Robert Lowell A Portrait Of The Artist In His Time:

Robert Lowell: a portrait of the artist in his time (Edited by Michael London and Robert Boyers.). Michael LONDON (and BOYERS (Robert)), Robert Boyers, Robert Lowell, Jerome Mazzaro, 1971 Robert Lowell Michael London, Robert Boyers, 1970 **Robert Lowell: A Portrait of the Artist in His Time** Robert Boyers, Michael London, 1970

Robert Lowell: a Portrait of the Artist in His Time: ed. by Michael London and Robert Boyers Michael London, Robert Boyers, 1970 **Robert Lowell's Language of the Self** Katharine Wallingford, 2018-08-25 Katharine Wallingford's incisive study treats Robert Lowell's work as a poetry of self examination and explores the ways in which he used methods common to psychoanalysis and other forms of psychotherapy in his poetry Although he was never psychoanalyzed in a strictly Freudian sense Lowell spent many years in psychotherapy Wallingford stresses not the pathological aspects of Lowell's work however but rather his lifelong process of self examination a process with ethical as well as psychological dimensions She links this process to the tradition of self scrutiny that Lowell inherited from his New England Puritan ancestors Through close readings of the poetry and of unpublished drafts of several poems as well as letters from Lowell to George Santayana Allen Tate and his cousin Harriet Winslow Wallingford treats Lowell's use of specific psychoanalytic techniques free association repetition concentration on the relation between the poet and the other to whom he addresses himself and the use of memory to probe the past The book considers as well the role the narrative plays in these psychoanalytic and poetic techniques Lowell believed firmly in the identity of self and language one life one writing and this study brings us closer to an understanding both of the poet and of his dense and moving poetry It enriches our reading of Lowell's poetry by calling attention to the ways in which his poetic techniques are analogous to and to some extent derived from psychoanalytic techniques techniques that have in our time become integrated into our culture as a whole Originally published in 1988 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value

Robert Lowell Steven Axelrod, Helen Deese, 1986 Robert Lowell is one of the most widely recognised and influential poets of the second half of this century Yet his career is problematical and raises many questions about direction and quality particularly in light of his repeated reorientation of thematic concern and poetic technique Many previous studies of the poet have accounted for these radical differences in Lowell's work by examining the poet's private life but this collection of essays attempts to reassess Lowell's poetry and to restimulate critical thinking about it by focusing on his texts to raise new questions and discussions about the work The twelve essays in this volume by many of the most distinguished scholars in the field offer a chronological review of Robert Lowell's career as a poet The book includes pieces on major works such as Lord Weary's Castle Life Studies For the Union Dead Skunk Hour Notebook the sonnets of 1969-73 as well as four essays devoted

to Lowell's last complete and often neglected work *Day by Day* Employing a variety of methodologies the essays arrive at innovative and often controversial interpretations of Lowell's poems *Robert Lowell In Context* Thomas

Austenfeld, Grzegorz Kość, 2024-04-04 Robert Lowell was one of the most influential American poets of the 20th century This volume explores the various contexts of Lowell's life and work and evaluates his oeuvre from new perspectives Individual chapters address his relation to the South his religious evolution aspects of his marriages and private life his bipolar disorder seen through new theories of mental illness his work as a letter writer and a connoisseur of art and photography The book also introduces new parameters for a contemporary study of Lowell commenting on current debates about race and privilege feminism ecoconsciousness his engagement with the natural environment as well as his friendships with Randall Jarrell and Robert Penn Warren **Robert Lowell in a New Century** Thomas Austenfeld, 2019 New essays providing fresh insights

into the great 20th century American poet Lowell his writings and his struggles Gender and Sexuality in Russian Civilisation Peter I. Barta, 2013-06-17 Gender and Sexuality in Russian Civilisation considers gender and sexuality in modern Russia in the nineteenth and early twentieth centuries Chapters look individually at gender and sexuality through history art folklore philosophy or literature but are also arranged into sections according to the arguments they develop A number of chapters also consider Russia in the Soviet and post Soviet periods Thematic sections include Gender and Power Gender and National Identity Sexual Identity and Artistic Impression Literary Discourse of Male and Female Sexualities Sexuality and Literature in Contemporary Russian Society Studies of Dylan Thomas, Allen Ginsberg, Sylvia Plath and Robert Lowell

