## **Reforming The United Nations the Quiet Revolution:**

**Reforming the United Nations** Joachim Müller, 2021-12-28 The context in which the United Nations operates is one of change and reorientation change in the political climate resulting in changes in the tasks the organisation is called upon to undertake reorientation of the organisation's internal structures and procedures in response to these changes The principal goals and objectives of the United Nations have recently been reassessed This reassessment highlighted in the Reform Agenda of Secretary General Kofi Annan and during the Millennium Summit has led to a reaffirmation by the 189 Member States of their belief in the organisation New forms of consensus and co operation are developing regarding what the United Nations should be striving to achieve and how best it should be organised to improve its operations The UN and Kofi Annan were awarded the Nobel Peace Prize for their role in reforming the 56 year old institution Herald Tribune Honor Awarded to Annan and UN October 13 14 2001 p 1 The Quiet Revolution is essentially about the reform efforts of Kofi Annan The book therefore describes a major part of his activities leading to the award Dr Joachim Müller presents a detailed review of the reform initiatives undertaken during the period from 1996 to 2000 which was of such importance for the evolution of the United Nations A wealth of information from primary sources is provided together with an informative analysis of the history of reform within the United Nations since its creation From the foreword by Jean Pierre Halbwachs Assistant Secretary General Controller United Nations Also by Joachim Müller Reforming the United Nations New Initiatives and Past Efforts a three volume set containing 50 key reform proposals originating inside and outside the United Nations Reforming the United Nations Joachim Müller, 2006-12-01 This set describes and brings together key reform proposals originating inside and outside the United Nations The documentation contained in this set touches upon all aspects of the United Nations and covers the full spectrum of proposals and initiatives It is hoped that the information provided will assist those involved in current efforts in reassessing and reshaping the Organization and will serve as a useful reference set for policy makers researchers and the interested public The set consists of the following volumes Reforming the United Nations New Initiatives and Past Efforts 3 Volume set New Initiatives and Past Efforts Edited by Joachim Müller ISBN 90 411 0332 5 Reforming the United Nations The Quiet Revolution Edited by Joachim Müller ISBN 90 411 1644 3 Reforming the United Nations The Struggle for Legitimacy and Effectiveness Edited by Joachim Müller ISBN 90 04 15131 1 Reforming the United Nations Joachim Müller, 2006-05-01 The United Nations is in need of reform There has always been widespread agreement that this is the case indeed throughout the 60 year history of the Organization Differences over the best cure reflect the political confrontation between its 191 member states The institution has been criticized to lack legitimacy to need accountability and to be inefficient with a bloated bureaucracy Recently allegations of mismanagement and corruption in the Oil for Food Program have led to a crisis of confidence The public debate followed reform initiatives for enlarging the Security Council achieving the Millennium Development Goals and establishing new collective mechanisms to protect human rights counter

terrorism and respond to crimes against humanity Strengthening oversight governance and management practices aimed at introducing fundamental institutional changes The publication describes the reform process leading to the United Nations Summit in September 2005 The achievements remain disappointing with the failure to approve a grand bargain A number of recommendations are put forward to facilitate the reform process in the United Nations realising however that this will remain cumbersome and a lengthy step by step effort

**Reforming the United Nations** Joachim M. Müller, Joachim W. Müller, 2001-06-27 The context in which the United Nations operates is one of change and reorientation change in the political climate resulting in changes in the tasks the organisation is called upon to undertake reorientation of the organisation s internal structures and procedures in response to these changes The principal goals and objectives of the United Nations have recently been reassessed This reassessment highlighted in the Reform Agenda of Secretary General Kofi Annan and during the Millennium Summit has led to a reaffirmation by the 189 Member States of their belief in the organisation New forms of consensus and co operation are developing regarding what the United Nations should be striving to achieve and how best it should be organised to improve its operations The UN and Kofi Annan were awarded the Nobel Peace Prize for their role in reforming the 56 year old institution Herald Tribune Honor Awarded to Annan and UN October 13 14 2001 p 1 The Quiet Revolution is essentially about the reform efforts of Kofi Annan The book therefore describes a major part of his activities leading to the award Dr Joachim Muller presents a detailed review of the reform initiatives undertaken during the period from 1996 to 2000 which was of such importance for the evolution of the United Nations A wealth of information from primary sources is provided together with an informative analysis of the history of reform within the United Nations since its creation From the foreword by Jean Pierre Halbwachs Assistant Secretary General Controller United Nations Also by Joachim Muller Reforming the United Nations New Initiatives and Past Efforts a three volume set containing 50 key reform proposals originating inside and outside the United Nations

