

## SEXUAL CONTRACT

*This agreement is meant to encourage safe and consensual sexual exploration, to open up communication and help both parties get the sex life they want. For help getting started please see [Tips to Negotiating a Sexual Contract](#).*

Made this day \_\_\_\_ of 2014 (The Commencement Date)

Between:

“Party A”

---

And

“Party B”

---

The Parties agree as follows:

### COMMENCEMENT AND TERM:

Parties enter into this contract of commencement date fully aware of its nature and undertake to abide by its conditions.

This contract shall be effective for a period of \_\_\_\_\_ (days/wks/mths/years)

### SUBJECT TO: “Safewords”:

The party(ies) recognize that one of the parties may make demands of the other party that may push their personal, emotional, spiritual and physical boundaries. In such circumstances related to this, one party may make use of one or both of the “safewords”.

“Yellow” will be used to bring to the attention of the other party that the first party is close to her/his limit of endurance.

“Red” will be used to bring to the attention of the other party that the first party cannot tolerate any further demand. When the word is said, the first party actions will cease completely with immediate effect.

“Green” will be used to indicate to the other party that all is well and to continue.

# Sexual Contract

**Carole Pateman**

## **Sexual Contract:**

The Sexual Contract Carole Pateman, 2014-03-25 Carole Pateman is one of the foremost political theorists writing in English today In this outstanding new work she presents a major reinterpretation of modern political theory She shows how standard discussions of social contract theory tell only half the story The sexual contract which establishes modern patriarchy and the political right of men over women is never mentioned In a wide ranging and scholarly discussion Pateman examines the significance of the political fictions of the original contract and the slave contract She also offers a sweeping challenge to conventional understandings of both left and right of actual contracts in everyday life the marriage contract the employment contract the prostitution contract and the new surrogacy contract By bringing a feminist perspective to bear on the contradictions and paradoxes surrounding women and contract and the relation between the sexes she is able to shed new light on the fundamental problems of freedom and subordination The Sexual Contract will become a classic text in the politics of gender and will be of major interest to students of social and political theory and philosophy women s studies sociology and jurisprudence

The Sexual Contract Carole Pateman, 2018-06-05 Carole Pateman is one of the foremost political theorists writing in English today In this outstanding new work she presents a major reinterpretation of modern political theory She shows how standard discussions of social contract theory tell only half the story The sexual contract which establishes modern patriarchy and the political right of men over women is never mentioned In a wide ranging and scholarly discussion Pateman examines the significance of the political fictions of the original contract and the slave contract She also offers a sweeping challenge to conventional understandings of both left and right of actual contracts in everyday life the marriage contract the employment contract the prostitution contract and the new surrogacy contract By bringing a feminist perspective to bear on the contradictions and paradoxes surrounding women and contract and the relation between the sexes she is able to shed new light on the fundamental problems of freedom and subordination The Sexual Contract will become a classic text in the politics of gender and will be of major interest to students of social and political theory and philosophy women s studies sociology and jurisprudence

**Rewriting the Sexual Contract** Geoff Dench, 2018-04-24 This book brings together a wide selection of viewpoints on what is happening to relations between the sexes and the sexual division of labor in contemporary society The contributors look at the ways in which gender relationships are changing the consequences of these changes for family life and society generally and the part the state should play in future developments Rewriting the Sexual Contract encompasses the views of people with widely differing orientations stretching across the moral and political spectrum The contributors provide varied interpretations of what the recent sexual revolution means and where it may be leading us The questions discussed include Are the life styles of men and women converging or polarizing Do men and women place the same value on family life Do most mothers want to work full time while their children are young Are families strengthened by a sense of differentiation and interdependence between the sexes Does social policy need to

