## **Reading Between The Lines A Lesbian Feminist Critique Of Feminist Accounts Of Sexuality:**

**Reading Between the Lines** Denise Thompson, 1991 A comprehensive survey of the development of feminist theories of sexuality from The Feminine Mystique to the current debates It examines the sexual culture of patriarchy and early radical feminist theory around lesbianism heterosexuality and celibacy      **The Lesbian Heresy** Sheila Jeffreys, 1993 Annotation A critique of the lesbian sex industry s efforts to profit from women s oppression      **Rethinking Sexuality** Diane Richardson, 2000-10-26 This thoughtful and accessible book provides a critical examination of the central debates attached to conceptualizing sexuality as a site of knowledge and politics These are explored in chapters on the meaning of heterosexuality sexual citizenship and the associated notions of sexual rights and obligations queer theory and its relationship with feminisms both new and old Also included is discussion of responses to the HIV AIDS epidemic and the implications for understandings of gender and sexuality      Changing Our Minds Celia Kitzinger, Rachel Perkins, 1993-09 Women today are being instructed on how they can raise their self esteem love their inner child survive their toxic families overcome codependency and experience a revolution from within By holding up the ideal of a pure and happy inner core psychotherapists refuse to acknowledge that a certain degree of unhappiness or dissatisfaction is a routine part of life and not necessarily a cause for therapy Lesbians specifically are now guided to define themselves according to their frailties inadequacies and insecurities An incisive critique of contemporary feminist psychology and therapy Changing our Minds argues not just that the current practice of psychology is flawed but that the whole idea of psychology runs counter to many tenets of lesbian feminist politics Recognizing that many lesbians do feel unhappy and experience a range of problems that detract from their well being Changing Our Minds makes positive prescriptive suggestions for non psychological ways of understanding and dealing with emotional distress Written in a lively and engaging style Changing our Minds is required reading for anyone who has ever been in therapy or is close to someone who has and for lesbians feminists psychologists psychotherapists students of psychology and women s studies and anyone with an interest in the development of lesbian feminist theory ethics and practice      A Critical Introduction to Queer Theory Nikki Sullivan, 2003-10 A Critical Introduction to Queer Theory explores the ways in which sexuality subjectivity and sociality have been discursively produced in various historical and cultural contexts The book begins by putting gay and lesbian sexuality and politics in historical context and demonstrates how and why queer theory emerged in the West in the late twentieth century Sullivan goes on to provide a detailed overview of the complex ways in which queer theory has been employed covering a diversity of key topics including race sadomasochism straight sex fetishism community popular culture transgender and performativity Each chapter focuses on a distinct issue or topic provides a critical analysis of the specific ways in which it has been responded to by critics including Freud Foucault Derrida Judith Butler Jean Luc Nancy Adrienne Rich and Laura Mulvey introduces key terms and uses contemporary cinematic texts as examples      Radically Speaking Diane Bell, Renate Klein, 1996 The contributors to

Radically Speaking show that a radical feminist analysis cuts across class race sexuality region religion and across the generations It is essential reading for Women s Studies sociology cultural studies and anyone interested in processes of social change The collection reveals the global reach of radical feminism and analyze the causes and solutions to patriarchal oppression Seventy writers discuss their ideas and practice of contemporary feminism

**Radical Feminism Today** Denise Thompson, 2001-04-06 Radical Feminism Today offers a timely and engaging account of exactly what feminism is and what it is not Denise Thompson questions much of what has come to be taken for granted as feminism and points to the limitations of implicitly defining feminism in terms of women gender difference or race gender class She challenges some of the most widely accepted ideas about feminism and in doing so opens up a number of hitherto closed debates allowing for the possibility of moving those debates further

**Jamming the Machinery** Alison Bartlett, 1998 *Unnamed Desires* Rebecca Jennings, 2015-09-03 The first in depth study of female same sex desire in twentieth century Australia *Unnamed Desires* explores the compelling stories of ordinary women who struggled to build lives and express their love for other women in a hostile society Focusing on Sydney and country New South Wales in the mid twentieth century 1930 1978 it traces the development of lesbian culture identities and material spaces from the interwar period to the first Mardi Gras This book offers fascinating new insights into the social and cultural history of mid twentieth century NSW Elegantly written *Unnamed Desires* tells stories of sadness and persecution but also accounts of bravery ingenuity and fun It is a very welcome and important addition to the scholarship on sexuality in Australian history

**Desperately Seeking Sisterhood** Magdalene Ang-Lygate, Chris Corrin, Henry Millsom, 2020-04-15 First Published in 1997 A collection of contributions from feminist researchers who attended the annual Women s Studies Network WSN conference in June 1995 Emphasizing theory practice and campaigning chapters seek to address contemporary issues from different perspectives theoretical practical and strategic

*Australian National Bibliography: 1992* National Library of Australia, 1988 **Feminist Collections** , 1992 **The Men's Bibliography** Michael Flood, 1995 *New Books on Women and Feminism* , 1991 **La herejía lesbiana** Sheila

Jeffreys,1996 Para la autora la lucha politica de las lesbianas tiene que ver con el movimiento contra la opresion de la mujer que con las reivindicaciones de los homosexuales varones El olvido de esta diferencia por parte de algunos grupos de lesbianas supone un distanciamiento del feminismo puesto que la homosexualidad masculina reproduce la forma de opresion a la mujer La autora reivindica contra esto las relaciones sexuales y amorosas igualitarias asi como el sentido de colectividad y comunidad entre las lesbianas en primer lugar pero tambien con las demas mujeres cuya amistad motiva la lucha feminista

**Book of Abstracts** ,1997    *Refracting Voices* ,1993    *Mediated Women* Marian Meyers,1999 The issues explored are what mediated popular culture says about women and their roles in contemporary society whether and how the mediated representation of women addresses real women s goals and potential how the popular media negotiate the tension between cultural constraint and social changes within their portrayal of women and whether women are still the victims of symbolic annihilation by the media BOOK JACKET    **Latin American Writers on Gay and Lesbian Themes** David William Foster,1994-11-07 Gay and lesbian themes in Latin American literature have been largely ignored This reference fills this gap by providing more than a hundred alphabetically arranged entries for Latin American authors who have treated gay or lesbian material in their works Each entry explores the significance of gay and lesbian themes in a particular author s writings and closes with a bibliography of primary and secondary sources The figures included have a professed gay identity or have written on gay or lesbian themes in either a positive or negative way or have authored works in which a gay sensibility can be identified The volume pays particular attention to the difficulty of ascribing North American critical perspectives to Latin American authors and studies these authors within the larger context of Latin American culture The book includes entries for men and women and for authors from Latin American countries as well as Latino writers from the United States The entries are written by roughly 60 expert contributors from Latin America the U S and Europe
