The Rediscovery of Ancient Egypt Peter A. Clayton, 1982 *Romantic Egypt* Elizabeth A. Fay, 2021-04-07 Romantic Egypt Abyssal Ground of British Romanticism traces the historical cultural and intellectual affiliations between Ancient Egypt and Romantic period Britain and Germany including the influences contributed by European thought politics and interventions such as Napoleon s 1799 Egyptian Campaign Until the contributions of Napoleon s expedition to scientific knowledge of Ancient Egyptian monuments and ruins Egypt had been largely swathed in mystical explanations of its past its achievements its beliefs and its cultural importance however the increased knowledge about Ancient Egypt competed with the allure of a more mythically imbued antiquity in the Romantic imagination Romantic Egypt argues that this balance between knowing and not knowing between deciphering and imagining a golden age Egypt between enlightened thought and mysticism was essential to the development of the Romantic imaginary because for the Romantics western philosophy and art had their birth in the all but lost wisdom of Ancient Egypt **Quatremere de Quincy** Sylvia Lavin, 1992 Sylvia Lavin uncovers the origins of one of the fundamental concepts of modern architectural theory the idea that architecture is a form of language Discourses of Travel, Exploration, and European Power in Egypt from 1750 to 1956 Valerie Kennedy, 2022-12-08 This collection focuses on representations of Egypt between 1750 and 1956 Napoleon s Egyptian expedition of 1798 1801 failed in military terms but succeeded in focusing Western attention on the country The nation fascinated travellers because of its antiquity its monuments and its bazaars In the nineteenth century the typical itinerary for travellers included Alexandria Cairo the Pyramids and a journey by boat up the Nile to the temples of Luxor and others Some of the essays included in this volume focus on fiction by writers like Samuel Johnson and Charles Dickens or travel works by Florence Nightingale Lucie Duff Gordon and G rard de Nerval Others analyse representations of Egypt by explorers American ex soldiers French painters British colonial administrators and sociologists and a Russian doctor investigating the efficacy of Muhammad Ali s reforms in relation to the plague There is also a discussion of the changes in nineteenth century Egyptian dress **Library Catalog of the Metropolitan Museum of Art** Metropolitan Museum of Art (New York, N.Y.). Library, 1985 *Imhotep Today* Jean-Marcel Humbert, 2016-06-16 This book presents and analyses the results of the use and adaptation of ancient Egyptian architecture in modern times It traces the use of ancient Egyptian motifs and constructions across the world from Australia the Americas and Southern Africa to Western Europe It also inquires into the cultural economic and social contexts of this practice Imhotep Today is exceptional not only in its global coverage but in its analyses of thorny questions such as what was it about Ancient Egypt that inspired such Egyptianizing monuments and was it just one idea or several different ones which formed the basis of such activities The book also asks why only certain images such as obelisks and sphinxes were incorporated within the movement The contributors explore how these monuments fitted into the local architecture of the time and in this context they investigate whether Egyptianizing architecture is an ongoing movement

and if so how it differs from earlier similar activities

A Victorian Traveler in the Middle East Nancy

Micklewright, 2017-07-05 Juxtaposing the albums of Lady Brassey an overlooked figure among Victorian women travelers with Brassey s travel books Nancy Micklewright takes advantage of a unique opportunity to examine the role of photography in the 1870s and 1880s in constructing ideas about place and empire This study draws on a range of source material to investigate aspects of the Brassey collection The book begins with an overview of Lady Brassey s life and projects as well as an examination of issues relevant to subsequent discussions of the travel literature the photographs and the albums in which the photographs are assembled Lady Brassey is next considered as a traveler and public figure and the author gives an overview of Brassey s travel literature placing her in her social and political context Micklewright then considers the seventy volumes of photographs which comprise the Brassey album collection taking an especially close look at the eight albums devoted to the Middle East Analyzing the specific contents and structure of the albums and the interplay of text and image within she explores how the Brasseys constructed their presentation of the region While confirming some earlier work about constructions of the Orient by the British during the time this book offers a much more detailed and nuanced understanding of how photographic and literary constructions were related to individual experience and identity within a larger British identity The first appendix explores the illustrative relationship between the photograph albums and Lady Brassey s travel books yielding an understanding of the processes involved in transferring the photographic image to a printed one at a particular moment in the development of book illustration A second appendix lists the contents and named photographers of all seventy albums in the Brassey collection All in all Micklewright s study makes a significant contribution to our understanding of the complex and unstable social

David Roberts Debra N. Mancoff, 1999 In 1838 Scottish painter David

Roberts 1796 1864 embarked on a three year journey that would shape Europe s perception of the Middle East Nurtured on Bible stories and tales of the exotic Orient Roberts had always dreamed of exploring the Holy Land though travel there was an arduous dangerous undertaking While he set himself the goal of bringing home an accurate visual record he returned with a portfolio of hand tinted lithographs that lost nothing of romanticism His use of light color and atmosphere lent an aura of exoticism to his realistic view
