John M. Levine,Richard L. Moreland,2008-02-19 Research on small groups is highly diverse because investigators who study such groups vary in their disciplinary identifications theoretical interests and methodological preferences The goal of this volume is to capture that diversity and thereby convey the breadth and excitement of small group research by acquainting students with work on five fundamental aspects of groups The volume also includes an introductory chapter by the editors which provides an overview of the history of and current state of the art in the field Together with introductions to each section discussion questions and suggestions for further reading make the volume ideal reading for senior undergraduate and graduate students interested in group dynamics THE EARLY GRADE READING ASSESSMENT Amber K. Gove,Anna Wetterberg,2011-09-28 The Early Grade Reading Assessment EGRA measures students progress towards reading EGRA gauges early literacy skills through a 15 minute individual oral assessment of five fundamental reading skills RTI worked with education experts to develop the EGRA in 2006 and it has been piloted and implemented in more than 40 countries This volume aims to take stock of the substantial amount of information and experience generated through the use of EGRA and to share this knowledge with practitioners policymakers and international donors Chapters cover not only particular applications of the instrument but also put EGRA in the context of broader issues and developments in literacy and education
