Kant's 'Religion within the Boundaries of Mere Reason' Eddis N. Miller, 2014-11-20 Immanuel Kant's Religion within the Boundaries of Mere Reason is a seminal text in modern philosophy ethics and the philosophy of religion It is a complex and challenging work which students and scholars often find difficult to penetrate This Reader's Guide provides a way in to the text including philosophical and historical context an overview of key themes section by section analysis of the text a chapter on its reception and influence as a classic text of the Enlightenment and a guide for further reading It highlights the most important themes and ideas clarifies certain opaque features and examines the junctures in the text that are critical for any philosophical assessment of Kant's argument Eddis N Miller offers a sound understanding of Kant's Religion and the tools for students to philosophically assess Kant's overall argument

Islamic and Comparative Religious Studies William Albert Graham, 2010 William A Graham a leading international scholar in the field of Islamic Studies gathers together his selected writings in this volume under three sections 1 History and Interpretation of Islamic Religion 2 The Qur'an as Scripture and 3 Scripture in the History of Religion This invaluable resource will be of primary interest to students of the Islamic tradition especially in regard to Qur'anic piety Muslim ritual practice and fundamental structures of Islamic thought It will also be of interest to students of the comparative history of religion especially as regards the phenomenon of scripture and its analogs Graham's work in Islamic studies focuses largely on the analysis and interpretation of the religious dimensions of ritual action scriptural piety textual authority revelation tradition and major concepts such as grace and transcendence His work in

the comparative history of religion has focused in particular on the problem of scripture as a cross cultural religious phenomenon that is more complex than simply sacred text This invaluable resource will be of primary interest to students of the Islamic tradition especially as regards Qur'anic piety Muslim ritual practice and fundamental structures of Islamic thought and to students of the comparative history of religion especially as regards the phenomenon of scripture and its analogs *The Discipline of Religion* Russell T. McCutcheon, 2003 This volume is a critical journey through religious studies in the 21st century looking at its growth as an academic discipline and its contemporary political and social meaning

Reader's Guide to Periodical Literature Supplement, 1928 *Doing Library Research* Robert K. Baker, 2019-03-13 Many college students remain puzzled by card catalogs can't find books they need and fail to use many of the important resources of the library despite tours explanations and much assistance from librarians In this book a community college librarian provides the direction students need to utilize the resources typically found in a community c Religion and Global Culture Jennifer I. M. Reid, 2003-02-22 *Religion and Global Culture* draws together the work of a group of historians of religion who are concerned with situating the contemporary study of religion within the cultural complexity of the modern world The writing of each of the volume's contributors relates to the work of leading historian of religion Charles H Long who has identified religious meanings in the contacts and exchanges of the colonial and postcolonial periods Together with Long these scholars explore religious practices in a variety of globalized contexts chapters consider such varied subjects as the rituals of African immigrant communities in the United States the making of Mohawk sweet grass and black ash baskets the religious experience of prisoners in the Nazi holding camp of Westerbork and the regional repercussions of contemporary multi national business By locating religion in the conflicted and cooperative relationships of the colonial and postcolonial periods *Religion and Global Culture* calls on scholars of religion to reconfigure their interpretive stances from the perspective of the material structures of the modern globalized world Sexuality, Religion and the Sacred Loraine Hutchins, H. Sharif Williams, 2018-10-24 *Sexuality Religion and the Sacred* is a thoughtful collection of bisexual polysexual and pansexual scholarship on religion and spirituality It examines how religious and spiritual traditions address sexuality whilst also exploring the ways in which bisexually polysexually and pansexually active people embrace religious and spiritual practice The volume offers a comprehensive analysis of these prevalent themes by focusing on five main areas of discussion Christian and Unitarian Discourses Indigenous and Decolonizing Spiritual Discourses Feminist Spiritual Discourses Buddhist Discourses and Neo Pagan Discourses *Sexuality Religion and the Sacred* offers an accessible yet scholarly treatment of these topics through a collection of critical essays by academics of theology humanities cultural studies and social sciences as well as sexology professionals and clergy from various faith and spiritual traditions It gives readers an insight into the intersection of sexualities and spiritualities and attempts to disrupt this very dichotomy through its careful consideration of a wide variety of discourses This book was originally published as a special issue of the *Journal of Bisexuality* **The Booklist**, 1966

Convergences Dr. Nabil M. Abdel-Al, 2017-05-25 This anthology is an amalgam of the authors output in the domains of interpretation translation and literary scholarship It is a serious attempt to highlight the cardinal traits common to said fields This research is a vested trek into the inner workings of the authors profession interpretation and translation as well as his standing engagement with literary genres throughout the ages The books uniqueness resides in treating a diversity of matters interrelated in various ways although on the surface it appears to make up a queer admixture of dissimilar elements hence the title Convergences Interpretation and translation are twin vocations and between them convergence is all encompassing Both transform a message from a source to a target language Complementary and mutually supportive as they are yet there is a train of difference in the execution of these two inseparable professions the method nature and techniques involved in each Interpretation is the instantaneous the simultaneous in a word the express mode of communication and translation is the meditative the slow or the local medium of correspondence Concomitantly literature is the crucible for teleologically permeable convergences and incredible divergences It has a noble ontological message and brings out humanitys hidden treasures experiences thoughts and choices Literatures lofty missive is grounded in understanding the scenes events and characters it depicts excerpts of which feed into discourses to be interpreted and translated Clients come up with multiple interpretations depending on circumstances and the context in which texts are couched
