San Timoteo Canyon Kenneth M. Holtzclaw, Peggy Christian, 2007 San Timoteo Canyon known locally as the canyon has always been a major thoroughfare for the area Once a favorite passage for desert tribes traveling to the sea to trade their wares it was also used as the main corridor for wagon teams coming from the San Gabriel Mission en route to the Salton Sea to harvest precious salt Stagecoach lines later traversed the canyon from Los Angeles to Arizona requiring the establishment of stagecoach stops in the San Timoteo Canyon and elsewhere Wyatt Earp was one of the most famous stagecoach drivers to pass through the canyon Later the Iron Horse became the primary method of travel and the stage lines were abandoned although train transportation remained strong Today the Riverside Land Conservancy and the California Department of Parks and Recreation are working together to create a 10 000 acre state park to protect and preserve this scenic canyon

March Air Force Base William J. Butler, 2009 During World War I March Air Force Base quickly established its reputation as a major flight training institution The base came to define the Golden Age of aviation as its roster of training expanded to include aerial pursuit fighter and bomber units Later March would play host to a number of historic firsts including Bob Hope s first USO show and aerial feats that helped make the U S Air Force the undisputed leader in combat aviation today From kite like biplanes and cold war sports car races on the tarmac to the war birds of World War II and some of the modern air force s most sophisticated aircraft March AFB has sealed a legacy of strength and central importance to its Riverside home and to the countless servicemen and women around the world associated with the historic base

California's Citrus Heritage Benjamin T. Jenkins, 2021 Since the first appearance of oranges at the Franciscan missions in the early 19th century citrus agriculture has been an inextricable part of California s heritage From the 1870s to the 1960s oranges and lemons were dominant features of the Southern California landscape The Washington navel orange introduced by homesteader Eliza Tibbets at Riverside in the 1870s precipitated the rise of a citrus belt stretching from Pasadena in the San Gabriel Valley to Redlands in San Bernardino County Valencia oranges dominated Orange County south of Los Angeles while lemons thrived in coastal settlements such as Santa Paula With the arrival of transcontinental railroads in the citrus heartland by the 1880s Californians had access to markets across the United States This was followed by the subsequent establishment of an impressive central organization in the form of the California Fruit Growers Exchange and oranges became the state s most lucrative crop Observers did not exaggerate when they dubbed the southern portion of the Golden State an orange empire Eating Up Route 66 T. Lindsay Baker, 2022-10-13 From its designation in 1926 to the rise of the interstates nearly sixty years later Route 66 was in John Steinbeck s words America s Mother Road carrying countless travelers the 2 400 miles between Chicago and Los Angeles Whoever they were adventurous motorists or Dustbowl migrants troops on military transports or passengers on buses vacationing families or a new breed of tourists these travelers had to eat The story of where they stopped and what they found and of how these roadside offerings changed over time reveals

twentieth century America on the move transforming the nation's cuisine culture and landscape along the way Author T Lindsay Baker a glutton for authenticity drove the historic route or at least the 85 percent that remains intact in a four cylinder 1930 Ford station wagon Sparing us the dust and bumps he takes us for a spin along Route 66 stopping to sample the fare at diners supper clubs and roadside stands and to describe how such venues came and went even offering kitchen tested recipes from historic eateries en route Start ups that became such American fast food icons as McDonald's Dairy Queen Steak n Shake and Taco Bell feature alongside mom and pop diners with flocks of chickens out back and sit down restaurants with heirloom menus Food and drink establishments from speakeasies to drive ins share the right of way with other attractions accommodations and challenges from the Whoopee Auto Coaster in Lyons Illinois to the piles of chat mining waste in the Tri State District of Missouri Kansas and Oklahoma to the perils of driving old automobiles over the Jericho Gap in the Texas Panhandle or Sitgreaves Pass in western Arizona Describing options for the wealthy and the not so well heeled from hotel dining rooms to ice cream stands Baker also notes the particular travails African Americans faced at every turn traveling Route 66 across the decades of segregation legal and illegal So grab your hat and your wallet you'll probably need cash and come along for an enlightening trip down America's memory lane a westward tour through the nation's heartland and history with all the trimmings via Route 66
