## **Sexism And God Talk:**

**Sexism and God-talk** Rosemary Radford Ruether, 1983 By the time Ruether finishes systematic theology has undergone a radical critique from which it emerges transformed rather than simply modified or totally rejected She has constructed a full fledged feminist theology the first within a Christian context The New York Times Book Review *Sexism and God Talk* Rosemary Radford Ruether, 2014 How did a religion whose founding proponents advocated a shocking disregard of earthly ties come to extol the virtues of the traditional family In this richly textured history of the relationship between Christianity and the family Rosemary Radford Ruether traces the development of these centerpieces of modern life to reveal the misconceptions at the heart of the family values debate Sexism and God-talk Rosemary Radford Ruether, 1993 How did a religion whose founding proponents advocated a shocking disregard of earthly ties come to extol the virtues of the traditional family In this richly textured history of the relationship between Christianity and the family Rosemary Radford Ruether traces the development of these centerpieces of modern life to reveal the misconceptions at the heart of the family values debate

Sexism and God-talk Rosemary Radford Ruether, 2002 Using feminist theology as a tool to expose the male centred bias of classical theology Ruether articulates a faith which incorporates both genders in their totality and which embraces a full humanity Whereas the traditional paradigm begets domination and subordination Ruether's feminism seeks a mutuality which allows for variety and particularly in women and men Examining ways in which the female has been uncomfortably accommodated within the Christian tradition in ecclesiology and Mariology the author looks at ways of rehabilitating these images and engages creatively in the areas of the doctrine of creation Christology ministry and eschatology At the heart of this work is the argument that the dominant Christian tradition if it is challenged and corrected by feminism offers viable and credible categories for interpreting human existence and building redemptive communities What Language Shall I Borrow? Brian Wren, 2009-07-01 Wren's work is fresh daring and suggestive and at the same time informed critical and disciplined Wren has combined an exceedingly thoughtful theoretical presentation of the linguistic problem and a step by step practical walk through of the issues It takes a poet not a clerk to voice what has been disclosed by God Wren is such a poet he invites us to fresh evangelical cadences that will themselves liberate Theology Today Wren makes an inventive effort to help cure the disease that is devastating the worship scene He himself writes extraordinary hymn texts that are beyond patriarchy and he hangs them in galleries in his book He gives us a readable convincing book centered on the language question but profoundly theological in its implications National Catholic Reporter A book of tremendous value to liturgists theologians members of the newly forming men's liberation movement clergy and policymakers and anyone interested in the issue of inclusive God language including those who are curious about why it matters in the first place Part of the value of What Language Shall I Borrow is Wren's graceful imaginative presentation of his facts Although there is ample cognitive input it is interspersed with moving hymn texts practical workshop ideas and fascinating narratives The Presbyterian Outlook

*Humanity Has Been a Holy Thing* Ellen K. **Words, Female Voices** Jerusha Tanner Lamptey, 2018-09-04 The relationship between Islam and feminism is complex There are many Muslim scholars who fervently promote women's equality At the same time there is ambivalence regarding the general norms terminology and approaches of feminism and feminist theology This ambivalence is in large part a product of various hegemonic androcentric and patriarchal discourses that seek to dictate legitimate and authoritative interpretations These discourses not only fuel ambivalence they also effectively obscure valuable possibilities related to interreligious feminist engagement *Divine Words Female Voices* is the follow up to Jerusha Lamptey's 2014 book *Never Wholly Other* in which she introduced the idea of Muslima theology and applied it to the topic of religious diversity In this new book she extends her earlier arguments to contend that interreligious feminist engagement is both a theologically valid endeavor and a vital resource for Muslim women scholars She introduces comparative feminist theology as a method for overcoming challenges associated with interreligious feminist engagement reorients comparative discussions to focus on the two *Divine Words* the Qur'an and Jesus and feminist theology and uses this reorientation to examine intersections discontinuities and insights related to diverse theological topics This book is distinctive in its responsiveness to calls for new approaches in Islamic feminist theology its use of the method of comparative theology its focus on Muslim and Christian feminist theology in comparative analysis and its constructive articulation of Muslima theological perspectives **Religion and Sexism**

Rosemary Radford Ruether, 1998-07-09 These essays attempt to fill a growing need for a more exact idea of the role of religion specifically in the Judaeo Christian tradition in shaping the traditional cultural images that have degraded and suppressed women This book provides in the compass of a single work a glimpse of the history of the relationship of patriarchal religion to feminine imagery and to the actual psychic and social self images of women *God's Patience and*

*our Work* Ben Fulford,2024-02-28 In *God's Patience and our Work* Ben Fulford argues that Hans Frei's theology and ethics offers unheralded but valuable resources for thinking about the social and political engagement of Christian communities in pluralistic societies in light of hope in Jesus Christ He shows how Frei's project of recovering the conditions for and shape of a generous orthodoxy runs through his work offering broad flexible vision of Christian identity ethical responsibility and humanistic witness focused in the person and presence of Jesus Christ In dialogue with liberation theologies Fulford draws from Frei an account of divine patience and providence to frame hopeful pragmatic Christian participation in work for dignity justice and penultimate reconciliation rooted in new and deeper contextual reading of his work **From Women's**

**Experience to Feminist Theology** Linda Hogan,2016-10-06 What are the implications of adopting a primacy of praxis position in feminist theology How can we respect the diversity of women's experience while retaining it as a useful analytic category Do these twin resources of women's experience and praxis together imply that feminist theology is ultimately relativist Through an analysis of the work of some of today's key feminist theologians Christian womanist and post Christian Linda Hogan considers these and other methodological questions *The Rights of Nature* Roderick Frazier

Nash,1989-01-17 Charting the history of contemporary philosophical and religious beliefs regarding nature Roderick Nash focuses primarily on changing attitudes toward nature in the United States His work is the first comprehensive history of the concept that nature has rights and that American liberalism has in effect been extended to the nonhuman world A splendid book Roderick Nash has written another classic This exploration of a new dimension in environmental ethics is both illuminating and overdue Stewart Udall His account makes history come alive *Sierra* So smoothly written that one almost does not notice the breadth of scholarship that went into this original and important work of environmental history Philip Shabecoff *New York Times Book Review* Clarifying and challenging this is an essential text for deep ecologists and ecophilosophers Stephanie Mills *Utne Reader* **Scripture and Ethics** Jeffrey S. Siker,1997 Siker brings together the history of biblical interpretation and the study of uses of the Bible in Christian ethics to examine how the Bible has actually been used in Christian theological ethics and in the process profiling eight influential twentieth century theologians *The Bonds of Freedom* Rebekah L. Miles,2001-08-23 In this constructive study Miles proposes a new feminist theological ethic drawing together the contributions of Reinhold Niebuhr Sharon Welch and Rosemary Ruether Seeking to critically reappropriate the Christian realism articulated by Niebuhr she reinterprets solutions to problems emergent from his theology Miles presents feminist Christian realism as an alternative that can reclaim a positive interpretation of divine transcendence and human self transcendence while maintaining newer emphases on human boundedness and divine immanence Theologians and ethicists will find her critical reassessment of the three authors distinctive and her challenging proposal for a positive creative transformation a significant contribution to the development of feminist ethics **Christianity: A Brief Survey** Michael D.
