RIVALS *for* POWER

Presidential-Congressional Relations

edited by JAMES A. THURBER

Rivals For Power Presidential Congressional Relations

John E. Owens, John Dumbrell

Rivals For Power Presidential Congressional Relations:

Rivals for Power James A. Thurber, 2002 The first President Bush faced a long entrenched Democratic majority in both houses of Congress The first term Clinton entered into a unified government for the first time in many years but all that changed in the midterm elections of 1994 The second President Bush faces a closely divided government whose balance could shift at any time Through it all the Presidential Congressional rivalry continues unabated What is it about the institutional relationship between Congress and the Presidency that ensures conflict even in the face of necessary cooperation Here well known scholars and practitioners of Congressional Presidential relations come together to explore both branches of government and what unites as well as divides them Highlights include chapters on budgetary politics in a time of surplus the impacts of campaign message and election mandates and Congressional Presidential relations during transitions Case studies of budget battles health care task forces and armed conflicts in foreign lands lend concrete detail to political theory First hand experience on the Hill and in the Oval Office and everywhere in between is reflected in each chapter Although nothing can rival election 2000 for its challenges to both Congress and the Presidency *Rivals For Power* shows how even an extraordinary electoral result is subject to the rules and rigors of Washington's built in rivalry

Presidential War Power Louis Fisher, 2013-08-19 A classic and bestselling work by one of America's top Constitutional scholars *Presidential War Power* garnered the lead review in the New York Times Book Review and raised essential issues that have only become more timely relevant and controversial in our post 9 11 era In this third edition Louis Fisher updates his arguments throughout critiques the presidential actions of George W Bush and Barack Obama and challenges what he views as their dangerous expansion of executive power Spanning the life of the Republic from the Revolutionary Era to the War on Terror the new edition covers for the first time Indefinite detention of civilians and non civilians without trial President Obama's failed effort to close Guantanamo NSA wiretapping and Fourth Amendment violations Presidential decision making relating to the wind down of the wars in Iraq and Afghanistan U S military operations against Libya in 2011 Continued abuse of the state secrets privilege in national security court cases Secret legal memos justifying the use of UAVs or drones for targeted killings overseas Extended comparison of the expansion of executive power under George W Bush and Barack Obama

Contemporary Cases in U.S. Foreign Policy Ralph Carter, 2021-03-12 This engaging case study approach brings together a diverse set of contributors to help students question motives consider alternatives and analyze outcomes in many of the most controversial foreign policy issues now confronting the United States Many actors from the president and members of Congress to interest groups NGOs and the media compete to shape U S foreign policy While previous editions of this popular text focused more on national security issues in the wake of 9 11 and the War on Terror the 13 case studies in this edition deal with a wide range of policy areas national security homeland security diplomacy trade immigration epidemics climate change and Russian interference in the 2016 presidential election Many reflect how the

demarcation between foreign and domestic policy has become even more blurred and polarization has come to play a significantly increased role in American foreign policy *Scripted for Change* Victoria A. Farrar-Myers, 2007-06-25 Without a doubt the institution of the presidency today is quite different from the one that existed throughout the early part of the nation's history despite only minimal revisions to its formal constitutional structure The processes by which the institution of the presidency has developed have remained largely unexamined however Victoria A Farrar Myers offers a carefully crafted argument about how changes in presidential authority transform the institution Her analysis tracks interactions between the president and Congress during the years 1881-1920 in three policy areas the commitment of troops the creation of administrative agencies and the adoption of tariff policy Farrar Myers shows that Congress and the president have in fact created a coordinated script that provides the basis of precedent for future interactions under similar circumstances Changes in presidential authority she argues are the residual of everyday actions which create new shared understandings of expected behavior As these understandings are reinforced over time they become interwoven into the institution of the presidency itself Farrar Myers's analysis will offer theoretical guidance for political scientists understanding of the development of presidential authority and the processes that drive the institutionalization of the presidency and will provide historians with a nuanced understanding of the institution from the period between the end of Reconstruction and the Progressive era

