Reflections A Devotional Journal The Art Of God Collection:

Reflections Ric Ergenbright,2001-08-06 Awe inspiring testimony to the art of God pairs Bible verses hymns and devotional readings with breathtaking photos of creation plus space to record one s own thoughts Full color *The Bible and Art, Perspectives from Oceania* Caroline Blyth,Nasili Vaka'uta,2017-02-09 This volume takes readers on a fascinating journey through the visual arts of Aotearoa New Zealand Australia and the Pacific Islands contemplating the multivocal dialogues that occur between these artistic media and the texts and traditions of the Bible With their distinctively antipodean perspectives contributors explore the innovative ways that both creators and beholders of Oceanic arts draw upon their contexts and cultures in order to open up creative engagements with the stories themes and theologies of the biblical traditions Various motifs weave their way throughout the volume including antipodean landscapes and ecology post colonialism philosophy Oceanic spiritualities and the often contested engagements between western and indigenous cultures Within this weaving process each essay invites readers to contemplate these various forms of visual culture through Oceanic eyes and to appreciate the fresh insights that this process can bring to reading and interpreting the biblical traditions The result is a rich and interdisciplinary array of conversations that will capture the attention of readers within the fields of biblical reception studies cultural studies theology and art history *Pray about Everything Devotional Journal* Chad Veach,2022-08-02 A Lifeline to the Peace and Joy You ve been Looking for What if prayer was more than just something you mumbled before going to sleep or said quickly when your team takes the field or you re about to take a test What if prayer was a gateway to the best relationship you ve ever had An energizing joy filled peace giving connection to God This devotional provides regular readings to help connect you to God through prayer It also contains journaling prompts and questions that will bring the concepts of Worried about Everything to life taking you to the next step in your faith Join pastor author Chad Veach as he guides you day by day to a closer walk with God You ll be so glad you did George Herbert and the Business of Practical Piety Ceri Sullivan,2024-07-20 Contemporary nudge theory points out that people make good choices over issues where they have had past experience of similar circumstances where there is reliable substantial and relevant information about the situation and where they will get prompt feedback about the effect of their decision Yet none of these conditions apply to the most vital choice of action facing early modern Protestants how can they be saved In George Herbert and the Business of Practical Piety Ceri Sullivan uses nudge theory to show how practical divinity disregards the doleful conclusions of predestination that salvation cannot be earned to supply readers with suggestions on how to prepare to act regardless of their final destiny Such texts create cognitive niches to support cheerful godly thought and action in a way which is far from being despairing or compulsive Their nudges were repeatedly put into practice by Herbert s friends the Ferrars who tried to form an ideal religious community at Little Gidding These prescriptions and examples illustrate how George Herbert s *The Temple* 1633 is a compendium of the techniques of choice architecture Herbert s poems are full of the

humour emerging from a life of faith which is willing to guard high ideals by low cunning stooping to use the least little things to change a self George Herbert and the Business of Practical Piety initially calls on theories of the extended mind to ask what sort of minor physical and social structures scaffold decisions then examines a selection of nudges used by Herbert contracts with the self building a mind cleaning a heart conversing with God making to do lists and working on working well

The Coffee Mom's Devotional Celeste Palermo, 2009-03-02 What do moms thirst for even more than coffee? Moms want to know they matter, that they make a difference. They want to know they are not alone in their parenting experience and that their lives have purpose. They want to see their children prosper. They want a full cup. Celeste Palermo gives moms more than a jolt of caffeine with these humorous yet poignant brief devotions, easily read while on the run. Moms juggling cups of coffee will relate to her coffee-related stories and insights on such basic needs as affirmation, purpose, good health, and eternal life. Coffee Talk, Common Grounds, and A Perfect Cup sections provide quotes, Scripture references, and interviews with coffee-drinking moms offering insight and inspiration. Soul Sip Solutions offer questions to encourage reflection and response. After reading *The Coffee Mom's Devotional*, moms will be reminded that caffeine can never sustain us; only Jesus can.

Guidelines for Leading Your Congregation 2013-2016 (Set of 26) General Board of Discipleship, 2012-11-01 The Guidelines booklets, one for each ministry area, are tools that enable you to help get new lay leaders off to a good start. Each booklet includes the basic job description for the leader as well as practical, how-to information important to implementing ministry effectively. Brief and to the point for the busy but spirit-led leader, these Guidelines take some of the unknown out of leading these ministry areas. One booklet for each title makes up this set of 26 Guidelines, perfect for making them available to all church members. The twenty-six Guidelines, one for each ministry area, cover church leadership areas including Church Council and Small Membership Church; the administrative areas of Finance and Trustees; and ministry areas focused on nurture, outreach, and witness including Worship, Evangelism, Stewardship, and Christian Education, age-level ministries, Communications, and more. The download file of a product is copyrighted just as a print resource is copyrighted. In the case of the Guidelines Set of 26, the purchaser can extract one copy of each booklet for an individual to use. For example, one copy can be extracted for the chair of the stewardship committee, one for the person responsible for adult ministries, one for the lay leader. Additional copies are purchased separately as needed. Download files for each individual booklet are sold separately just as print copies of the booklets are sold separately.
