Sexual Detours The Startling Truth Behind Love Lust And Infidelity:

Sexual Detours Holly Hein, 2001-04-10 With insight and sensitivity Dr Holly Hein leads on a voyage of discovery that explores the true meaning behind our sexual detours She shows us why we do it how we do it and what to do about it Dr Hein clarifies why an affair reveals more about ourselves than about our sex lives why it is more about the chemistry of escape than about sexual lightning And ultimately she explains why an affair is more about the betrayal of the self than it is about breaking marriage vows This book is for anyone who has ever been beguiled by the idea of romance entangled in a clandestine relationship devastated by betrayal forced to recover from loss or even simply hoped to find love and happiness In short everyone

Cheating on the Sisterhood Lauren Rosewarne, 2009-05-14 Drawing on the author's own experience as the other woman in an affair with an otherwise committed man this contemporary feminist study is the first to label the role of the two timing male as sexual terrorist Cheating on the Sisterhood Infidelity and Feminism is a feminist analysis of the imbroglio of sexual politics brute sociobiology and pop mediated passion that is conjured up when a married man cheats on his wife with a younger single woman Drawing frankly on her own experience as the other woman Lauren Rosewarne scrutinizes the alternate readings of the politics of cheating in terms of feminism's program of gender equality Arguing that contemporary feminism does not automatically endorse or reject any particular choices she shows what happens when all three parties to the classic triangle happen to be feminists each trotting out a different set of feminist arguments to justify vilify and rationalize his or her actions Is the other woman this book asks just a tool of the cheating man's assertion of gender dominance over both his mate and his mistress and a willy nilly a traitor to the sisterhood

Glamour, 2001 **Sexual Detours** Holly Hein, 2000-04-01 The Startling Truth Behind Love Lust and Infidelity At long last we have a book about affairs that is not about blame Sexual Detours offers an illuminating and powerful portrait of the human psyche that sheds light on the hidden dark recesses of the world of infidelity Its striking and metaphorical language unravels the secrets behind affairs This book is for anyone who has ever been enchanted and beguiled by the idea of a romance entangled in a clandestine relationship devastated by betrayal recovering from loss or even simply hoping to find love and happiness In short everyone We've all thought about having an affair Who hasn't wondered what it would be like to have a relationship with that special person right next door in the other office or just around the corner We all crave ecstasy obsession excitement and romance And we all find intimacy and elusive chimera slipping from our grasp Sometimes we look for solace in the arms of a lover and seek a romantic exit on the highway of our lives as we struggle with our dreams and wishes fears and realities With insight and sensitivity Dr Holly Hein leads us on a voyage of discovery that explores the true meaning behind our sexual detours She shows us why we do it How we do it And what to do about it Dr Hein clarifies that an affair reveals more about our selves than about our sex lives it is more about the chemistry of escape than about sexual lightning And ultimately an affair is more about the betrayal of the self than it is about breaking marriage vows Every affair has a cover story and carries a secret

message written in code it is as unique as a fingerprint Dr Hein explains how to decipher the hidden code and to interpret the true message behind the cover story repairing the cables of communication and translating the language of the inner world Vivid case histories illustrate how unrecognized unexpressed needs often surface in disguise leading us to take flight and reject what our partner symbolizes as we seek escape in the fantasy of a tryst Dr Hein illustrates how an affair conceals the real issues showing us how to recognize this and tells us what steps to take in order to have more rewarding intimate relationships Sexual Detours is a beacon to all who have been touched by the anguish denial resentment guilt and shame of an affair encouraging us to emerge from the pain of infidelity and create a self awareness that will forge the bonds of a lasting intimacy

Our Cheating Hearts Kate Figes,2013-07-16 Most of us manage to be monogamous most of the time But most of us also know that adultery is the crime we could imagine ourselves committing But does being faithful mean the same to everyone Why DO people have affairs Using real life testimony from those who have cheated and those who have been cheated on alongside the most up to date research this book looks at the big questions around love and commitment Kate Figes shows how in our progressive times monogamy has become the new ideal Absolute fidelity in sexual love above all now stands as the primary symbol of commitment But that has created new problems increasing the allure of the affair exacerbating the need for deceit making trust harder and

highlighting the shame and the wounds of betrayal This book lifts the taboos asks the tough questions suggests that we can survive an affair and that it can lead to a better understanding of ourselves and our relationships Monogamy is possible and many couples manage it either throughout their relationship or for long periods of time But for the countless others a more honest and humane public debate around the subject of infidelity is essential Our Cheating Hearts by the author known and respected for charting the emotional territory of relationships is that book **Surprised By Love** Jay Kent-Ferraro, Julie Kent-Ferraro, 2011-05-01 In compelling prose readers are drawn into an intimate encounter with the harsh realities of infidelity of how and why it occurs and led transparently through a pathway of awakening Decisions are made to change and recreate and ultimately a transformation of a broken marriage ending in divorce becomes a new relationship Readers are inspired with hope and possibility Life altering truths about love and modern marriage including the gifts and hidden dangers are explored This is anchored in the compelling story of two people who choose to triumph over their individual and relationship failures Plus a step by step guide to dealing with infidelity and restoring a relationship completes this tale of love lost and love restored **The Other Side of Infidelity** Jenifer Bromberek, 2010 Infidelity Willaferd, 2017-10-08 Everyone lust for love They want the affection and passion that comes with it Then there s the lust The want for something you cannot have It creates the infidelity *Infidelity* Ann Pearlman, 2001 Infidelity is a powerful unflinchingly honest memoir of adultery s effect on three generations of a family and the author s vain hope that she had ended the cycle **Everything You've Been Told about Love, Sex and Marriage is B.S.** Absolutely Positive Pty Ltd, Frank Lee, 2019-05-27 Why do people cheat when they are in a happy marriage If you have seen a happy couple break up or you have broken up with someone over cheating you have probably asked the same question If you or your partner have a high sex drive all high achievers do it is almost inevitable that infidelity will become a reality at some time in your marriage You can ignore that let it destroy your life or you can learn to manage it Although this book talks a lot about sex it s not about sex It s about managing sex in this modern world so sex can never ruin a perfectly happy marriage The couple who wrote this have experienced over 20 years of sexual adventures and enjoyed a very happy marriage by managing their sexuality in a discrete and respectful way No one can guarantee they will stay together forever but this couple can guarantee there is no chance of them ever breaking up over their sex lives can you