Congress A to Z Chuck McCutcheon, 2022-06-13 *Congress A to Z* provides ready reference insight into the national legislature its organization processes major legislation and history No other volume so clearly and concisely explains every key aspect of the national legislature The Seventh Edition of this classic easy to use reference is updated with new entries covering the dramatic congressional events of recent years including a demographically younger Congress the urban rural divide and climate change Each of the more than 250 entries arranged in encyclopedic A to Z format provides insight into the key questions readers have about the U S Congress and helps them make sense of the continued division between Republicans and Democrats the methods members use to advance their agendas the influence of lobby groups the role of committees and strong willed leaders and much more Key Features Available in both electronic and print formats Quick answers to questions as well as in depth background on the U S Congress Detailed tables and index Entries now include cross references and lists of further readings to help readers continue the research journey *Encyclopedia of the American Presidency, Fourth Edition* Michael Genovese, 2021-04-01 Praise for the first edition An altogether excellent introduction to the study of the presidency of the United States Library Journal entries are well written an excellent addition American Reference Books Annual an excellent resource recommended Booklist Highly recommended Choice The most up to date reference of its kind *Encyclopedia of the American Presidency Fourth Edition* is the definitive guide to the role of the president from the American Revolution through the present day Offering a complete account of the presidency in U S history this A to Z encyclopedia will make a great first stop for students and general readers looking for information on the

executive branch of the American government Its comprehensive scope spans the relationship between the executive and the other branches of government court cases elections political opponents scandals and more A valuable resource that provides concise information Encyclopedia of the American Presidency Fourth Edition contains more than 750 entries Entries include Bully pulpit Commander in chief Economic policy Executive privilege Kamala Harris Impeachment Iraq War Thomas Jefferson Middle East Military tribunals New Deal Oval Office Franklin D Roosevelt Situation room Donald Trump Veto power War powers Watergate White House and more

Getting to 67 Patrick Homan, 2015-12-22 All four post Cold War presidents have attempted to negotiate and ratify at least one major arms control agreement However their experiences with arms control treaty ratification have differed greatly from those of their Cold War predecessors The main theme of this book is that domestic politics have significantly impacted attempts to ratify arms control treaties in the polarized post Cold War political environment Each president and each treaty faced varying amounts of support and opposition from the numerous institutions and agents within American foreign policy making This book uses an eight point analytical framework to examine five post Cold War arms control treaty ratification debates in order to try and determine what political conditions or variables account for their success or failure

The Powers of the Presidency CQ Press, 2012-10-19 Providing both a historical and contemporary perspective on presidential powers The Powers of the Presidency guides readers through the presidency as a constitutional office covering how it was shaped by design at the Constitutional Convention in 1787 and by later constitutional amendments Supreme Court decisions and custom and precedent It discusses the various roles of the chief executive including chief of state chief administrator legislative leader chief diplomat commander in chief and chief economist The fourth edition of this accessible and affordable work has been significantly updated and features Coverage of the final years of George W Bush and the first three years of Barack Obama s presidency Extensive coverage of the Obama Administration s efforts to curb economic decline Updates on the wars in Iraq and Afghanistan the killing of Osama bin Laden and on the treatment of detainees at Guantanamo Bay Coverage of the Arab Spring protests and U S involvement in the military intervention in Libya Barack Obama s health care reform legislation

New Directions in the American Presidency Lori Cox Han, 2017-10-06 Especially coming out of the landmark presidential elections of 2008 and 2016 the study of the American presidency both as a political institution and of those who have held the office is one of the most fascinating and dynamic fields of study within American government New Directions in the American Presidency takes a current look at the various issues facing the contemporary presidency and provides a state of the art overview of current trends in the field of presidency research This volume of original chapters by leading presidential scholars is designed to include all the essential topics covered in an undergraduate level presidency course or a graduate level seminar while also bringing together key disciplinary debates and treatment of important current real world developments Each chapter is written with students in mind so that it remains accessible interesting and engaging New to the Second Edition New key chapters on

presidents and political parties and presidential leadership essential following the 2016 presidential election A fresh approach to the President and the Constitution and the President and domestic policymaking are provided by new authors for these foundational chapters All chapters have been revised with updates coming out the 2016 election especially in relation to presidential campaign politics media and the Supreme Court

