stages Away from Home Homeward Turning Home Away from Home and The Final Home Under these headings Lewis's major theological and literary themes find illuminating treatments with rich contents and penetrating analyses In so doing the author presents to the readers probably for the first time a systematic theology of C S Lewis It turns out that Lewis more than just a storyteller was a significant participant in the world of theological reflections demonstrating himself to be a rather formidable theological mind to be reckoned with **AN ENCOURAGING THOUGHT** Donald T. Christian Popular Culture from The Chronicles of Narnia to Duck Dynasty Eleanor Hersey Nickel, 2021-05-13 Christian popular culture has tremendous influence on many American churchgoers. When we have a choice between studying the Bible and reading novels, downloading movies, or watching television, we become less familiar with Numbers than with Narnia. This book examines popular Christian narratives with rigorous scholarly methods and assumes that they are just as complex, fascinating, and worthy of investigation as the latest secular Netflix series or dystopian novel. While most scholars focus on the religious aspects of Christian texts, this study takes a new approach by analyzing their social responsibility in portraying the complex dynamics of race, class, and gender in a profoundly unequal America. Close readings of six case studies: The Chronicles of Narnia, Francine Rivers's *Redeeming Love*, Jan Karon's Mitford novels, *Left Behind*, the films of the Sherwood Baptist Church, and *Duck Dynasty* uncover both harmful stereotypes and Christians serving as leaders in social justice.
