**Real-Time Problem Solving in Schools** Benjamin Piltch,Terrence Quinn,2006-05-11 Parents lawmakers supervisors and unions are among the many constituencies that demand influence if not control of the educational process How does the school administrator balance all the needs of the various groups and still remain true to the ultimate though most powerless constituency the students Through case studies and anecdotes based on real life experiences the authors share the ups and downs of the educational world seeking to find the balance that is most effective in ensuring success Real Time Problem Solving in Schools details decision making and actions taken that dramatically affect the success of students and schools as well as school systems Includes A variety of appropriate responses to crises and typical demands of educators Realistic policies and procedures of successful educators

Real Time Problem Solving in Schools is written for the reader who is interested in understanding the current issues and problems in education All those seeking to ascertain how the decision making process functions in today s schools will find this book informative and beneficial     **Tell** ,2005     **Sexual Harassment in Our Schools** Robert J. Shoop,Jack W. Hayhow,1994 Many communities have difficulty facing the issue of sexual harassment in the schools This timely book can help you take the steps necessary to educate everyone involved and create a plan for change Drawing on recent research and the expertise of an educational law specialist it probes the extent causes and consequences of sexual harassment and suggests specific action concerned parents and educators can take to mobilize public opinion and initiate change at the policy level Readers will find a wealth of specific information and resources responsibilities of schools and teachers under current law policies and procedures school districts should have in place procedures for investigating a complaint what victims of harassment should and should not do 5 steps parents can take to eliminate harassment 7 recommendations for developing an effective sexual harassment program and examples of programs for change that are working     Preventing Child Sexual Abuse ,2005     ABA Juvenile & Child Welfare Law Reporter ,1995     **Within Our Reach** Christine Anne Ateah,Janet Mirwaldt,2004 The papers in this collection examine specific issues of violence across the lifespan from early childhood until late adulthood     *Prentice Hall Human Sexuality* ,1997     **How to Stop Sexual Harassment in Our Schools** Robert J. Shoop,Debra L. Edwards,1994 How Serious Is the Problem Unfortunately some educators still think sexual harassment is not a real problem for their students To counter this view the authors include information from recent surveys in which 4 out of 5 students reported that they have been the target of some form of sexual harassment during their school lives Of those students one in four reported being targeted often These victims often feel helpless and hopeless many carefully plan their activities in order to avoid their harassers Surprisingly much of the harassment students experience is initiated by other students in high school junior high and middle schools even in elementary schools including the lower grades That s why the authors believe it s critically important for every school district to have a formal plan for eradicating sexual harassment     **Handbook of Schooling in Urban America** Stanley Rothstein,1993-10-30 American schools in urban areas have received much attention This reference offers a comprehensive look at the issues and controversies at the heart of urban American education The volume is divided into several parts devoted to historical political and social dimensions of urban schooling The chapters in each part are authored by expert contributors and each offers a fresh perspective on historical and contemporary concerns The volume considers the place of schools in urban society and analyzes their mission and how they have changed or failed to change to meet modern needs Much of the work is devoted to the problems of particular populations such as minorities and special needs students while other chapters examine broad pedagogical issues and the societal problems that confront students of all backgrounds and abilities Each chapter closes with a list of works for further reading and the volume concludes with a bibliography     *Stop It!* Maren Bodenstein,2002
