Marriage Matters Janice Crouse, 2017-07-05 In *Marriage Matters* Janice Shaw Crouse argues that marriage is a critical element in a free society and that society's most vulnerable communities especially minorities and the poor suffer the most from the nation's retreat from marriage Crouse writes that marriage advances the public interest and we should create laws and policies that support rather than undermine it She demonstrates both the public and private importance of marriage and organizes her argument in a thoughtful and logical manner Compared to other household arrangements Crouse observes marriage is by far the best for raising children and offers financial advantages as well Writing about bullying Crouse shows how the trend away from marriage has led to poor child rearing and to some of the nation's worst contemporary problems In household arrangements with an absence of traditional fathers the government has in some ways overtaken this role by creating social programs such as food stamps Social Security and Medicare Social programs are but a small part of an effective solution The groundwork for strong marriages and lasting relationships is examined in detail Crouse then discusses the role of sex in marriages and the harmful influence of casual sex The second half of the work shows how marriage matters to individuals specifically to women and children and depicts same sex marriage as a threat to the institution Other public policy issues affecting marriage are also explored

Surviving A Sexless Marriage Angela Blake-Norman, 2008-02 *Surviving A Sexless Marriage Or Not* is no ordinary book This book takes you on the author's personal journey and experiences while she was growing up and enduring all kinds of madness The good the bad and the ugly And how she came to realize at the age of 49 that she had hidden issues that she had stored away in her wounded spirit Not knowing that these issues were reflecting the way that she treated men Therefore causing her to be in a sexless marriage A close examination of her subconscious mind and having to face those issues that she thought was safely locked away was still hunting her But not just her all too frequently married couples in a sexless marriage don't want to make an honest effort to find the solution as to why they are in a sexless marriage and sometimes this could lead to an affair or divorce In this book she hopes to provide the reader with the tools that you will need to help you achieve emotional stability and peace of mind Along with happiness that will lead you back to the loving relationship you had in your marriage before it all went downhill Couples you have got to make an effort to save your sexless marriage Remember love is the key It is the right that will fix the wrong But first you have got to love the Lord love yourself and then love one another This is where you will find your happiness Understand that love is a big word and it means a lot of things And the pursuit of happiness is a long journey When you truly love your spouse you know what they need when they

need it and how they want it So you and your spouse need to take a step backwards and move forward with an open mind and a willingness to listen to each others concerns Remember how you felt when you thought that you had found your soul mate Yes I do And then the the bills came the children came the mis communication and dis trust start riding your brain What about I am not getting enough attention Well all that good loving is still there you got to go after it the same way you did in the beginning Men treat your woman like the queen that she is Ladies treat your man like the king that he is Read this new and exciting book and with the two of you working together you can t lose My wife Angela Blake Norman was working my last nerve and she was a pain in my butt It was hard to want to have sex with her after being dis respected and feeling unwanted even though I loved her But I felt that I had to keep my vows And stay in my marriage and try to work it out So I prayed on it and hoped that my wife would come around And she did We both did We Survived our Sexless Marriage Prayer and faith works It brought us back together with a better understanding of ourselves And we love each other even more Men get your queen back and ladies get your king back Also visit our website survivingasexlessmarriage.com and join our married couples forum Greg Norman [Sex, Orgasm, and Coochies: A Gynecologist Answers Your Most Embarrassing Questions](#)

Lissa Rankin, MD,2011-08-02 Previously published as part of WHAT S UP DOWN THERE Suppose you had a wise warm funny best friend who just happened to be a gynecologist You re out with the girls for cocktails and the conversation turns to sex and then to girly parts One by one you start asking her all the questions you ve secretly wondered about and discover that you have a lot in common If you were to write those questions down then you d have Sex Orgasm and Coochies a life changing little ebook that answers Why doesn t my vagina look like the ones in Playboy Should I douche If so how often If I take some of my husbandsViagra will it jazz me up for sex My daughter masturbates regularly I m secretly worried she going to grow up to be a sex maniac Is she normal or is my child a pervert Why does my vagina make loud noises when my boyfriend and I are having sex And so much more As outrageously funny as it is empowering this book reveals how to love yourself and your body and will have you recommending it to every woman you know [Sex in Crisis](#) Dagmar Herzog,2008-07-01 The Religious Right has fractured the pundits tell us and its power is waning Is it true have evangelical Christians lost their political clout When the subject is sex the answer is definitively no Only three decades after the legalization of abortion the broad gains of the feminist movement and the emergence of the gay rights movement Americans appear to be doing the time warp again It s 1950s redux Politicians including many Democrats insist that abstinence is the only acceptable form of birth control Fully fifty percent of American high schools teach a sex education curriculum that includes deceptive information about the prevalence of STDs and the failure rates of condoms Students are taught that homosexuality is curable and that premarital sex ruins future marital happiness Afraid of sounding godless American liberals have failed to challenge these retrograde orthodoxies The truth is Americans have not become anti sex but they have become increasingly anxious about sex not least due to the stratagems of the Religious Right There has been a war on sex in America

a war conservative evangelicals have in large part already won How did the Religious Right score so many successes Historian Dagmar Herzog argues that conservative evangelicals appropriated the lessons of the first sexual revolution far more effectively than liberals With the support of a multimillion dollar Christian sex industry evangelicals crafted an astonishingly graphic and effective pitch for the pleasures of hot monogamy for married heterosexual couples only This potent message enabled them to win elections and seduce souls with disastrous political consequences Fierce witty and brilliant Sex in Crisis challenges America s culture of sexual dysfunction and calls for a more sophisticated national conversation about the facts of life
