Red Color News Soldier:

Red-Color News Soldier Li Zhensheng, 2003-10 The only known existing photographic documentation of the Chinese Cultural Revolution **Red-color News Soldier** Zhensheng Li, 2003 Red-Color News Soldier , 2008-03-01 Only known existing photographic documentation of the Chinese Cultural Revolution 1966-76 Controversial visual record of an infamous misunderstood period of modern history that has been largely hidden from the public eye both within China and abroad Exceptional story of one photojournalist Li Zhensheng b 1940 who took and concealed for decades at great personal risk thousands of pictures Written narrative by the photographer himself who was granted unusual access providing both a historical and personal context Introduction by Jonathan Spence Yale professor and pre eminent scholar of Chinese history

Li Zhensheng, Red-color News Soldier Zhensheng Li, Robert Pledge, Christy Johnson, Ciara Ennis, California Museum of Photography, University of California, Riverside, 2007 **The Cruel Radiance** Susie Linfield, 2011-05-27 In *The Cruel Radiance* Susie Linfield challenges the idea that photographs of political violence exploit their subjects and pander to the voyeuristic tendencies of their viewers Instead she argues passionately that looking at such images and learning to see the people in them is an ethically and politically necessary act that connects us to our modern history of violence and probes the human capacity for cruelty Grappling with critics from Walter Benjamin and Bertolt Brecht to Susan Sontag and the postmoderns and analyzing photographs from such events as the Holocaust China's Cultural Revolution and recent terrorist acts Linfield explores the complex connection between photojournalism and the rise of human rights ideals In the book's concluding section she examines the indispensable work of Robert Capa James Nachtwey and Gilles Peress and asks how photography should respond to the increasingly nihilistic trajectory of modern warfare A bracing and unsettling book *The Cruel Radiance* convincingly demonstrates that if we hope to alleviate political violence we must first truly understand it and to do that we must begin to look **End of an Era** Carl Minzner, 2018 China's reform era is ending Core factors that

characterized it political stability ideological openness and rapid economic growth are unraveling Since the 1990s Beijing's leaders have firmly rejected any fundamental reform of their authoritarian one party political system and on the surface their efforts have been a success But as Carl Minzner shows a closer look at China's reform era reveals a different truth Over the past three decades a frozen political system has fueled both the rise of entrenched interests within the Communist Party itself and the systematic underdevelopment of institutions of governance among state and society at large Economic cleavages have widened Social unrest has worsened Ideological polarization has deepened Now to address these looming problems China's leaders are progressively cannibalizing institutional norms and practices that have formed the bedrock of the regime's stability in the reform era *End of an Era* explains how China arrived at this dangerous turning point and outlines the potential outcomes that could result Mao Cult Daniel Leese, 2011-10-31 Although many books have explored Mao's posthumous legacy none has scrutinized the massive worship that was fostered around him during the Cultural Revolution

This book is the first to do so By analyzing secret archival documents Daniel Leese traces the history of the cult within the Communist Party and at the grassroots level The party leadership s original intention was to develop a prominent brand symbol which would compete with the nationalists elevation of Chiang Kai shek However they did not anticipate that Mao would use this symbolic power to mobilize Chinese youth to rebel against party bureaucracy itself The result was anarchy and when the army was called in it relied on mandatory rituals of worship such as daily reading of the Little Red Book to restore order Such fascinating detail sheds light not only on the personality cult of Mao but also on hero worship in other traditions Visualizing Modern China James A. Cook,Matthew D. Johnson,Sigrid Schmalzer,Joshua Goldstein,2014-09-26

Visualizing Modern China Image History and Memory 1750 Present offers a sophisticated yet accessible interpretation of modern Chinese history through visual imagery With rich illustrations and a companion website it is an ideal textbook for college level courses on modern Chinese history and on modern visual culture The introduction provides a methodological framework and historical overview while the chronologically arranged chapters use engaging case studies to explore important themes Topics include Qing court ritual rebellion and war urban rural relations art and architecture sports the Chinese diaspora state politics film propaganda and censorship youth in the Cultural Revolution environmentalism and Internet culture Companion website <http://visualizingmodernchina.org> **Do Not Say We Have Nothing** Madeleine

Thien,2025-04-25 Winner of the Scotiabank Giller Prize and the Governor General s Literary Award Finalist for the Booker Prize and the Baileys Women s Prize for Fiction A powerfully expansive novel Thien writes with the mastery of a conductor New York Times Book Review In a single year my father left us twice The first time to end his marriage and the second when he took his own life I was ten years old Master storyteller Madeleine Thien takes us inside an extended family in China showing us the lives of two successive generations those who lived through Mao s Cultural Revolution and their children who became the students protesting in Tiananmen Square At the center of this epic story are two young women Marie and Ai Ming Through their relationship Marie strives to piece together the tale of her fractured family in present day Vancouver seeking answers in the fragile layers of their collective story Her quest will unveil how Kai her enigmatic father a talented pianist and Ai Ming s father the shy and brilliant composer Sparrow along with the violin prodigy Zhuli were forced to reimagine their artistic and private selves during China s political campaigns and how their fates reverberate through the years with lasting consequences With maturity and sophistication humor and beauty Thien has crafted a novel that is at once intimate and grandly political rooted in the details of life inside China yet transcendent in its universality **The Cultural**

Revolution Richard Curt Kraus,2012-01-06 China s decade long Great Proletarian Cultural Revolution shook the politics of China and the world between 1966 and 1976 Even as we approach the Cultural Revolution s fiftieth anniversary the movement remains so contentious that the Chinese Communist Party still will not allow open discussion of its origins development and conclusion In this book Richard Curt Kraus helps the non specialist reader make some sense out of a

complex often obscure and still controversial movement
