How Stage Playwrights Saved the British Cinema, 1930-1956 David Cottis, 2024-12-26 Examines the film careers and work of British playwrights who worked as screenwriters between 1930 1956 During the period between the 1927 Cinematograph Films Act and the new drama of the 1950s many British writers associated with the stage also wrote for films bringing the techniques of the well made play with them Some like Bernard Shaw Noel Coward and Terence Rattigan were screenwriter stars part of the publicity of the films they worked on Pygmalion Brief Encounter The Way to the Stars Others were less celebrated but had long successful screen careers such as R C Sherriff author of Journey's End who worked on films as different as The Invisible Man The Four Feathers and The Dam Busters Using the authors original archives this book follows the way in which these writers adapted their stage skills for the screen contributing to the post war Golden Age

of the British cinema and creating the classic form of screenplay that continues today *The Routledge Companion to British Cinema History* I.Q. Hunter, Laraine Porter, Justin Smith, 2017-01-12 This book offers a comprehensive and revisionist overview of British cinema as on the one hand a commercial entertainment industry and on the other a series of institutions centred on economics funding and relations to government *The Cambridge Companion to English Melodrama* Carolyn Williams, 2018-10-04 This newly commissioned series of essays by leading scholars is the first volume to offer both an overview of the field and also current emerging critical views on the history form and influence of English melodrama Authoritative voices provide an introduction to melodrama s early formal features such as tableaux and music and trace the development of the genre in the nineteenth century through the texts and performances of its various sub genres the theatres within which the plays were performed and the audiences who watched them The historical contexts of melodrama are considered through essays on topics including contemporary politics class gender race and empire And the extensive influences of melodrama are demonstrated through a wide ranging assessment of its ongoing and sometimes unexpected expressions in psychoanalysis in other art forms the novel film television musical theatre and in popular culture generally from the nineteenth to the twenty first century **The Cinema Book** Bloomsbury Publishing, 2019-07-25 The Cinema Book is widely recognised as the ultimate guide to cinema Authoritative and comprehensive the third edition has been extensively revised updated and expanded in response to developments in cinema and cinema studies Lavishly illustrated in colour this edition features a wealth of exciting new sections and in depth case studies Sections address Hollywood and other World cinema histories key genres in both fiction and non fiction film issues such as stars technology and authorship and major theoretical approaches to understanding film *The Great War in Popular British Cinema of the 1920s* L. Napper, 2015-04-20 This book discusses British cinema s representation of the Great War during the 1920s It argues that popular cinematic representations of the war offered surviving audiences a language through which to interpret their recent experience and traces the ways in which those interpretations changed during the decade **British Silent Cinema and the Great War** M. Hammond, M. Williams, 2011-10-04 This innovative book presents for the first time detailed histories of the impact of the Great War on British cinema in the silent period from actual war footage to fiction filmmaking In doing so it explores how cinema helped to shape the public memory of the war during the 1920s *Wartime cinema, Englishness and propaganda* Ina Habermann, 2025-09-30 This book provides a fresh analysis of the wartime work of Michael Powell and Emeric Pressburger and their team the Archers It argues that in their earlier work Powell and Pressburger should be seen as middlebrow storytellers whose stories explore national identity in times of war Their wartime work is discussed in four phases the first phase covers their contributions to the phoney war the second traces their engagement with the people s war The third phase sees the Archers move beyond propaganda towards melodramas of Englishness The fourth phase dramatizes post war preoccupations with an increasing focus on memory and trauma The book also looks at Pressburger s

later work including his two published novels *Killing a Mouse on Sunday* and *The Glass Pearls*