Louis Simpson, 1979-06-17 *A Chance Meeting* Rachel Cohen, 2024-03-19 Weaving a tapestry of creativity and circumstance this lauded chronicle of the many links and serendipitous meetings between giants of American culture from Henry James to Gertrude Stein to Zora Neale Hurston to Marcel Duchamp now includes a new afterword by the author Rachel Cohen's *A Chance Meeting* is a dazzling group portrait that offers a striking new vision of the making and remaking of the American mind and imagination from the Civil War to the Vietnam War How does the happenstance of daily life become history Cohen shows us describing a series of now boldly now subtly transformative encounters between a wide and surprising range of Americans A young Henry James has his portrait taken by the photographer Mathew Brady Brady who will receive Walt Whitman in his studio and depict General Grant on the battlefield Later W E B Du Bois and his professor William James visit Helen Keller Edward Steichen and Alfred Stieglitz argue about photography and Langston Hughes and Zora Neale Hurston write a play together Throughout Cohen's narrative loops back and leaps forward with supreme agility connecting among others Willa Cather Elizabeth Bishop Marianne Moore Beauford Delaney James Baldwin and Richard Avedon In *A Chance Meeting* Rachel Cohen offers an abiding account of the continuing challenges and the astonishing achievements of American life Robert Lowell's Imitations and the Cold War Simon van Schalkwyk, 2025-08-07 The first book length study focusing on Robert Lowell's career long preoccupation with the liberal mode of translational adaptation

known as imitation Robert Lowell's *Imitations* and the Cold War argues that Lowell's imitations are simultaneously symptomatic of and critically responsive to familiar nodes of Cold War ideology such as containment and contamination secrecy and security post imperial U S expansion and Empire It departs from studies focused solely on *Imitations* 1961 Lowell's book length collection of translational adaptations by demonstrating how imitation shadows Lowell's work from his earliest collections *Land of Unlikeness* 1944 and *Lord Weary's Castle* 1946 through his celebrated mid career collections *Life Studies* 1959 and *For the Union Dead* 1964 and to later works such as *Near the Ocean* 1969 and his contributions of adaptations from the Russian of Anna Akhmatova and Osip Mandelstam collected in Olga Carlisle's anthology *Poets on Street Corners* 1967 Simon van Schalkwyk excavates the imitational substrate undergirding and informing Lowell's compositional method and poetic imagination throughout the course of his career In so doing he shows how imitation enacts at the level of form Lowell's restless investment in Cold War geopolitics and literary networks in ways that inform develop and complicate his more conventional canonization as an unquestionably American poet preoccupied solely and simplistically with personal or autobiographical modes of poetic confession As literary sites at which containment's dualities porosities leakages and contaminants are most clearly displayed Lowell's imitations simultaneously challenge and develop our understanding of confession's presumably strict preoccupation with the personal regional and national frameworks through which Lowell has commonly been understood

Shades of Authority Stephen James, 2007-01-01 What is the relationship between poetry and power Should poetry be considered a mode of authority or an impotent medium And why is it that the modern poets most commonly regarded as authoritative are precisely those whose works wrestle with a sense of artistic inadequacy Such questions lie at the heart of *Shades of Authority* prompting fresh insights into three of the most important poets of recent decades Robert Lowell Geoffrey Hill and Seamus Heaney Through attentive close readings James shows how their responsiveness to matters of political and cultural import lends weight to the idea of poetry as authoritative utterance but also how each is exercised by a sense of the limitations and liabilities of language itself

Robert Lowell Richard J. Fein, 1979 **American Poetry after Modernism** Albert Gelpi, 2015-03-09 Albert Gelpi's *American Poetry after Modernism* is a study of sixteen major American poets of the postwar period from Robert Lowell to Adrienne Rich Gelpi argues that a distinctly American poetic tradition was solidified in the later half the twentieth century thus severing it from British conventions

American Playwrights Since 1945 Philip Kolin, 1989-01-23 This is a study of the state of research on and history of performances of 40 American playwrights including major mainstream ethnic and regional playwrights The essays list their published and unpublished plays as well as their other works document the performances identify bibliographies biographies critical studies and analyses of the plays and discuss the critical reception The volume deals with production histories covering critics actors directors and theater companies that have contributed as much to theater as the playwrights themselves It also discusses original screenplays and identifies writing on younger playwrights on whom research has just

