Sexual Shakedown:

Sexual Shakedown Lin Farley, 1978 **How Harvard Rules** John Trumbour, 1989 A collection of essays on Harvard arranged in six sections Three major themes pervade the book the myth of Harvard's independence the myth of Harvard as a liberal left institution and Harvard's contribution to ethno centrism and the superiority of the West *Making Rights Real* Charles R. Epp, 2010-02-15 It's a common complaint the United States is overrun by rules and procedures that shackle professional judgment have no valid purpose and serve only to appease courts and lawyers Charles R Epp argues however that few Americans would want to return to an era without these legalistic policies which in the 1970s helped bring recalcitrant bureaucracies into line with a growing national commitment to civil rights and individual dignity Focusing on three disparate policy areas workplace sexual harassment playground safety and police brutality in both the United States and the United Kingdom Epp explains how activists and professionals used legal liability lawsuit generated publicity and innovative managerial ideas to pursue the implementation of new rights Together these strategies resulted in frameworks designed to make institutions accountable through intricate rules employee training and managerial oversight Explaining how these practices became ubiquitous across bureaucratic organizations Epp casts today's legalistic state in an entirely new light Sex and the Office Julie Berebitsky, 2012-03-27 In this engaging book the first to historicize our understanding of sexual harassment in the workplace Julie Berebitsky explores how Americans attitudes toward sexuality and gender in the office have changed from the 1860s when women first took jobs as clerks in the U S Treasury office to the present Berebitsky recounts the actual experiences of female and male office workers draws on archival sources ranging from the records of investigators looking for waste in government offices during World War II to the personal papers of Cosmopolitan editor Helen Gurley Brown and Ms magazine founder Gloria Steinem and explores how popular sources including cartoons advertisements advice guides and a wide array of fictional accounts have represented wanted and unwelcome romantic and sexual advances By giving sex in the office a history she provides valuable insights into the nature and meaning of sexual harassment today **What Is Sexual Harassment?** Abigail Saguy, 2003-08-13 In France a common notion is that the shared interests of graduate students and their professors could lead to intimate sexual relations and that regulations curtailing those relationships would be both futile and counterproductive By contrast many universities and corporations in the United States prohibit sexual relationships across hierarchical lines and sometimes among coworkers arguing that these liaisons should have no place in the workplace In this age of globalization how do cultural and legal nuances translate And when they differ how are their subtleties and complexities understood In comparing how sexual harassment a concept that first emerged in 1975 has been defined differently in France and the United States Abigail Saguy explores not only the social problem of sexual harassment but also the broader cultural concerns of cross national differences and similarities **Sexual Shakedown** Lin Farley, 1980 **Heterophobia** Daphne Patai, 2000-06-28 Once confident in the potential of feminism to

create a more equitable and just society Daphne Patai persuasively demonstrates in *Heterophobia* how the efforts of some feminists members of what she calls the sexual harassment industry have created an environment that stifles healthy and natural interactions between the sexes The tremendous growth of sexual harassment legislation represents feminism's greatest contemporary success but this victory has dubious consequences a world where kindergarten boys face legal action for kissing female classmates and men are sued by coworkers for offenses such as unwanted hugs uninvited compliments or glances that last too long *Oversight Hearings on Equal Employment Opportunity and Affirmative Action* United States Congress. House. Committee on Education and Labor. Subcommittee on Employment Opportunities, 1982
