elements a largely hostile world and even each other The result is an excellent book that reminds us of the human cost of these massive naval battles History of War

My Revision Notes: OCR AS/A-level History: Russia 1894-1941 Andrew Holland, 2017-05-02 Exam Board OCR Level AS A level Subject History First Teaching September 2015 First Exam Summer 2016 Target success in OCR AS A level History with this proven formula for effective structured revision key content coverage is combined with exam preparation activities and exam style questions to create a revision guide that students can rely on to review strengthen and test their knowledge Enables students to plan and manage a successful revision programme
