Sex and the Sexual during People's Leisure and Tourism Experiences Neil Carr, Yaniv Poria, 2010-05-11 Sex and the sexual have for far too long been consigned to the dark corners by social scientists in general and tourism and leisure scholars in particular *Sex and the Sexual During People's Leisure and Tourism Experiences* seeks to begin to rectify this situation by bringing the position and nature of sex and the sexual into the light of academic debate As such this book is designed to highlight cross disciplinary emerging work on sex and the sexual in leisure and tourism and provide the readers with insights into this social realm It encompasses a broad array of sex related issues and tourism and leisure environments from across a variety of countries The book should appeal to researchers and students across the humanities and social sciences both for the value of the research in its own right and the ability of it to be used as a lens through which to view the position of sex and the sexual as well as tourism and leisure in today's world Overall it is argued that sex and the sexual should play a part in the academic discourse especially if we wish to describe what is actually happening out there as far as tourism and leisure are concerned

Conceiving Cuba Elise Andaya, 2014-05-30 After Cuba s 1959 revolution the Castro government sought to instill a new social order Hoping to achieve a new and egalitarian society the state invested in policies designed to promote the well being

of women and children Yet once the Soviet Union fell and Cuba's economic troubles worsened these programs began to collapse with serious results for Cuban families Conceiving Cuba offers an intimate look at how with the island's political and economic future in question reproduction has become the subject of heated public debates and agonizing private decisions Drawing from several years of first hand observations and interviews anthropologist Elise Andaya takes us inside Cuba's households and medical systems Along the way she introduces us to the women who wrestle with the difficult question of whether they can afford a child as well as the doctors who with only meager resources at their disposal struggle to balance the needs of their patients with the mandates of the state Andaya's groundbreaking research considers not only how socialist policies have profoundly affected the ways Cuban families imagine the future but also how the current crisis in reproduction has deeply influenced ordinary Cubans views on socialism and the future of the revolution Casting a sympathetic eye upon a troubled state Conceiving Cuba gives new life to the notion that the personal is always political

Trafficking and Prostitution Reconsidered Kamala Kempadoo, 2017-07-05 Trafficking and prostitution are widely believed to be synonymous and to be leading international crimes This collection argues against such sensationalism and advances carefully considered and grounded alternatives for understanding transnational migrations forced labor sex work and livelihood strategies under new forms of globalization From their long term engagements as anti trafficking advocates the authors unpack the contemporary international debate on trafficking They maintain that rather than a new white slave trade we are witnessing today more broadly an increase in the violation of the rights of freedom of movement decent employment and social and economic security Critical examinations of state anti trafficking interventions including the U S led War on Trafficking also reveal links to a broader attack on undocumented migrants tribal and aboriginal peoples poor women men and children and sex workers The book sheds new light on everyday circumstances popular discourses and strategies for survival under twenty first century economic and political conditions with a focus on Asia but with lessons globally Contributors Natasha Ahmad Vachararutai Boontin and Lin Chew Melissa Ditmore John Frederick Matthew S Friedman Josephine Ho Jagori Ratna Kapur Phil Marshall Jyoti Sanghera Susu Thatun

Aspects of Tourist Behavior Metin Kozak, 2013-07-26 As in other fields of research the behaviour of consumers has also received a great deal of attention in tourism research over the past few decades due to its growing importance in the efficient marketing and management of tourism operations The rapid development of IT applications and the equally swift changes of needs and wants have influenced consumers in terms of the behaviour involved in searching for information and in decision making processes As such this book encompasses a collection of chapters addressing various aspects of tourist behaviour from need recognition to post consumption supported through selected practical examples from a range of countries such as Portugal Italy New Zealand Jamaica Taiwan Malaysia and South Africa among others The book systematic in structure and thorough in content is very useful for people who wish to improve and update their current knowledge of tourist behaviour and also to those

carrying out further research on this field *Third Sector Organizations in Sex Work and Prostitution* Isabel Crowhurst, Susan Dewey, Chimaraoke Izugbara, 2021-03-30 Third Sector Organizations in Sex Work and Prostitution is about sex work and prostitution third sector organizations TSOs non governmental and non profit organizations that provide support services to and advocate for the well being of people operating in the sex industries With a focus on three vast and extremely diverse regions Africa the Americas and Europe this book provides a unique vantage point that shows how interlinked these organizations histories and configurations are TSOs are fascinating research sites because they operate as zones of contestation which translate their understandings of sex work and prostitution into different support practices and advocacy initiatives This book reveals that these organizations are not external to normative power but participate in it and are subject to it conditioning how they can exist who they can reach out to where and what they can achieve Third Sector Organizations in Sex Work and Prostitution is a resource for scholars policymakers and activists involved in research on and work with third sector organizations in the fields of sex work and prostitution gender and sexuality and human rights among others *Intimate Mobilities* Christian Groes, Nadine T. Fernandez, 2018-05-24 As globalization and transnational encounters intensify people s mobility is increasingly conditioned by intimacy ranging from love desire and sexual liaisons to broader family kinship and conjugal matters This book explores the entanglement of mobility and intimacy in various configurations throughout the world It argues that rather than being distinct and unrelated phenomena intimacy related mobilities constitute variations of cross border movements shaped by and deeply entwined with issues of gender kinship race and sexuality as well as local and global powers and border restrictions in a disparate world **Black Sexualities** Juan Battle, Sandra L. Barnes, 2009-11-24 Why does society have difficulty discussing sexualities Where does fear of Black sexualities emerge and how is it manifested How can varied experiences of Black females and males who are lesbian gay bisexual transgender LGBT or straight help inform dialogue and academic inquiry From questioning forces that have constrained sexual choices to examining how Blacks have forged healthy sexual identities in an oppressive environment Black Sexualities acknowledges the diversity of the Black experience and the shared legacy of racism Contributors seek resolution to Blacks understanding of their lives as sexual beings through stories of empowerment healing self awareness victories and other historic and contemporary life course panoramas and provide practical information to foster more culturally relative research tolerance and acceptance **Sex Tourism in Bahia** Erica Lorraine Williams, 2013-10-30 For nearly a decade Brazil has surpassed Thailand as the world s premier sex tourism destination As the first full length ethnography of sex tourism in Brazil this pioneering study treats sex tourism as a complex and multidimensional phenomenon that involves a range of activities and erotic connections from sex work to romantic transnational relationships Erica Lorraine Williams explores sex tourism in the Brazilian state of Bahia from the perspectives of foreign tourists tourism industry workers sex workers who engage in liaisons with foreigners and Afro Brazilian men and women who contend with foreigners stereotypical

assumptions about their licentiousness She shows how the Bahian state strategically exploits the touristic desire for exotic culture by appropriating an eroticized blackness and commodifying the Afro Brazilian culture in order to sell Bahia to foreign travelers

From Cuba with Love Megan Daigle,2015-01-16 Megan Daigle explores the role of women in Cuban political culture by examining the rise of economies of sex romance and money since the early 1990s Investigating the lived realities of the Cuban women and some men who date tourists and offering a unique perspective on the surrounding debates From Cuba with Love raises issues about women s bodies what they can or should do and equally what can be done to them Daigle draws attention to the violence experienced by these young women at the hands of a moralistic state an opportunistic police force and even their own families and partners Daigle s provocative perspective will make readers question how race and politics in Cuba are tied to women and sex and the ways in which political power acts directly on the bodies of individuals through law policing institutional programs and social norms Provided by publisher
