*Sexual Life Between Blacks and Whites* Beth Day Romulo, 1972      *Love Between Black & White* Feng Qi, 2020-06-01

Ever since he had successfully accepted Black Impermanence's job Xie Liao's daily life had changed to chasing after ghosts with his own good brothers making soup with Grandma Meng playing mahjong with Ox Head and Horse Face and then discussing the salary increase with King Yan Life seems a little boring why don't you find someone to fall in love with      *Sex, Love, Race* Martha Hodes, 1999 Since the colonial era North America has been defined and continually redefined by the intersections of sex violence and love across racial boundaries Motivated by conquest economics desire and romance such crossings have profoundly affected American society by disturbing dominant ideas about race and sexuality *Sex Love Race* provides a historical foundation for contemporary discussions of sex across racial lines which despite the numbers of interracial marriages and multi racial children remains a controversial issue today The first historical anthology to focus solely and widely on the subject *Sex Love Race* gathers new essays by both younger and well known scholars which probe why and how sex across racial boundaries has so threatened Americans of all colors and classes Traversing the whole of American history from liaisons among Indians Europeans and Africans to twentieth century social scientists fascination with sex between Asian Americans and whites the essays cover a range of regions and of racial ethnic and sexual identities in North America Back cover      *Sexual life between blacks and whites* Beth Day, 1972      **Empire and sexuality** Ronald Hyam, 2017-03-01 Established in the belief that imperialism as a cultural phenomenon had as significant an effect on the dominant as it did on the subordinate societies the *Studies in Imperialism* series seeks to develop the new socio cultural approach which has emerged through cross disciplinary work on popular culture media studies art history the study of education and religion sports history and children's literature The cultural emphasis embraces studies of migration and race while the older political and constitutional economic and military concerns are never far away It incorporates comparative work on European and American empire building with the chronological focus primarily though not exclusively on the 19th and 20th centuries when these cultural exchanges were most powerfully at work This work explores the sexual attitudes and activities of those who ran the British Empire The study explains the pervasive importance of sexuality in the Victorian Empire both for individuals and as a general dynamic in the working of the system Among the topics included in the book are prostitution the manners and mores of missionaries and aspects of race in sexual behaviour      *Civil Rights Digest* , 1974

*Sex and Manners* Cas Wouters, 2004-09-01 This is a highly original and in many ways brilliant text It is a model of how historical process sociological research ought to be conducted and written up The author's subtle blending of theory and data is outstanding Eric Dunning Professor of Sociology University of Leicester Wouters has written a book both broad in scope and deep in analytic reach Exploring changes in courtship norms over the last century in English Dutch German and American books of manners he discovers changes which confirm the theory of informalization Relations between the sexes

are he shows us less regulated from outside and more from inside This change calls paradoxically for both an emancipation of emotion and an ever sharper cultural eye on ways of managing emotion The book carries Elias s classic *The Civilizing Process* one giant step further An important contribution and a fascinating read Arlie Russell Hochschild University of California This dazzling book examines changes in American Dutch English and German manners regarding the changing relationships between men and women From the disappearance of rules for chaperonage and the rise of new codes for courting dates public dances and the work place it shows how women have become their own chaperone by gaining the rights to pay for themselves to have a job and be a sexual subject This original and thought provoking book provides empirical evidence showing how younger generations removed their courting from under parental wings and how the balance of power between the sexes shifted in women s favour monitors changes in codes regarding sexuality by focusing on the balance between the desire for sexual gratification and the longing for enduring intimacy documents the balance of controls over sexual impulses and emotions shifting from external social controls to internal ones compares nationally different trends particularly between the USA and Europe focusing on the American dating system and its resulting double standards argues that the initial greater freedom of American women has turned into a deficit Cas Wouters teaches Sociology at Utrecht University

**Sex and Sexuality in Early America** Merrill D. Smith, 1998-09 What role did sexual assault play in the conquest of America How did American attitudes toward female sexuality evolve and how was sexuality regulated in the early Republic Sex and sexuality have always been the subject of much attention both scholarly and popular Yet accounts of the early years of the United States tend to overlook the importance of their influence on the shaping of American culture Sex and Sexuality in Early America addresses this neglected topic with original research covering a wide spectrum from sexual behavior to sexual perceptions and imagery Focusing on the period between the initial contact of Europeans and Native Americans up to 1800 the essays encompass all of colonial North America including the Caribbean and Spanish territories Challenging previous assumptions these essays address such topics as rape as a tool of conquest perceptions and responses to Native American sexuality fornication bastardy celibacy and religion in colonial New England gendered speech in captivity narratives representations of masculinity in eighteenth century seduction tales the sexual cosmos of a southern planter and sexual transgression and madness in early American fiction The contributors include Stephanie Wood Gordon Sayre Steven Neuwirth Else L Hambleton Erik R Seeman Richard Godbeer Trevor Burnard Natalie A Zacek Wayne Bodle Heather Smyth Rodney Hessinger and Karen A Weyler

culture throughout our history Intimate Matters was cited by Supreme Court Justice Anthony Kennedy when writing for a majority of court on July 26 he and his colleagues struck down a Texas law criminalizing sodomy The decision was widely hailed as a victory for gay rights The justice mentioned Intimate Matters specifically in the court's decision Chicago Tribune With comprehensiveness and care D Emilio and Freedman have surveyed the sexual patterns for an entire nation across four centuries Nation Comprehensive meticulous and intelligent Washington Post Book World This book is remarkable Intimate Matters is bound to become the definitive survey of American sexual history for years to come Roy Porter Journal of the History of the Behavioral Sciences

**Exploring Black Sexuality** Robert Staples, 2006-04-27 In this pioneering nonobjective study a distinguished Black sexologist tackles one of the most controversial aspects of American race relations The subject of Black sexuality has been widely discussed in every possible popular format for the past four hundred years yet serious scholarship in the area is lacking While Black sexuality has been a pervasive force in American life it has been too sensitive a topic for Black or white authors to write about in a serious non polemical format Robert Staples explores same sex attitudes and behavior interracial sexual relations rape prostitution pornography and the stereotypes of Black sexual superiority in this scholarly yet accessible collection Staples shows how vaunted and feared sexual differences were the *raison d'être* of Southern school segregation race based laws white flight from the inner cities the double sexual standard lynchings and race riots This groundbreaking study concludes with a speculation on the future of Black sexuality in the 21st century based on our knowledge of current demographic and economic forces