The President, the State and the Cold War James Bilsland, 2015-02-11 US foreign policy during the Cold War has been analysed from a number of perspectives generating large bodies of literature attempting to explain its origins its development and its conclusion However there are still many questions left only partially explained In large part this is because these accounts restrict themselves to a single level of analysis either the international system or the structure of the state and society The first level of analysis focusing on the role of individuals has largely been excluded This book argues that structural theories and any approach that limits itself to one level of analysis are inadequate to explain the development of US foreign policy Instead it is necessary to incorporate the first level of analysis in order to bring human agency back and provide a more detailed explanation of US foreign policy Bilsland proposes an analytical framework which incorporates presidential agency into a multi level analysis of US foreign policy during the Cold War constructing a multi level case study comparison of the foreign policies of Presidents Truman and Reagan He argues that the worldview of the president is central to agenda setting in US foreign policy making and that the management style of the president influences both decision making and the implementation of US foreign policy Evidence to support this is drawn from detailed empirical analysis of Truman s foreign policy of containment in Korea and Reagan s foreign policy of rollback in Nicaragua This work will be of interest to students and scholars of US Foreign Policy US History and International Relations

The Unitary Executive and the Modern Presidency Ryan J. Barilleaux, Christopher S. Kelley, 2010-04-07 During his first term in office Pres George W Bush made reference to the unitary executive ninety five times as part of signing statements proclamations and executive orders Pres Barack Obama s actions continue to make issues of executive power as timely as ever Unitary executive theory stems from interpretation of the constitutional assertion that the president is vested with the executive power of the United States In this groundbreaking collection of studies eleven presidential scholars examine for the first time the origins development use and future of this theory The Unitary Executive and the Modern Presidency examines how the unitary executive theory became a recognized constitutional theory of presidential authority how it has evolved how it has been employed by presidents of both parties and how its use has affected and been affected by U S politics This book also examines the constitutional political and even psychological impact of the last thirty years of turmoil in the executive branch and the ways that controversy has altered both the exercise and the public s view of presidential power

The Politics of the Presidency John Anthony Maltese, Andrew Rudalevige, Joseph A. Pika, 2025-02-24 Get insightful coverage and analysis of the U S presidency with this comprehensive text Never losing sight of the foundations of the office The Politics of the Presidency maintains a balance between historical context and

contemporary scholarship on the executive branch providing a solid foundation for any presidency course In this Revised Eleventh Edition Maltese Rudalevige and Pika thoroughly analyze the change and continuity following the November 2024 presidential election

Managing the President's Program Andrew Rudalevige, 2018-06-26 The belief that U S presidents legislative policy formation has centralized over time shifting inexorably out of the executive departments and into the White House is shared by many who have studied the American presidency Andrew Rudalevige argues that such a linear trend is neither at all certain nor necessary for policy promotion In *Managing the President's Program* he presents a far more complex and interesting picture of the use of presidential staff Drawing on transaction cost theory Rudalevige constructs a framework of contingent centralization to predict when presidents will use White House and or departmental staff resources for policy formulation He backs his assertions through an unprecedented quantitative analysis of a new data set of policy proposals covering almost fifty years of the postwar era from Truman to Clinton Rudalevige finds that presidents are not bound by a relentless compulsion to centralize but follow a more subtle strategy of staff allocation that makes efficient use of limited bargaining resources New items and for example those spanning agency jurisdictions are most likely to be centralized complex items follow a mixed process The availability of expertise outside the White House diminishes centralization However while centralization is a management strategy appropriate for engaging the wider executive branch it can imperil an item's fate in Congress Thus as this well written book makes plain presidential leadership hinges on hard choices as presidents seek to simultaneously manage the executive branch and attain legislative success

Congress and Its Members Roger H. Davidson, Walter J. Oleszek, Frances E. Lee, Eric Schickler, 2019-07-12 I think *Congress and Its Members* is a near perfect example of what a textbook is supposed to be It provides a clear foundation of factual knowledge for students along with an accessible summary of the current state of scholarly knowledge in the field and well chosen examples from today's headlines to better enable students to understand the implications of what they have read James B Cottrill St Cloud State University The Gold Standard for Congress Courses for Over Thirty Years *Congress and Its Members* offers comprehensive coverage of the U S Congress and the legislative process by examining the tension between Congress as a lawmaking institution and as a collection of politicians constantly seeking re election The highly anticipated Seventeenth Edition considers the 2018 elections and the Trump administration discussing the agenda of the new Congress White House Capitol Hill relations party and committee leadership changes judicial appointments and partisan polarization in addition to covering changes to budgeting campaign finance lobbying public attitudes about Congress reapportionment rules and procedures Always balancing great scholarship with currency this bestseller features lively case material along with relevant data charts exhibits maps and photos Instructors Sign in at study.sagepub.com/davidson17e for additional teaching resources

