From Castle Rackrent to Castle Dracula Paul E. H. Davis,2011

Paul E H Davis and the Irish Land Question In his challenging new book Paul E H Davis offers an entirely new critique of how novelists in nineteenth century Ireland had to act both as writers and historians in their attempts to find a solution to what became the Irish Land Question Challenging the widely held nationalist view that Irish novelists of this period had little or nothing to offer Davis slots these castaway novelists into a new identifiable category the agrarian novelists The book is divided into three parts Part One considers novelists writing between the Union and the Famine Maria Edgeworth Gerald Griffin John and Michael Banim and William Carleton Part Two looks at how the agrarian novel emigrates with reference to the novels of Charles Kickham and to the Irish novels of Anthony Trollope Part Three considers how some agrarian novelists specifically Thomas Moore and Bram Stoker felt the solution lay not in the real world but in the world of fantasy An exceptional book on why the agrarian novelists deserve to be valued for their unique perception of Ireland in the nineteenth century

Misery and Ecstasy Murphy Wallace, 2024-11-26 I m broken Haunted by trauma from my past that defines every moment of my present She s the lifeline tugging me free from an endless abyss I m content to drown in With every protest I wage she digs deeper into my frigid soul chipping away at the thick layer of ice surrounding it until every piece of me is laid bare She fights with everything she has to make me whole again And I surrender my entire existence to her Now she s mine Mine to love Mine to please Mine to protect But despite my connections and experience there are some threats even I can t protect her from Because not every villain is human And not every war can be won [Sex and the intelligent women](#) Manfred F. Sex, the World History John R. Gregg, 2019-07-26 Sex The World History Through Time Religion and Culture is a daring exploration of human sexuality from the ancient to the modern world Sex The World History traces sexual attitudes from the transcendent to the bizarre throughout world cultures Unmasked are sexual practices and beliefs previously omitted or obscured from all historical telling In a scathing condemnation of religion and its control of sex the book explores the intricate dance between spirituality and sexuality Revealed for the first time is a history of bisexuality in the majority of human cultures Prior to Christianity bisexual orientation was common in Asia the Pacific Africa the Americas and Europe Religions have controlled sex and gender orientation throughout time The history of LGBTQ across the globe is illuminated here How have women been exploited in sexual and cultural roles from prehistory to present day How does religion affect women s sexuality throughout time The supremacy of the Mother Earth Goddess throughout most of human existence and her relatively recent fall have had drastic consequences for women s sexual expression and identity Other topics included are sex slavery and human trafficking child brides forced marriages Roman Catholic abuses war time sexual crimes Victorian licentiousness the evolution of sexual attitudes in North and South America the sexual revolution of the counter culture Offered here is an encyclopedic tour of the sexuality of humankind **Sex Outside the Lines** Chris Donaghue, 2015-07-14 It s socially acceptable to spend a day watching sports or sitcoms but it s shameful and embarrassing to admit to the same about erotic media Why is it that sex is so often deemed inappropriate and considered

something we must keep private or even ignore Our culture is afraid of sex We feel the need to label what is normal and what isn't and as a result we live in a relational and sexually unhealthy culture In reality far more harm is caused by labeling sexual expression as obscene than by celebrating it In *Sex Outside the Lines Authentic Sexuality in a Sexually Dysfunctional Culture* Chris Donaghue PhD explores and challenges the negative ideals that have warped society's view of sex *Sex Outside the Lines* is not a dogmatic rule book but a valuable guide to help you on your journey to sexual self discovery and most important self acceptance Donaghue encourages you to not only explore your capacity for pleasure but to be proud of it and to take a look at how you could be living In his years of training in sex and couples therapy Donaghue has developed highly successful methods for freeing clients from sexual hang ups enabling them to let go of shame and embarrassment The goal isn't to be normal there is no such thing Donaghue pulls apart cultural phobias with a sex positive therapy practice as well as a kind of sexual deprogramming that helps people see and accept that the desires they have even if they don't align with society's expectations are actually natural healthy and part of having a great sex life *Sex Outside the Lines* addresses our diversity challenges conventional psychiatric wisdom as classifying perfectly normal behavior as disorders and disregards conventional advice from leading experts It isn't advocating a liberal approach to modern concepts it is seeking to redefine them altogether

I Was Born This Way, Anecdotes and Antidotes Douglas Green, 2025-08-21 In this compelling and intimate biography we follow the journey of a homosexual man from his childhood days to his later years We are taken through the different stages of his life from the tumultuous years of his adolescence to his struggles during college At a young age he knew that he was different from his peers He was ostracized and bullied because of his sexual orientation which made the process of growing up an arduous one The pressure to conform to society's narrow definitions of gender and sexuality weighed heavily on him but he found solace in the company of like minded individuals With grit and determination protagonist persevered and fought for his right to love and be loved He found happiness and acceptance in the arms of another man which allowed him to form a deeper connection with his family who ultimately came to accept and embrace his lifestyle This book is more than just a biography It's a story of resilience and hope a testament to the power of love in the face of discriminations and adversity readers will be inspired by his bravery and determination and will find themselves cheering for him on as he navigates through the challenges of life as a homosexual man

Desire and the Divine Kathaleen E. Amende, 2013-06-10 In this groundbreaking study Kathaleen E Amende explores the works and lives of late twentieth century southern women writers to show how conservative Christian ideals of femininity shaped notions of religion sexuality and power in the South Drawing from the work of authors such as Rosemary Daniell and Connie May Fowler whose characters like the authors themselves grow up believing that Jesus should be a girl's first boyfriend Amende demonstrates many ways in which these writers commingled the sexual and the sacred Amende also looks at the writings of Lee Smith Sheri Reynolds Dorothy Allison and Valerie Martin to discuss how southern women authors and their characters grappled

with opposing cultural expectations Often in their work characters mingle spiritual devotion and carnal love allowing for salvation despite rejecting traditional roles or behaviors In Martin s *A Recent Martyr* novitiate Claire disavows southern norms of femininity courtship marriage and motherhood but submits to Jesus as she would to a husband Teenage protagonist Ninah Huff in Reynolds s *Rapture of Canaan* imagines that her out of wedlock child is the offspring of Christ because of her conviction that Jesus was present during conception Grounded in cultural and gender studies and informed by historical religious and devotional literature Amende s timely and accessible book demonstrates the tenuous divide between feminine sexuality and Christianity in a southern context When Depression Hurts Your Relationship Shannon
