On The Confessions as 'confessio' Barry A. David,2022-06-16 This is a new guide to reading the Confessions Augustine s most important work and what is widely known as the first Western Christian autobiography ever written The Confessions consists of thirteen books in which Augustine outlines his sinful youth and his conversion to Christianity Barry David guides the reader swiftly through these complex texts explaining the historical context as well as the various philosophical concepts and considers its spiritual ecclesial and theological significance As with other titles in the Reading Augustine series this book presents concise introductory reading of Augustine s work from one of the leading scholars in the field

The Death of Shakespeare Part Two Jon Benson,2022-11 Many people have wondered how William Shakespeare from Stratford upon Avon could have written the plays we associate with his name Mark Twain Sigmund Freud Orson Welles Sir Lawrence Olivier Sir Derek Jacobi Walt Whitman and many others have concluded that William Shakespeare did not write the plays But if he didn t who did And if someone else was the greatest author who ever lived why was Shakespeare given the credit The Death of Shakespeare explains how this happened and why the Bard of Avon paid with his life for his part in to use the words of Henry James the biggest and most successful fraud ever practiced on a patient world

**Russia's New Ground Forces** Igor Sutyagin,Justin Bronk,2017-12-22 This Whitehall Paper provides an in depth analysis of Russia s Ground Forces including airborne and naval troops It examines their role in Russian foreign policy reforms to units equipment and operational roles performance during combat operations against Ukraine and current unit deployment locations and purposes in the Central Southern and Western Military Districts Russia perceives itself as operating from a position of weakness and surrounded by superior NATO forces It is pursuing a programme of military reform both in terms of equipment and structures The Russian Ground Forces are being geared towards fighting in aggressive short sharp and complex operations into enemy territory as well as being streamlined to increase readiness levels and deployability at short notice However operations against Ukraine have required force generation efforts from almost every Russian Ground Forces formation including those in the Far East which is evidence that the Kremlin s ability to sustain even a moderate tempo of operations in the medium term is limited Furthermore chronic undermanning and morale issues remain which will be exacerbated by the political decision to re establish division scale formations In addition Western sanctions and Russia s difficult economic situation are severely hampering efforts to extend equipment reforms across the whole force Russian Ground Forces should not be seen by the West as an unstoppable colossus However the West must not ignore the unmistakable Russian efforts to prepare for offensive high tempo operations against NATO and the formidable political will that will use them if given the opportunity

*Toni Morrison For Beginners* Ron David,2016-10-04 Many people consider Morrison s novels

difficult to read Most of her readers have at least one book on their shelves that they couldn't finish or when they did finish one just scratched their heads in confusion And when we think we are sure we know what she's writing about it turns out we are half wrong or only getting the tip of the iceberg instead of the whole beautiful brooding thing Toni Morrison For Beginners is about the woman her books her mission her word music and all that subtext in her writings Morrison's books are like the ocean the surface is beautiful but everything that gives them life lies beneath She's the kind of writer who can change your life and this book is here to help you navigate the words and the woman *Palgrave Advances in Thomas Hardy Studies* P. Mallett, 2004-04-27 *Palgrave Advances in Thomas Hardy Studies* explores the key issues in the ongoing and lively debate about Thomas Hardy's work as a novelist and poet In twelve newly commissioned essays distinguished scholars from both sides of the Atlantic review take issue with and take forward the most recent and significant research on Thomas Hardy Richard Wright Keneth Kinnamon, 2014-11-04 African American writer Richard Wright 1908-1960 was celebrated during the early 1940s for his searing autobiography *Black Boy* and fiction *Native Son* By 1947 he felt so unwelcome in his homeland that he exiled himself and his family in Paris But his writings changed American culture forever and today they are mainstays of literature and composition classes He and his works are also the subjects of numerous critical essays and commentaries by contemporary writers This volume presents a comprehensive annotated bibliography of those essays books and articles from 1983 through 2003 Arranged alphabetically by author within years are some 8320 entries ranging from unpublished dissertations to book length studies of African American literature and literary criticism Also included as an appendix are addenda to the author's earlier bibliography covering the years from 1934 through 1982 This is the exhaustive reference for serious students of Richard Wright and his critics *Literary Research and the Victorian and Edwardian Ages, 1830-1910* Melissa S. Van Vuuren, 2010-11-19 The diverse literatures of Victorian and Edwardian Britain have provided a wealth of research materials for novice and expert researchers alike Although the body of scholarship for the Edwardian Age is smaller than that of the Victorian researchers should have no shortage of resources for learning more about the literatures of either time period While many of the novels plays poetry and prose from the Victorian and Edwardian Ages are still readily available in print a vast amount of literature has long since fallen out of print Recent efforts in digitization the Victorian Women Writers Project English Literary Periodicals 1681-1914 Early British Periodicals 1681-1921 19th Century British Library Newspapers 19th Century U.K. Periodicals Times Digital Archives Victorian Popular Culture and even Google Books have helped to make many texts more widely accessible *Literary Research and the Victorian and Edwardian Ages 1830-1910* discusses traditional and new resources for researching this period of British literature and the ways in which those resources can be used in conjunction with one another By helping readers navigate the resources and issues particular to these literatures this book will serve as an essential guide to researching the literatures of the Victorian and Edwardian Ages