recognize sexual differences in order to maximize social equality The contributors represent a wide range of viewpoints but are all involved in analyzing and influencing public attitudes in this area They include Carole Pateman Roger Scruton Ruth Lister Fay Weldon Michael Young and Barbara Cartland among others *Rewriting the Sexual Contract* examines issues pertinent to the current social and political culture and will be of interest to sociologists gender studies scholars and political theorists Geoff Dench is a senior research fellow at the Institute of Community Studies and a visiting professor at Middlesex University He is the author of *Transforming Men and Minorities in the Open Society Prisoners of Ambivalence* **The Post-Fordist Sexual Contract** Lisa Adkins, Maryanne Dever, 2016-03-16 This collection analyzes shifting relationships between gender and labour in post Fordist times Contingency creates a sexual contract in which attachments to work mothering entrepreneurship and investor subjectivity are the new regulatory ideals for women over a range of working arrangements and across classed and raced dimensions **Back Over the Sexual Contract** Lorenzo Rustighi, 2021-12-27 Is patriarchy an illness of democratic societies or a structural problem To answer this dilemma *Back Over the Sexual Contract A Hegelian Critique of Patriarchy* examines the dilemma of patriarchy in modern European political theory by reopening the question of the sexual contract Through a study of the thought of Thomas Hobbes John Locke Jean Jacques Rousseau and Immanuel Kant Lorenzo Rustighi argues that the conceptual roots of male patriarchal entitlement should be sought in the logic of authorized power that underpins the modern understanding of both the state and the family Challenging the mainstream distinction between the private and the public Rustighi provocatively suggests that patriarchy is not something that undermines democracy as an alien threat but is rather inscribed in the intrinsically anti democratic effects of the concept of democracy construed by the modern rationale of the social contract He puts forward a Hegelian argument to propose an unconventional constitutional approach to feminist political theory that helps us rethink democracy beyond its inherent impasses **The Sexual Contract** Carole Pateman, 1988 **Origin Stories in Political Thought** Joanne Harriet Wright, 2004-01-01 Origin stories are a recurring motif in the history of political thought Presented as narratives that describe the beginnings of politics and power these stories are among the most provocative and politically contentious means by which Western society organizes and represents its experience Indeed as scripts of citizenship origin stories seek to manufacture consent to a preconceived and hierarchical political vision Joanne H Wright's *Origin Stories in Political Thought* examines Plato's *Timaeus* Hobbes's story of the state of nature and the social contract and early Second Wave feminist stories about the beginnings of patriarchal social relations Using a historically sensitive feminist methodology Wright documents and deconstructs the tradition of telling origin stories in the larger history of political thought Although individual tales have been assessed in current scholarship the motif of the origin story itself has until now escaped systematic analysis With meticulous research and convincing conclusions *Origin Stories in Political Thought* makes a groundbreaking and valuable contribution to both feminist and political studies **Comfort Women and Post-Occupation Corporate**

**Japan** Caroline Norma, 2018-10-15 This book provides an overview of the Japanese sex industry in the years of Japan's postwar economic boom. It argues that the origins of gender inequality in contemporary Japan resulted from the policies put in place during this period when there was instituted a sexual contract which provided male salarymen whose work was arduous, underpaid and subject to military-like organisation with easy access to women's bodies through workplace getaway trips to hot springs resorts, hostess bars and prostitution tourism to South Korea as sexual inducement to acquiesce to their own exploitation. Japan's economic growth, the book thereby contends, came at the price not just of environmental and labour degradation but also gender inequality. *The First Political Order* Valerie M. Hudson, Donna Lee Bowen, Perpetua Lynne Nielsen, 2020-03-17 Global history records an astonishing variety of forms of social organization. Yet almost universally, males subordinate females. How does the relationship between men and women shape the wider political order? *The First Political Order* is a groundbreaking demonstration that the persistent and systematic subordination of women underlies all other institutions with wide-ranging implications for global security and development. Incorporating research findings spanning a variety of social science disciplines and comprehensive empirical data detailing the status of women around the globe, the book shows that female subordination functions almost as a curse upon nations. A society's choice to subjugate women has significant negative consequences: worse governance, worse conflict, worse stability, worse economic performance, worse food security, worse health, worse demographic problems, worse environmental protection and worse social progress. Yet despite the pervasive power of social and political structures that subordinate women, history and the data reveal possibilities for progress. *The First Political Order* shows that when steps are taken to reduce the hold of inequitable laws, customs and practices, outcomes for all improve. It offers a new paradigm for understanding insecurity, instability, autocracy and violence, explaining what the international community can do now to promote more equitable relations between men and women and thereby security and peace. With comprehensive empirical evidence of the wide-ranging harm of subjugating women, it is an important book for security scholars, social scientists, policy makers, historians and advocates for women worldwide. *Key Concepts in Gender Studies* Jane Pilcher, Imelda Whelehan, 2016-12-13 The new edition of *Key Concepts in Gender Studies* is a lively and engaging introduction to this dynamic field. Thoroughly revised throughout, the second edition benefits from the addition of nine new concepts including Gender Social Movements, Intersectionality and Mainstreaming. Each of the entries begins with a concise definition, outlines the history of each term and the debates surrounding it, includes illustrations of how the concept has been applied within the field, offers examples which allow a critical re-evaluation of the concept, is cross-referenced with the other key concepts, ends with guidance on further reading. A must-buy for undergraduate and postgraduate students in a range of social science and humanities disciplines. *Justice Unbound* Patrizia Longo, 2018-12-17 This important anthology provides students and teachers with voices of social and global justice that have been marginalized or forgotten by history. It gives thought leaders from the Global South a platform and engages the voices of oppressed

communities including Charles Mills and Franz Fanon and Ella Baker This text is a comprehensive analysis of modern and contemporary theories of justice Since the publication in 1971 of John Rawls s A Theory of Justice there has been much debate on his views from both the right and the left of the political spectrum But there is a lack of textbooks that provide not only a compilation of substantial selections on challenges to Rawls s theory from feminist and postcolonial scholars but that also include writings by non white and non Western authors on different aspects of justice This book fills this huge gap and brings together many influential writings on the topic of justice that are often omitted in philosophy and political theory collections This work addresses complex issues in an increasingly diverse society

