Sexual Honesty Shere Hite,1982 **Sexual Honesty** Shere Hite,1974 Sexual Honesty by Women for Women ,1974

The Hite Report Shere Hite,2011-01-04 A reproduction of the classic text unavailable now for more than a decade with a new introduction by the author The Hite Report first published in 1976 was a sexual revolution in six hundred pages To answer sensitive questions dealing with the most intimate details of women s sexuality Hite s innovation was simple she asked women a lot of them everything and published the results One hundred thousand women ages fourteen to seventy eight were asked what they do and don t like about sex how orgasm really feels with and without intercourse how it feels not to have an orgasm during sex the importance of clitoral stimulation and masturbation and to name the greatest pleasures and frustrations of their sexual lives among many other questions The Hite Report declares that orgasm is easy and strong for women given the right stimulation that most women have orgasm most easily during masturbation or clitoral stimulation by hand that sex as we define it is a cultural institution not a biological one and that attitudes must change to include the stimulation women desire **For Women Only!** Gary Null,Barbara Seaman,2001 Both a reference work and a health guide

For Women Only joins together hands on advice from the country s leading alternative health practitioners with essays interviews and commentary by leading thinkers activists writers doctors and sociologists Contributors include the Boston Women s Health Book Collective Phyllis Chesler Angela Davis Charlotte Perkins Gilman the National Black Women s Health Project Gloria Steinem Sojourner Truth and Naomi Wolf among many others **Voices of the Women's Health**

Movement, Volume 2 Barbara Seaman,Laura Eldridge,2012-02-14 An unprecedented and definitive collection of rabble rousing writings on women s health Voices of the Women s Health Movement explores a range of provocative topics from reproductive rights to sexuality to motherhood Trail blazing advocate Barbara Seaman and health activist Laura Eldridge bring the revolutionary ideas of several generations together in this powerful new book celebrating women s bodies and women s voices The more than two hundred contributors include Jennifer Baumgardner Susan Brownmiller Phyllis Chesler Angela Y Davis Barbara Ehrenreich Germaine Greer Shulamith Firestone Charlotte Perkins Gilman Erica Jong Molly Haskell Shere Hite Susie Orbach Judith Rossner Alix Kates Shulman Gloria Steinem Sojourner Truth Rebecca Walker Naomi Wolf and many others With Voices of the Women s Health Movement for the first time every woman and girl can experience in one place the powerful history of stirring words and strong female perspectives that have inspired countless women to take control of their health and their lives Volume Two highlights include influential writings on sex rape and violence against women body image informed consent self help gynecology patient advocacy and the mind body connection *God's Word and Sex* G. Nelson,2007-10 God designed marriage to be a lifetime of joy and adventures When ones marriage is balanced in love and great sex the years will fly by and divorce is not an option Gods Word and Sex can help readers create an ambiance in marriage that will satisfy a couples needs for a lifetime Practical Life **The Female Body in Western Culture** Susan

Rubin Suleiman, 1986 The female body has occupied a central place in the Western imagination its images pervading poetry and story mythology and religious doctrine the visual arts and scientific treatises It has inspired both attraction and fear been perceived as beautiful and unclean alluring and dangerous a source of pleasure and nurturing but also a source of evil and destruction In *The Female Body in Western Culture* twenty three internationally noted scholars and critics in specially commissioned essays explore these representations and their consequences for contemporary art and culture Ranging from Genesis to Gertrude Stein and Angela Carter from ancient Greek ritual to the Victorian sleeping cure from images of the Madonna to modern film and Surrealist art the essays cover a wide spectrum of approaches and subject matter They all converge however around questions of power and powerlessness voice and silence subjecthood and objectification And they point the way to the new possibilities and displacements of traditional male female oppositions Androgyny in a new key This book demonstrates that a blurring of gender boundaries does not have to deny difference **If I Lose Mine Honor, I Lose Myself** Courtney Erin Thomas, 2017-01-01 Courtney Thomas offers an intriguing investigation of honour's social meanings amongst early modern elites in sixteenth and seventeenth century England *Passionate and Pious* Monique Moultrie, 2017-12-11 In *Passionate and Pious* Monique Moultrie explores the impact of faith based sexual ministries on black women's sexual agency to trace how these women navigate sexuality religious authority and their spiritual walk with God Providing churchwomen a space to candidly discuss these issues these popular ministries exist largely beyond the traditional church with dialogues about sex taking place in chat rooms and through text messages social media email and other media Moultrie foregrounds televangelist Juanita Bynum's construction of the black Christian sexual identity these ministries promote while emphasizing how churchwomen reconcile these prescriptive identities with their individual experiences What does it mean for senior women to exercise sexual agency when their church standing could be questioned What does celibacy mean for women who experience same sex desire while believing that such desire goes against God's will Advancing a womanist sexual ethics Moultrie reframes biblical interpretations and conceptions of what constitutes a healthy relationship to provide a basis for sexual decision making that does not privilege monogamy or deny female pleasure thereby calling on black churchwomen to experience responsible and life enhancing sex **Queer and Indecent** Thia Cooper, 2021-03-31 The work of Marcella Maria Althaus Reid is both groundbreaking and notoriously difficult to read as it blends theories from post colonial studies queer studies gender and sexuality studies and feminist and liberation theologies Offering a much needed introduction to the work of the theologian *Queer and Indecent* shows the development of Althaus Reid's core concepts indigeneity economic oppression the body indecency heterosexuality and sex as well as setting her life in context with an overview of her stance on feminist teaching and activism and her critique of Latin American liberation theology Designed to introduce a new generation to her work the book serves as both an indispensable guidebook and a launchpad for students to explore her extraordinary writing for themselves Ill Composed Olivia Weisser, 2015-01-01 In the first in depth study of

how gender determined perceptions and experiences of illness in early modern England Olivia Weissner invites readers into the lives and imaginations of ordinary seventeenth and eighteenth century Britons Drawing on a wide range of sources including personal diaries medical texts and devotional literature this unique cultural history enters the sickrooms of a diverse sampling of men and women from a struggling Manchester wigmaker to the diarist Samuel Pepys The resulting stories of sickness offer unprecedented insight into what it was like to live suffer and inhabit a body in England more than three centuries ago

