Reflections Of The Self Poems Of Spiritual Life:

Reflections of the Self Swami Muktananda,1993 Swami Muktananda's aphoristic poetry reflects on fundamental truths and speaks of yoga in his uncompromisingly pure way. A mixture of meditative wisdom, fervent and reverent prayer, and instruction, this book is infused with Muktananda's energy and love.

Seeking Health and Joy Dr. Antonietta Francini, MD, MA,2012-06 Dr. Antonietta Francini has not had an easy life. Stricken with post-traumatic stress syndrome after World War II and subsequent terminal cancer, she is a true example of courage, determination, faith, and the ways in which one woman can walk through struggles and come out a better person for it in the end. Now retired, Dr. Francini shares the compelling details of the second part of her life and how she has attained a happy, rewarding life even into her eighties. She divides her story into two parts that first detail the story of her life and then explain the philosophy that guided her behavior throughout her extraordinary spiritual journey. Upon receiving her cancer diagnosis in 1965, Dr. Francini shares how she found healing with the help of surgery, diet, yoga, meditation, visualization, and breathing exercises. But it was not until she experienced a spiritual awakening in India that she learned to completely heal her soul and understood the power of unconditional love. As she offers a glimpse into her journey, she shares the cultural and spiritual factors that influenced her well-being and how she eventually evolved through forgiveness and selfless love.

Seeking Health and Joy shares the extraordinary life story of one woman's hard-earned joyful wisdom as she learns to embrace the cosmic powers for successful aging.

Where are You Going? Swami Muktananda,1981

Embrace The Spirit Kamlesh Acharya,2024-11-07 Welcome to the world where the lark doesn't sing because the sun is rising but the sun rises to hear the lark sing. Imagine a world where you can drink the fragrance and taste the wind. Let's meet life at a traffic junction and witness the sun that always rises and dance to the tune divine. Let's stay a while in a place where dreaded loneliness turns into tranquil solitude. Ever wondered where constant denial of who you are can take you? Let's meet the poet who seeks deeper answers and yet falters time and again who confesses that at times he acts like a jerk and his poems become a beacon for him to find his way back. Let's explore the life of a rose that wants to become a coconut. Is love a quid pro quo? If your love were a balloon, what would your lover be? Ever wondered what would happen if the mind ended? The answer might surprise you. Curious about what separates an enlightened master from the normal folks? **Embrace the Spirit** is a collection of evocative and introspective poetry that delves into the essence of human existence, the interplay of emotions, and the profound connections we share with the universe. Through lyrical verses and vivid imagery, this anthology invites readers to explore themes of love, self-discovery, spirituality, and the natural world. The poems reflect a journey of awakening and understanding, encouraging a deeper appreciation of life's fleeting moments and the silent transformative beauty found within and around us. This collection is an ode to the enduring spirit that binds us all and a celebration of a seeker's unending quest for meaning and the yearning for the truth that is behind all the drama called life. Kamlesh Acharya's first poetry book, *Kindle the Spirit*, won The Best English
