What Love Is Love in both the abstract and the up close and personal has always provided limitless inspiration for artists writers and musicians but scientists are just as fascinated by these affairs of the heart though they seldom sing about it In this eBook *Disarming Cupid Love Sex and Science* our editors take a step back analyzing romance using tools like fMRI studies instead of a paint brush or guitar The writers examine a variety of topics starting with the perceived sex differences between men and women discussed in Section 1 are we really as different as Mars and Venus As our opening story shows few other questions can get at the heart of this debate like Can heterosexual men and women ever be just friends Spoiler alert new research suggests that the answer is no Subsequent sections tackle other facets of love including the implications of the drastic rise in online dating how we choose our romantic partners and what happens in our brains when we re in love In particular *All You Need Is Love* finds or perhaps for some verifies that romantic love stimulates the same pathways as an addictive drug Section 5 focuses on issues of gender and sexuality *Do Gays Have a Choice* analyzes a wealth of scientific evidence and shows that sexual orientation is determined more by both genes and environment rather than being a choice We also don t shy away from darker aspects of love such as the psychology of prostitution and sex appeal of narcissists because to ignore these aspects of love is to trivialize it Besides love s paradoxes are one of the reasons why it is The Topic for cultural discourse As Pascal said The heart has its reasons of which reason knows nothing Hopefully this eBook will change the nothing to at least something

that isn't wet or a square with no right angles But the Bible's call to seek justice is not a call to superficial kneejerk activism We are not merely commanded to execute justice but to truly execute justice The God who commands us to seek justice is the same God who commands us to test everything and hold fast to what is good Drawing from a diverse range of theologians sociologists artists and activists *Confronting Injustice without Compromising Truth* by Thaddeus Williams makes the case that we must be discerning if we are to truly execute justice as Scripture commands Not everything called social justice today is compatible with a biblical vision of a better world The Bible offers hopeful and distinctive answers to deep questions of worship community salvation and knowledge that ought to mark a uniquely Christian pursuit of justice Topics addressed include Racism Sexuality Socialism Culture War Abortion Tribalism Critical Theory Identity Politics *Confronting Injustice without Compromising Truth* also brings in unique voices to talk about their experiences with these various social justice issues including Michelle Lee Barnwall Suresh Budhaprithi Eddie Byun Freddie Cardoza Becket Cook Bella Danusiar Monique Duseon Ojo Okeye Edwin Ramirez Samuel Sey Neil Shenvi Walt Sobchak In *Confronting Injustice without Compromising Truth* Thaddeus Williams transcends our religious and political tribalism and challenges readers to discover what the Bible and the example of Jesus have to teach us about justice He presents a compelling vision of justice for all God's image bearers that offers hopeful answers to life's biggest questions