**Rewriting the Sexual Contract** Geoff Dench, This book brings together a wide selection of viewpoints on what is happening to relations between the sexes and the sexual division of labor in contemporary society The contributors look at the ways in which gender relationships are changing the consequences of these changes for family life and society generally and the part the state should play in future developments Rewriting the Sexual Contract encompasses the views of people with widely differing orientations stretching across the moral and political spectrum The contributors provide varied interpretations of what the recent sexual revolution means and where it may be leading us The questions discussed include Are the life styles of men and women converging or polarizing Do men and women place the same value on family life Do most mothers want to work full time while their children are young Are families strengthened by a sense of differentiation and interdependence between the sexes Does social policy need to recognize sexual differences in order to maximize social equality The contributors represent a wide range of viewpoints but are all involved in analyzing and influencing public attitudes in this area They include Carole Pateman Roger Scruton Ruth Lister Fay Weldon Michael Young and Barbara Cartland among others Rewriting the Sexual Contract examines issues pertinent to the current social and political culture and will be of interest to sociologists gender studies scholars and political theorists Geoff Dench is a senior research fellow at the Institute of Community Studies and a visiting professor at Middlesex University He is the author of Transforming Men and Minorities in the Open Society Prisoners of Ambivalence

Radical Critiques of the Law Stephen M. Griffin, Robert C. L. Moffat, 1997 The past two decades have seen an outpouring of work in legal theory that is self consciously critical of aspects of American law and the institutions of the liberal state In this lively volume eminent scholars in philosophy law and political science respond to this recent scholarship by exploring what constitutes a radical critique of the law examining such theories as critical legal studies feminist theory and theories of difference and critical race theory The authors consider whether the critiques advanced in recent legal theory can truly be called radical and what form a radical critique of American law should take Writing at the cutting edge of the critique of critical legal theory they offer insights first on critical legal scholarship then on feminist political and legal theory A third group of contributions questions the radicalness of these approaches in light of their failure to challenge fundamental aspects of liberalism while a final section focuses on current issues of legal reform through critical views on criminal

punishment including observations on rape and hate speech Each major essay describes the underlying principles in the development of a radical legal theory and addresses unresolved questions relating to it while accompanying commentaries present conflicting views The resulting dialogue explores wide ranging issues like equity value relativism adversarial and empathic legal advocacy communitarianism and the social contract impartiality and contingency natural law and corrective justice A common thread for many of the articles is a focus on the social dimension of society and law which finds the individualism of prevailing liberal theories too limiting *Radical Critiques of the Law* is particularly unique in presenting critical and feminist approaches in one volume along with skeptical commentary about just how radical some critiques really are Proposing alternative critiques that embody considerably greater promise of being truly radical it offers provocative reading for both philosophers and legal scholars by showing that many claims to radicalism are highly problematic at best

**Letters of John Keats to His Family and Friends** Carole Pateman, John Keats, 1891      Personal Rights and Sexual Wrongs Oswald Dawson, 1897      *The Sexual question* Auguste Forel, 1908      **Rewriting the Sexual Contract**, 2017 This book brings together a wide selection of viewpoints on what is happening to relations between the sexes and the sexual division of labor in contemporary society The contributors look at the ways in which gender relationships are changing the consequences of these changes for family life and society generally and the part the state should play in future developments *Rewriting the Sexual Contract* encompasses the views of people with widely differing orientations stretching across the moral and political spectrum The contributors provide varied interpretations of what the recent sexual revolution means and where it may be leading us The questions discussed include Are the life styles of men and women converging or polarizing Do men and women place the same value on family life Do most mothers want to work full time while their children are young Are families strengthened by a sense of differentiation and interdependence between the sexes Does social policy need to recognize sexual differences in order to maximize social equality The contributors represent a wide range of viewpoints but are all involved in analyzing and influencing public attitudes in this area They include Carole Pateman Roger Scruton Ruth Lister Fay Weldon Michael Young and Barbara Cartland among others *Rewriting the Sexual Contract* examines issues pertinent to the current social and political culture and will be of interest to sociologists gender studies scholars and political theorists Geoff Dench is a senior research fellow at the Institute of Community Studies and a visiting professor at Middlesex University He is the author of *Transforming Men and Minorities in the Open Society Prisoners of Ambivalence* Provided by publisher      *Our Generation*, 1992      **Good Sex** Raymond A. Belliotti, 1993 Rules about sexuality written and unwritten have existed in every culture as have disagreements over what is and isn't acceptable Must morally permissible sex have only one function Must it be heterosexual Must it occur within the confines of the institution of marriage Must it be accompanied by requisite emotions such as love and intimacy      The Law of Contracts William Herbert Page, 1922