begun ISBN 0 313 25543 1 66 00 For use only in the library Ezra Pound Among the Poets George Bornstein,1988-10-03
 Be influenced by as many great writers as you can said Ezra Pound Pound was an assimilative poet par excellence as George
 Bornstein calls him a writer who more often adhered to a classical conception of influence as benign and strengthening than
 to an anxiety model of influence To study Pound means to study also his precursors Homer Ovid Li Po Dante Whitman
 Browning as well as his contemporaries Yeats Williams and Eliot These poets discussed here by ten distinguished critics
 stimulated Pound s most important poetic encounters with the literature of Greece Rome China Tuscany England and the
 United States Fully half of these essays draw on previously unpublished manuscripts **Strange Cocktail** Adriana X.
 Jacobs,2018-07-23 For centuries poets have turned to translation for creative inspiration Through and in translation poets
 have introduced new poetic styles languages and forms into their own writing sometimes changing the course of literary
 history in the process Strange Cocktail is the first comprehensive study of this phenomenon in modern Hebrew literature of
 the late nineteenth century to the present day Its chapters on Esther Raab Leah Goldberg Avot Yeshurun and Harold
 Schimmel offer close readings that examine the distinct poetics of translation that emerge from reciprocal practices of
 writing and translating Working in a minor literary vernacular the translation strategies that these poets employed allowed
 them to create and participate in transnational and multilingual poetic networks Strange Cocktail thereby advances a
 comparative and multilingual reframing of modern Hebrew literature that considers how canons change and are undone
 when translation occupies a central position how lines of influence and affiliation are redrawn and literary historiographies
 are revised when the work of translation occupies the same status as an original text when translating and writing go hand in
 hand **Nine Contemporary Poets** P.R. King,2021-12-24 First Published in 1979 This volume includes simple and
 systematic introduction to the more important post war English poets Including reviews of the poetry of Larkin Tomlinson
 Gunn Hughes Plath Heaney and more This work will appeal to A level students undergraduates members of adult education
 classes and general readers enjoying modern literature **Warren, Jarrell, and Lowell** Joan Romano Shifflett,2020-06-03
 Robert Penn Warren Randall Jarrell and Robert Lowell maintained lifelong well documented friendships with one another
 often discussing each other s work in private correspondence and published reviews Joan Romano Shifflett s Warren Jarrell
 and Lowell Collaboration in the Reshaping of American Poetry traces the artistic and personal connections between the three
 writers Her study uncovers the significance of their parallel literary development and reevaluates dominant views of how
 American poetry evolved during the mid twentieth century Familiar accounts of literary history most prominently the
 celebration of Lowell s Life Studies as a revolutionary breakthrough into confessional poetry have obscured the significance
 of the deep connections that Lowell shared with Warren and Jarrell They all became quite close in the 1930s with the content
 and style of their early poetry revealing the impact of their mentors John Crowe Ransom and Allen Tate whose aesthetics the
 three would ultimately modify and transform The three poets achieved professional maturity and success in the 1940s during

which time they relied on one another's honest critiques as they experimented with changes in subject matter and modes of expression Shifflett shows that their works of the late 1940s were heavily influenced by Robert Frost This period found Warren Jarrell and Lowell infusing ostensibly simple verse with multifaceted layers of meaning capturing the language of speech in diction and rhythm and striving to raise human experience to a universal level During the 1950s the three poets became public figures producing major works that addressed the nation's postwar need to reconnect with humanity Warren Jarrell and Lowell continued to respond in interlocking ways throughout the 1960s with each writer using innovative stylistic techniques to create a colloquy with readers that directed attention away from superficial matters and toward the important work of self reflection Drawing from biographical materials and correspondence along with detailed readings of many poems Warren Jarrell and Lowell offers a compelling new perspective on the shaping of twentieth century American poetry

Unveiling the Energy of Verbal Art: An Psychological Sojourn through **Robert Lowell A Portrait Of The Artist In His Time**

In some sort of inundated with screens and the cacophony of instant conversation, the profound energy and mental resonance of verbal beauty often fade in to obscurity, eclipsed by the constant assault of sound and distractions. However, situated within the musical pages of **Robert Lowell A Portrait Of The Artist In His Time**, a captivating work of literary elegance that impulses with raw feelings, lies an wonderful journey waiting to be embarked upon. Composed by a virtuoso wordsmith, this interesting opus instructions readers on an emotional odyssey, gently exposing the latent potential and profound influence stuck within the complicated internet of language. Within the heart-wrenching expanse with this evocative evaluation, we can embark upon an introspective exploration of the book is central themes, dissect their captivating writing model, and immerse ourselves in the indelible impact it leaves upon the depths of readers souls.
