Roberts, Henry E. Jacobs, 2002-06 For Introduction to Literature courses and 2nd semester Freshman Composition courses that emphasize writing about literature This compact version of the best selling *Literature An Introduction to Reading and Writing* retains the dedication to integrating unequalled writing about literature coverage throughout It is dedicated throughout to the interlocking processes of reading and writing In addition to carefully chosen literary selections each chapter contains detailed information about the process of writing about literature with hundreds of thought provoking questions and sample student essays Reading and Writing About Literature Janet E. Gardner, Joanne Diaz, 2016-10-28 Far less expensive than comparable guides *Reading and Writing about Literature A Portable Guide* is an ideal supplement for writing courses where literature anthologies and individual literary works that lack writing instruction are assigned This brief guide introduces strategies for reading literature explains the writing process and common writing assignments for literature courses provides instruction in writing about fiction poetry and drama and includes coverage of writing a research paper as well as sections on literary criticism and theory This volume in the popular Bedford St Martin s series of *Portable Anthologies and Guides* offers a trademark combination of high quality and great value *Reading and Writing About Literature* Janet E. Gardner, 2012-09-15 Far less expensive than comparable guides *Reading and Writing about Literature A Portable Guide* is an ideal supplement for writing courses where literature anthologies and individual literary works that lack writing instruction are assigned This brief guide introduces strategies for reading literature explains the writing process and common writing assignments for literature courses provides instruction in writing about fiction poetry and drama and includes coverage of writing a research paper and of literary criticism and theory This volume in the popular Bedford St Martin s series of *Portable Anthologies and Guides* offers a trademark combination of high quality and great value

**Literature** Edgar Roberts, Robert Zweig, 2014-01-31 Over his long and distinguished teaching career whenever Edgar Roberts taught literature and composition he dedicated a substantial amount of his class time to explaining to students how they should go about effectively completing their writing assignments He found that the more time he spent demonstrating how to write clearly strategically and persuasively about literary works the better the students final essays were Over the years he tried and tested hundreds of assignments on hundreds of literary works in his own classes and came up with many valuable suggestions for how to improve students ability to write about literature To enable him to share his experience and

his successful teaching strategies Professor Roberts attempted to create his ideal resource for literature and composition classrooms it had to include both a rich anthology of diverse classic and contemporary works and a thorough practical presentation of writing skills and strategies to use in analyzing these works *Literature An Introduction to Reading and Writing Compact Sixth Edition* is founded on these principles of writing about literature First students should learn how to engage deeply and critically with a broad selection of stories poems and plays Second the writing process must be carefully and thoroughly integrated into the presentation of all literary genres elements and major writers throughout the entire text not relegated to a single separate chapter or appendix Complete coverage of writing about each literary element casebooks that allow for deeper exploration of important writers in each genre and a total of 53 exemplary student essays and paragraphs with accompanying commentary ensure that students gain a thorough comprehension of the conventions strategies and organizational patterns to allow them to think critically about literature and to produce thoughtful and compelling essays paragraphs documented research papers and examination responses Ways in Gilbert H. Muller, John Alfred Williams, 1994 This text is designed for introductory courses to literature studies It surveys major critical approaches to reading interpreting and evaluating literature and includes student papers as examples in draft and complete stages
