The Virgin Mary in Late Medieval and Early Modern English Literature and Popular Culture Gary Waller, 2011-01-20 This book was first published in 2011 The Virgin Mary was one of the most powerful images of the Middle Ages central to people's experience of Christianity During the Reformation however many images of the Virgin were destroyed as Protestantism rejected the way the medieval Church over valued and sexualized Mary Although increasingly marginalized in Protestant thought and practice her traces and surprising transformations continued to haunt early modern England Combining historical analysis and contemporary theory including issues raised by psychoanalysis and feminist theology Gary Waller examines the literature theology and popular culture associated with Mary

in the transition between late medieval and early modern England He contrasts a variety of pre Reformation texts and events including popular mariology poetry tales drama pilgrimage and the emerging New Learning with later sixteenth century ruins songs ballads Petrarchan poetry the works of Shakespeare and other texts where the Virgin's presence or influence sometimes surprisingly can be found

Mary's Bodily Assumption Matthew Levering, 2014-11-24 In Mary's Bodily Assumption Matthew Levering presents a contemporary explanation and defense of the Catholic doctrine of Mary's bodily Assumption He asks How does the Church justify a doctrine that does not have explicit biblical or first century historical evidence to support it With the goal of exploring this question more deeply he divides his discussion into two sections one historical and the other systematic Levering's historical section aims to retrieve the rich Mariological doctrine of the mid twentieth century He introduces the development of Mariology in Catholic Magisterial documents focusing on Pope Pius XII's encyclical *Munificentissimus Deus* of 1950 in which the bodily Assumption of Mary was dogmatically defined and two later Magisterial documents Vatican II's *Lumen Gentium* and Pope John Paul II's *Redemptoris Mater* Levering addresses the work of the neo scholastic theologians Joseph Duhr Alo's Janssens and R'ginald Garrigou Lagrange before turning to the great theologians of the *nouvelle th ologie* Karl Rahner Hans Urs von Balthasar Louis Bouyer Joseph Ratzinger and their emphasis on biblical typology Using John Henry Newman as a guide Levering organizes his systematic section by the three pillars of the doctrine on which Mary's Assumption rests biblical typology the Church as authoritative interpreter of divine revelation under the guidance of the Holy Spirit and the fittingness of Mary's Assumption in relation to the other mysteries of faith Levering's ecumenical contribution is a significant engagement with Protestant biblical scholars and theologians it is also a reclamation of Mariology as a central topic in Catholic theology

God's Mother, Eve's Advocate Tina Beattie, 2002-12-01 Tina Beattie has written a stunning book on the theology of woman Her stated objective is to discern the place of the female body in the Christian story of salvation and she has done so from the very heart of Christian stylisations of the female the figures of Mary and Eve Beattie has pursued her subject with the aid of French psychoanalytic feminism these writers are preoccupied as is Catholic theology with questions of language and symbolism But she deliberately puts herself at odds with neo orthodoxy and feminist liberal theology she believes that theologians like von Balthasar depart from the best Patristic tradition of Marian theology with disastrous effect Nor does she offer any solace to the Marina Warners of this world in a book which is strong in defence of classical Marian theology She defends with passion and theological insight not only the Virgin Birth the Immaculate Conception and the Assumption but also the perpetual virginity of Mary Virginal desire according to Beattie need not be seen negatively but as an affirmation of the integrity of women's desire before God in a way

Loughlin, 1997-06-01 What has been lost what has been gained in replacing sexual orthodoxy with the heresies of postmodern sexualities In the recent past even within living memory sex has usually been a matter of monogamous heterosexual marriage and the procreation of children Other sexual practices were seen as deviations from the patriarchal norm Today things are different and western liberal societies promote and celebrate a growing multiplicity of sexual familial and procreational practices and relationships Nine writers assess the directions in which our societies are being led Walsingham and the

Religion, Feminism, and Idoloclasm Melissa Raphael, 2019-01-22 Religion Feminism and Idoloclasm identifies religious and secular feminism's common critical moment as that of idol breaking It reads the women's liberation movement as founded upon a philosophically and emotionally risky attempt to liberate women's consciousness from a three fold cognitive captivity to the self idolizing god called Man the God who is a projection of his power and the idol of the feminine called Woman that the god called God created for Man Examining a period of feminist theory theology and culture from about 1965 to 2010 this book shows that secular as well as Christian Jewish and post Christian feminists drew on ancient and modern tropes of redemption from slavery to idols or false ideas as a means of overcoming the alienation of women's being from their own becoming With an understanding of feminist theology as a pivotal contribution to the feminist criticism of culture this original book also examines idoloclasm in feminist visual art literature direct action and theory not least that of the sexual politics of romantic love the diet and beauty industry sex robots and other phenomena whose idolization of women reduces them to figures of the feminine same experienced as a de realization or death of the self This book demonstrates that secular and religious feminist critical engagements with the modern trauma of dehumanization were far more closely related than is often supposed As such it will be vital reading for scholars in theology religious studies gender studies visual studies and philosophy

The Dying of Jesus Owen F. Cummings, 2016-07-13 The liturgical season of Lent and Good Friday are very important for Christians as they meditate and reflect upon the dying of Jesus These are traditions that take us back to the very beginnings of the Christian tradition From early times pilgrims have made their way to the Holy Land especially Jerusalem to walk where Jesus walked and to remember his death on the cross Not everyone can go to Jerusalem and we cannot stand at the foot of the cross of Jesus but the Stations of the Cross and the Seven Last Words may take us to Jerusalem and to Calvary imaginatively

The Metaphor of Gender Katherine Abetz, 2025-01-06 Surely from now on all generations will call me blessed Luke 1:48 Trying to suppress sexual difference is to invite a genocide more radical than any destruction that has ever existed in History Luce Irigaray Gendered identity always a sore spot in church history looks set to become a major thorn in the cultural flesh Mary has played more than one part in that history often in constricting ways Is something missing here Where are the generations who call her blessed Where are those who celebrate the interactions of divinity and humanity female and male in the announcement of a

Kent, 2015-10-07 Dramatically refreshing the age old debate about the novel's origins and purpose Kent traces the origin of the modern novel to a late medieval fascination with the wounded and often eroticized body of Christ A wide range of texts help to illustrate this discovery ranging from medieval Pietas to Thomas Hardy to contemporary literary theory
