Coleman,2011-08-26 You and I can receive the highest and best God has prepared for us Our consistent spiritual growth comes from praying reading studying and applying Bible doctrine in our daily living Bible doctrine creates capacity for life for love for Christian service for blessing for happiness God has devised the design of the ages the perfect plan for each one of us personally All you and I have to do is understand His gracious offer and seize the incomparable opportunity for a life of meaning purpose and definition This book will help to show you how to uncover the Plan of God which reveals Gods provision for your salvation His purpose for your existence after salvation and the treasures He has waiting for your eternal future on earth and in heaven The moment you believe in Christ you immediately share His life and destiny But for us to attain the wonderful peace happiness and contentment God has planned for our lives on earth we must learn Bible doctrine and grow to spiritual maturity The Bible communicates Gods Word to you and I so absolute truth becomes the measure of our conscience and the motivation of our life Blessed is the man Who walks not in the counsel of the ungodly Nor stands in the path of sinners Nor sits in the seat of the scornful But his delight is in the law of the LORD And in His law he meditates day and night He shall be like a tree Planted by the rivers of water That brings forth its fruit in its season Whose leaf also shall not wither And whatever he does shall prosper PSA 1 1 3 The young and ever growing Christian will face many challenges in their lives but we must remember Now thanks be to God who always leads us in triumph in Christ and through us diffuses the fragrance of His knowledge in every place 2CO 2 14 Thus says the LORD who made it the LORD who formed it to establish it the LORD is His name Call to Me and I will answer you and show you great

and mighty things which you do not know *True Faith* Rev. Silas Kanyabigega DMin, 2017-02-24 God required the price to remove his anger against the humankind who offended him He wanted to see in that price a death with bloodshed as evidence demonstrating a sacrifice for the forgiveness of the sinners For God all sinners had to die So when Jesus died the corpse of Jesus represented the corpse of all sinners God was satisfied when he saw the corpse of Jesus God put in his mind that he had killed all mankind The punishment was then given and the problem between him and the humankind was resolved Jesus Christs corpse has ability to be the price required by God His blood as a killed sacrifice is the evidence of the death required by God The blood of animals was not needed in the mankind's salvation process The blood required by God was to be a mankind's blood This blood had to come from the death of a perfect person perfect as God himself The problem was only to be solved by the blood of God himself because only God is perfect But God could only die by taking human form that is why the Second Person of the Trinity Jesus Christ descent to earth to die in the place of humankind through an agonizing death at the cross of Golgotha and therefore he paid the price required by God Then God died as self substitution for men He was God man In beliefs of different world religions we cant find any other god who died for people Only God in whom Christians believe in died for humankind and he had risen He is alive Only the Faith in God propitiated for sinners is True Faith and other beliefs are false faith The Zondervan Encyclopedia of the Bible, Volume 5 Merrill C.

Intent David L. Smith, 2003-11-07 With Willful Intent A Theology of Sin is a full orb'd examination of sin and the human Fall Its intention is to provide the reader student with both the materials and methodology to formulate his or her own biblically based theology of sin The book is arranged in four sequential sections to guide the reader through the process of theological development The first section A Historical Theology of Sin furnishes a detailed outline of Christian thought on sin from the time of the early church to the present day These chapters will help the reader to understand why so many differing views of sin and the Fall exist The second section A Biblical Theology of Sin is the keystone of theological formulation It apprises the

student of the biblical teaching on the human Fall and its subsequent ramifications. Because believers hold the Bible to be the fully inspired and sufficient Word of God, what it says about sin must be determinative in one's development of a theology of sin. The third section, A Systematic Theology of Sin, seeks to synthesize the teaching of the Bible while drawing on the insights of history, science, and the social sciences. Topics covered include the nature of sin, its universality, its transmission, its relationship to Satan and the demonic, and its conquest through Jesus Christ. Any theology is worthless if it cannot be related to daily living. The conclusion, A Practical Theology of Sin, demonstrates how the theology which has been formulated may be applied to the individual life of the believer and to the church's ministry.