**Reforming the United Nations** Joachim Mueller, 2016-05-23 The UN celebrated its 70th anniversary in 2015 In the Volume Reforming the UN A Chronology by Joachim M ller an exciting story is told describing the evolution of the UN through the main change initiatives applied by each Secretary General characterized by political confrontations crises of confidence and organizational constraints Initiatives included approving the Sustainable Development Goals strengthening peacekeeping enlarging the Security Council establishing mechanisms to protect human rights improving aid efficiency and reforming management practices This story is completed by a Chronology of Reform Events to enhance the transparency of parallel multi layer reform tracks Lessons learned highlight the main drivers of changes the interests and constraints and the dynamics of the reform process valuable insight for capitalizing on future change opportunities

United Nations Global Conferences Michael G. Schechter, 2009-05-07 The United Nations has tried to solve many of the world s most pressing problems through its global conferences This book examines the history organization and politics of these conferences and assesses their

successes and failures      *The A to Z of the United Nations* Jacques Fomerand, 2009-07-29 Consisting of 192 Member States the United Nations was founded in 1945 to maintain international peace and security to develop friendly relations among nations based on the respect for the principle of equal rights and self determination of peoples to achieve international cooperation in solving problems of an economic social cultural or humanitarian character and encouraging respect for human rights and for fundamental freedoms for all without distinction as to race sex language or religion Just how successful the UN has been in maintaining these goals is covered in *The A to Z of the United Nations* Author Jacques Fomerand provides a comprehensive dictionary of nearly 900 cross referenced entries on the UN s various committees and organizations its leaders terms policies and major events in which the UN took part Supplementing the dictionary entries are a chronology an introduction a bibliography and appendixes which include a reproduction of the UN s Charter and the Universal Declaration of Human Rights as well as a list of the Member States and when they joined      *Peacebuilding in the United Nations* Fernando Cavalcante, 2019-05-06 This book traces the trajectory and different meanings of the concept of peacebuilding in the United Nations since the early 1990s It analyses how that concept gained life in a particular context and the implications of this process for the Organisation s support to societies affected by armed conflict in general and for peace operations in particular Departing from tenets about the influence of ideas in world politics and engaging with the critique of the liberal peace scholarship the book provides a theoretically informed narrative of how peacebuilding acquired different meanings while remaining largely motivated justified legitimated and informed by a proactive and top down agenda of promoting liberal democratic institutions norms and values as a remedy to the challenges faced by societies affected by armed conflict The book will appeal to scholars policymakers and practitioners in peacebuilding and post conflict development

**Debating Cosmopolitics** Daniele Archibugi, 2020-05-05 Cosmopolitics the concept of a world politics based on shared democratic values is in an increasingly fragile state While Western democracies insist ever more vehemently upon a maintenance of their privileges freedom of speech security wealth an increasing number of the world s inhabitants are under threat of poverty famine and war What is needed the writers suggest is a deliberate decision to extend the principles and values of democracy to the sphere of international relations Recent experience does not bode well but their arguments which range from reform of the United Nations reduction of military weapons additional power for international judiciary institutions and an increase in aid to developing countries urge new and inspired action      **Reinvigorating the United Nations** Markus Kornprobst, Slawomir Redo, 2024-05-23 This book examines pathways for how to reinvigorate the United Nations in light of recent crises The United Nations requires reinvigoration The organisation s supply of global governance falls short of global demand in areas ranging from health to environment while intra state armed conflicts are on the rise again and fullblown inter state war has returned to the agenda At the same time decision making mechanisms are deadlocked and their legitimacy is increasingly questioned But what pathways are there for reinvigorating the United

Nations This book argues for consolidating key principles pertaining to inter state relations and human rights for elaborating on the UN system in order to avoid fragmentation and make it possible for it to keep pace with a changing world and for revisiting UN decision making structures so that it can become more inclusive and rebuild trust among stakeholders The volume embraces a comprehensive approach to studying the organisation and the authors analyse the institutions comprising the UN system as well as the social context within which actors put these institutions to use The book contributes to scholarly debates about the United Nations and about how it is embedded in a broader international order currently beset by crises and ultimately aims to show what concrete steps for strengthening the organisation might look like This book will be of much interest to students of international organisations diplomacy studies global governance and International Relations in general The Introduction Chapter 5 Chapter 10 and the Conclusion of this book is available for free in PDF format as Open Access from the individual product page at [www.routledge.com](http://www.routledge.com) It has been made available under a Creative Commons Attribution Non Commercial 4.0 International License Chapter 7 of this book is available for free in PDF format as Open Access from the individual product page at [www.routledge.com](http://www.routledge.com) It has been made available under a Creative Commons Attribution Non Commercial NoDerivs 4.0 International License