[The Politics of the Presidency](#) Joseph A. Pika, John Anthony Maltese, Andrew Rudalevige, 2021-11-16 *The Politics of the Presidency* maintains a balance between historical context and contemporary scholarship on the executive branch providing a solid

foundation for any presidency course Get the most up to date coverage and analysis of the 2020 election and the Biden administration in the Revised Tenth Edition of this bestseller America's "war on Terrorism" John E. Owens, John Dumbrell, 2008-01-01 America's War on Terrorism New Dimensions in US Government and National Security offers an original and multifaceted analysis of the Bush administration's responses to 9 11 The book brings together American and European analyses of the enormous institutional political and policy shifts in the early 21st century wrought by 9 11 and the war on terror **The Presidency, Congress, and Divided Government** Richard Steven Conley, 2002 Can presidents hope to be effective in policy making when Congress is ruled by the other party Conley argues that the conditions of divided government have changed in recent years and he applies a rigorous methodology to examine the success of presidential initiatives the strategies presidents use in working with the legislature and the use of veto power Although split party control has not produced policy deadlock or gridlock neither has its impact on presidential leadership and the retention of congressional prerogatives been adequately explored and analyzed Lou Fisher Policy by Other Means Steven A. Shull, 2006 Under the U S Constitution Congress bears responsibility for establishing national policy through legislation but in recent years that power has often been eclipsed by presidents adopting public policy by other means Steven A Shull offers a systematic study of the relative importance of four tools presidents use to create policy without going through Congress budgeting executive orders executive agreements and commitment of troops Using both statistical analyses of recent presidents use of alternative policy means and case studies of each tool Shull investigates the factors that affect whether and when the chief executive becomes in effect the chief policy maker budgeter or diplomat He examines individual institutional and environmental variables as well as several controls that may influence the choice of unilateral or alternative policy actions Shull's quantitative analyses help to illustrate not only the trends over time in the independent actions of presidents but also the complexity of the factors that influence those trends His data and statistical techniques point toward confirmation of some hypotheses that have been held about the exercise of presidential powers and the disproof of others Shull demonstrates the usefulness of applying quantitative methods informed by theory and the literature to the study of the office Scholars of the presidency of executive legislative relations and of public policy will gain important insight into previously under studied aspects of presidential power from Shull's careful analysis of unilateral and other alternative policy adoption **BOOK JACKET** **Bill Clinton** Allan Metz, 2002-03-30 Bill Clinton's administration was filled with new policies and achievements for the nation's future but those achievements were easily overshadowed by personal flaws and scandal Despite his personal problems Clinton captured the American public and served two terms as one of our more memorable presidents This comprehensive bibliography on Clinton will provide students with information from his childhood his pre presidential career presidency including assessments of it and the beginning of his post presidential life Key access points to this information are provided in the Table of Contents and detailed author and subject indexes Also included is an invited

essay providing an overview of the Clinton presidency and an extensive chronology of significant events

Presidential-Congressional Relations Steven A. Shull, 2000 Examines how presidents and Congress work together

Rivals For Power Presidential Congressional Relations Introduction

In the digital age, access to information has become easier than ever before. The ability to download Rivals For Power Presidential Congressional Relations has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Rivals For Power Presidential Congressional Relations has opened up a world of possibilities. Downloading Rivals For Power Presidential Congressional Relations provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Rivals For Power Presidential Congressional Relations has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Rivals For Power Presidential Congressional Relations. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Rivals For Power Presidential Congressional Relations. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Rivals For Power Presidential Congressional Relations, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected

websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Rivals For Power Presidential Congressional Relations has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Rivals For Power Presidential Congressional Relations Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Rivals For Power Presidential Congressional Relations is one of the best book in our library for free trial. We provide copy of Rivals For Power Presidential Congressional Relations in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Rivals For Power Presidential Congressional Relations. Where to download Rivals For Power Presidential Congressional Relations online for free? Are you looking for Rivals For Power Presidential Congressional Relations PDF? This is definitely going to save you time and cash in something you should think about.