Sex, Violence and Crime Adrian Howe,2009-01-21 What happens when you sex violent crimes More specifically what happens when you make men s violence against women the subject of a conversation or the focus of scholarly attention The short answer is all hell breaks loose Adrian Howe explores some of the ways in which this persistent and pervasive form of violence has been named and unnamed as a significant social problem in western countries over the past four decades Addressing what she calls the Man question so named because it pays attention to the discursive place occupied or more usually vacated by men in accounts of their violence against women she explores what happens when that violence is placed on the criminological and political agenda Written in a theoretically informed yet accessible style Sex Violence and Crime Foucault and the Man Question provides a novel and highly original approach to questions of sex and violence in contemporary western society Directed at criminologists students and more widely at anyone interested in these issues it challenges readers to come to grips with postmodern feminist reconceptualisations of the fraught relationship between sex violence and crime in order to better combat men s violence against women and children

When Private Talk Goes Public Kathleen Feeley,Jennifer Frost,2014-08-06 Gossip is one of the most common and most condemned forms of discourse in which we engage even as it is often absorbing and socially significant it is also widely denigrated This volume examines fascinating moments in the history of gossip in America from witchcraft trials to People magazine helping us to see the subject with new eyes

Good Wives, Nasty Wenches, and Anxious Patriarchs Kathleen M. Brown,2012-12-01 Kathleen Brown examines the origins of racism and slavery in British North America from the perspective of gender Both a basic social relationship and a model for other social hierarchies gender helped determine the construction of racial categories and the institution of slavery in Virginia But the rise of racial slavery also transformed gender relations including ideals of masculinity In response to the presence of Indians the shortage of labor and the insecurity of social rank Virginia s colonial government tried to reinforce its authority by regulating the labor and sexuality of English servants and by making legal distinctions between English and African women This practice along with making slavery hereditary through the mother contributed to the cultural shift whereby women of African descent assumed from lower class English women both the burden of fieldwork and the stigma of moral corruption Brown s analysis extends through Bacon s Rebellion in 1676 an important juncture in consolidating the colony s white male public culture and into the eighteenth century She demonstrates that despite elite planters dominance wives children free people of color and enslaved men and women continued to

influence the meaning of race and class in colonial Virginia *Embracing Disruptive Coherence* Kathleen T. Talvacchia, 2019-04-18 Does anyone need to come out anymore Queer theory has challenged the idea of coming out as problematic for its false binary and essentialized version of identity If gender is a socially constructed performativity then what does coming out mean At the same time we live in a society that still struggles with structures of power that define what is considered normal and sanctions those who transgress The intersectionality of gender with race class ethnicity nationality abilities religion age and other positional markers challenge a simplified belief that coming out is not necessary Therefore in the lived experience of many persons coming out still matters This book initiates a different theological conversation about coming out It argues that rather than the declaration of an identity category coming out can be understood as the erotic ethical practice of truth telling The formation of conscience and moral integrity embody the two pillars of this erotic practice Coming out understood as disruptive coherence is the erotic ethical practice of truth telling grounded in our deepest desires to be known authentically in community **Accounting for Oneself** Alexandra Shepard, 2015 A fundamentally new account of the social order in early modern England the first study to fully incorporate women to offer comprehensive coverage of the range of social groups from the gentry to the labouring poor and across the life cycle and to represent regional variation **Art of Making A Man Chase You** Salim Khan Anmol, 2016-01-15 The Art of Making A Man Chase You How to Make Him Chase You Definitive Guide Are you looking for ways to make him chase you You have come to the right place This is a no holds barred no BS guide on psychological triggers and science proven ways to make men chase you How To Make Him Chase You These techniques are designed to make men chase Many of them also work on women though So sometimes you will see examples of men using these techniques on women It s all good the dynamics are the same So let s start 1 Deny Him First People want what they can t have And women have been unconsciously knowing and using this physiological trigger long before Cialdini codified it in his seminal book Influence Indeed when you deny him you shake him from the foundation of his ego Many men at that point will want to prove you wrong and show you how good he actually is And the chase begins Example Aurora in Terms of Endearment uses this technique with her body language She denies him without even uttering a single word the moment she starts walking away Risks of This Technique Quite simply he might not pursue you again Some men are proud and have a big ego and not only they might stop chasing you but they might actually actively dislike you Men who dislike you still keep chasing you but more from a position of I ll bang her just to show her than disappear Some other high quality men are just too busy to chase and they prefer focusing on women who are into them and women who play fewer games Also this technique works best when men outnumber women in quality and or quantity But that is not the case in the West these days Keywords Psychology Modern Books History Relationship Religion How To Scarry Horror Books Short Stories Free Costs Inspiring Motivational Quotations Free online Books Sex Surveyed, 1949-1994 Liz Stanley, 2014-10-13 First published in 1995 This book

provides the only feminist overview of the development of both the mainstream and the feminist variant of the survey as a means of investigating sexual attitude and behaviour Illuminating reading for the general reader essential for students on Sexuality Methodology Women s Studies a d British Modern Social History courses and key text for all Sociologists
