Jewish Taking this question as his point of departure Dana Evan Kaplan provides a broad overview of the American Reform movement and its history theology and politics He then takes a hard look at the challenges the movement faces as it attempts to reinvent itself in the new millennium In so doing Kaplan gives the reader a sense of where Reform Judaism has come from where it stands on the major issues and where it may be going Addressing the issues that have confronted the movement including the ordination of women acceptance of homosexuality the problem of assimilation the question of rabbinic officiation at intermarriages the struggle for acceptance in Israel and Jewish education and others Kaplan sheds light on the connection between Reform ideology and cultural realities He unflinchingly yet optimistically assesses the movement's future and cautions that stormy weather may be ahead

Rabbi Lance J. Sussman Ph.D.,2024-09-11 I am a Jew because I believe that Judaism understands that between mercy and justice there is a path of righteousness I am a Jew because I believe the saving of a life is an urgent mitzvah I am a Jew because I believe Judaism believes that education is an urgent mitzvah I am a Jew because Judaism rejects the belief that it is superior to other traditions and makes its claim on me only because it is already mine I am a Jew because in Judaism all of God's children are equally God's children and every life is sacred I am a Jew because Judaism believes that existence is not an accident and has meaning I am a Jew because Judaism recognizes holiness in everything beautiful kind and just in this world I am a Jew because Judaism is my spiritual home and from my home I can share in the beauty and delights of all creation I am a Jew because Judaism believes in personal responsibility forgiveness and hope I am a Jew because Judaism values my humanity above my ethnicity and enables me to become a better person by becoming a better Jew I am a Jew because Judaism recognizes that the world is not complete and that all of us have deep responsibilities in completing it and thereby complete ourselves as human beings and as Jews Rabbi Lance J Sussman Ph D

Continuity and Change

Steven T. Katz,Steven Bayme,2012-07-10 This collection of essays was inspired by the desire to create a suitable tribute to Dr Irving Greenberg Dr Greenberg has been one of the truly major figures in the American Jewish community for the past forty years A community activist and a theologian of distinction he has influenced not only the practical direction of Jewish life especially through his work with the leadership of Jewish Federations throughout the country but also the shape of contemporary Jewish thought through his writings on the Holocaust the State of Israel and traditional Jewish themes The outstanding list of authors who have contributed to this volume writing on central issues in traditional and modern Jewish thought and history are a testimony to Dr Greenberg's repercussive presence and theological contribution Those interested in the contemporary American Jewish community and the nature and shape of modern Jewish thought at the beginning of the new millennium will find this a valuable thought provoking addition to their libraries

The Theory and Practice of Welcoming Converts to Judaism Lawrence Jeffrey Epstein,1992 This is a theological interpretation of Judaism focusing on the Jewish covenantal obligation to offer Judaism and welcome converts The term Jewish universalism is applied to the theory because the central

idea of the interpretation is that Judaism is a universal religion This is supported by an analysis of the basic theological concepts of Judaism God the natural world humanity chosenness revelation covenant mission the nation of Israel and redemption These concepts are understood to emphasize the Jewish mandate to offer Judaism without requiring it **Jewish Book Annual** Solomon Grayzel,1993 **Readings on Conversion to Judaism** Lawrence J. Epstein,1995-07-01 In his third book about the conversion to Judaism Lawrence J Epstein collects essays and memoirs that frame the debate around conversion These essays cover a wide range of topics to sharpen the focus around the many disputes about conversion to Judaism such as appropriate motivations requirements for conversion and who may legitimately conduct a conversion **Readings on Conversion to Judaism** aims to present various position in the Jewish community on many of the important points for debate **"Jewish, Gay and Proud"** Wilkens, Jan,2020-11-16 This publication examines the foundation and institutional integration of the first gay lesbian synagogue Beth Chayim Chadashim which was founded in Los Angeles in 1972 As early as June 1974 the synagogue was admitted to the Union of American Hebrew Congregations the umbrella organization of the Reform congregations in the United States Previously the potential acceptance of a congregation by and for homosexual Jews triggered an intense and broad debate within Reform Judaism The work asks how it was possible to successfully establish a gay lesbian synagogue at a time when homosexual acts were considered unnatural and contrary to tradition by almost the entire Jewish community The starting point of the argumentation is in addition to general changes in American synagogues after World War II the assumption that Los Angeles was the most suitable place for this foundation Los Angeles has an impressive queer history and the Jewish community was more open tolerant and innovative here than its counterpart on the East Coast The Metropolitan Community Church was also founded in the city and as the largest religious institution for homosexual Christians it also served as the birthplace of queer synagogues Reform Judaism was chosen as the place of institutional integration of the community because a relative openness for such an endeavor was only seen here Responsa written in response to a potential admission of Beth Chayim Chadashim can be used to understand the arguments and positions of rabbis and psychologists regarding homosexuality and communities for homosexual Jews in the early 1970s Ultimately the commitment and dedication of the congregation and its heterosexual supporters convinced the decision makers in Reform Judaism The decisive impulse to question the situation of homosexual Jews in Judaism came from Los Angeles With its analysis the publication contributes to the understanding of Queer Jewish History in general and queer synagogues in particular **A Life of Meaning** Rabbi Dana Evan Kaplan, PhD,2017-11-28 Reform Judaism is constantly evolving as we continue to seek a faith that is in harmony with our beliefs and experiences This volume offers readers a thought provoking collection of essays by rabbis cantors and other scholars who differ sometimes passionately over religious practice experience and belief Its goal is to situate Judaism in a contemporary context and it is uniquely suited for community discussion as well as study groups *Conservative Judaism* ,2002 **New Membership & Financial Alternatives for the**

American Synagogue Rabbi Kerry M. Olitzky, Rabbi Avi S. Olitzky, 2015-02-06 Open wide your mind and your community to fresh concepts of synagogue financial and spiritual success A welcome addition Replete with examples of synagogues independent minyanim and spiritual communities that have developed creative and sometimes surprising strategies that ameliorate what many observers believe are obstacles to recruiting and engaging Jews into their spiritual communities from the Foreword by Dr Ron Wolfson The concept of the dues based membership model in synagogues was once an innovation Now that model is in decline and sweeping change is required in order to reverse the downward trend in synagogue participation This groundbreaking book provides synagogue and communal leaders with a useful process and the ingredients necessary to consider important changes in the synagogue including Thoughtful new models for membership and synagogue finance Examples from successful synagogues bolstered by illustrations from the private sector Practical steps for change and implementation With checklists for exploring and adopting alternative models from nationally recognized congregational consultant Debbie Joseph
