**Chronicles of the End Times** Mark Davidson, 2018-10-05 Mark Davidson author of *Daniel Revisited* has created a unique interpretation of end time Bible prophecy using the ancient concentric reading method known as chiasmatics Lost centuries ago it was rediscovered by seminary scholars in the eighteenth century This reading method reveals the form of the scripture text via the flow of its words giving us a heightened sensitivity to the words in the text When combined with the words meanings we receive a greater understanding of prophetic scripture In *Daniel Revisited* Davidson showed us the four signposts four events prophesied in Daniel 7 and 8 and Revelation 6 to occur in the Middle East prior to the Rapture and Tribulation Now in *Chronicles of the End Times* chiastic reading has been applied to all of Daniel Revelation and other books pulling back the veil further to expand our view from four events to all the main events from the Middle East to the ends of the earth A chiastic reading of Daniel Zechariah 1 6 Matthew 23 25 and Revelation all shown in ninety illustrations yields many solid answers to the following questions as well as to many others How do Daniel 2 and 7 interact and why are the kingdoms metals and beasts What's the purpose of Daniel's Aramaic chapters and how do they affect the end times Which parts of Daniel 11 are to be fulfilled in ancient times versus end times What is the real identity of Mystery Babylon and how does this help us in the end times How do the two scrolls of Revelation give greater understanding of the trumpets and bowls

Haynes,2017-04-19 Biblical literacy is fundamental to ones religious quest or spiritual journey Many readers with good intentions get lost or get bogged down trying to read through the Bible on their own If so this is your book For each of the thirty nine books of the Old Testament this book has an introduction its historical and cultural setting a chapter by chapter synopsis of its content its eternal truths that supersede time and golden texts that are worthy of your memorization If you want to see the Bible in the context of its geopolitical world this is your book If you need to extract the eternal truths that supersede the biblical culture this is your book If youd like to have a personal Bible of memorable golden texts this is your book If you need help as a teacher or preacher this is your book If you need to enhance your understanding of the Bible as the Word of God for the people of God this is your book This book reflects excellent scholarship but it is designed for all ages and stagesfrom millennials to octogenarians Ezekiel and Daniel Henry Cowles,1870 The End Times Kurt B. Bakley,2016-01-20 In this book we will read the ancient prophecies for the next 1000 years and beyond It quite different then any other works on this subject but I feel this is the correct one I could be wrong We will read the dates and time periods of Daniel and Revelation all the Bible Nostradamus and ancient Egyptian art to see what will happen and when

All prophecies in all books will be fulfilled if true during this time span. So read on and see your future. Be sure to read my other books entitled Predictions for 2015 Revised Edition, The Experiment at Philadelphia Revised Edition, End Time Signs II and The End Times Prophecies. They don't always happen the way we think they will and many times give more than one date, event and time. Some preachers call this secondary fulfillment. For the prophecies of this book to come true, the events of September 24, 28 and or October 15, 17, December 31, 29, 24, 25, 14, 7, November 10, 11, 22, 2016 or 2017 must come to pass or else another type of future will happen. I explain this in this book and document how other books predict four or five possible futures and from four or five one will come true as Isaac Newton and a woman in a life after death experience predicted. She said when she was dead she saw four or five futures unfold before her. She came back to life and forgot about them and one day in her kitchen she noticed it was the exact copy of one of her futures she saw long ago when she was dead. One comes true out of four or five. If the people remain sinning the good prophecy could fail. This book was finished on December 14, 2015. Leave in
