Sexual Values:

Values in Sex Education J. Mark Halstead, Michael Jonathan Reiss, 2003 An accessible yet authoritative book situating sex education both in the primary and secondary school within the current focus on values and citizenship

Invented Moralities Jeffrey Weeks, 1995 At the core of the ongoing debate over values is the issue of sexuality Indeed when conservative politicians invoke the notion of family values they imply a range of ideals centered around the limitation of sexual freedom Sex and morality have become hot topics in this age of widespread uncertainty about the location of right and wrong In *Invented Moralities* renowned scholar Jeffrey Weeks explores the clashes over sexual values that characterize these contemporary debates Working from what he calls a radical humanist perspective Weeks looks at sexual mores in these times of confusion from AIDS and the challenges of love and death to the politics of diversity to controversial topics such as sadomasochism rape and abortion rights *Invented Moralities* asks us to move beyond the narrow focus on right and wrong sexual behavior and instead turn our attention to the ethics of how we engage with the shifting landscapes of sexuality As Weeks puts it we need to develop an ethic of relationships not a morality of sex acts As a point of entry into the debate on values *Invented Moralities* presents an imperative for the contemporary Left In an even broader sense this important work offers a celebration of individual freedom and the rich diversity of human goals

Dating and Sexuality in America Jeffrey S. Turner, 2003-11-04 A highly informative account of trends concepts and problems related to dating and sexuality in the United States along with thought provoking coverage of today's most important issues and controversies A history of dating and sexuality illuminates new trends and problems that were absent just a few decades ago The most important dating and sexuality issues facing teenagers today are explored including solutions and implications for educational intervention The work elucidates how dating unfolds and how sexual attitudes and behaviors impact intimacy Valuable information about organizations and individuals as well as print and electronic resources are included in this authoritative work

Person and Value Grzegorz Ignatik, 2021-04-30 *Person and Value* Karol Wojtyla's Personalistic and Normative Theory of Man Morality and Love discusses the central themes of Karol Wojtyla's personalistic teaching in a concise yet comprehensive manner Grzegorz Ignatik presents a philosophical understanding of the human person and human action that conforms with the phenomenological and metaphysical methodologies used by Wojtyla himself This book pays special attention to Wojtyla's phenomenological insights concerning the significance of value for human life Ignatik's reflections are based on his extensive research of original texts published and yet unpublished written by Karol Wojtyla in his original tongue Polish By returning to and rediscovering the original sources *Person and Value* provides a fresh and profound engagement with the anthropological and ethical thought of the future Pope John Paul II Written for all who wish to encounter one of the most illustrious minds of the twentieth century this book will be an indispensable key to reading his works

Handbook of Sexuality-Related Measures Clive M. Davis, 1998 Fundamental to understanding human sexual expression is reliable and valid measurement

and assessment Many instruments have been developed to measure a myriad of sexuality related states traits behaviours and outcomes Few are easily accessible and the information is often limited concerning appropriate use and psychometric properties To counter these problems the Handbook of Sexuality Related Measures reproduces more than 200 instruments accompanied by essential information for their use in research educational and clinical settings Each chapter describes the development and appropriate use of each instrument Reliability and validity data are summarized and referenced

Human Sexuality Vern L. Bullough, Bonnie Bullough, 2014-01-14 First Published in 1994 The purpose of an encyclopedia is to gather in one place information that otherwise would be difficult to find Bring together a collection of articles that are authoritative and reflect a variety of viewpoints The contributors come from a wide range of disciplines from nursing to medicine from biology to history and include sociologists psychologists anthropologists political scientists literary specialists academics and non academics clinicians and teachers researchers and generalists *Sexuality and Medicine* E.E. Shelp, 2012-12-06 It may be unnecessary to some to publish a text on sexuality in 1986 since the popular press speaks of the sexual revolution as if it were over and was possibly a mistake Some people characterize society as too sexually obsessed and there is an undercurrent of desire for a return to a supposedly simpler and happier time when sex was not openly discussed displayed taught or even presumed contemplated Indeed we are experiencing something of a backlash against open sexuality and sexual liberation For example during the 60s and 70s tolerance of homosexual persons and homosexuality increased Of late there has been a conservative backlash against gay rights laws Sexual intercourse before marriage which had been considered healthy and good has been of late characterized as promiscuous In fact numerous articles have appeared about the growing popularity of sexual abstinence There is a renewed vigor in the fight against sex education in the schools and an anti pornography battle being waged by those on the right and those on the left who organize under the guise of such worthy goals as deterring child abuse and rape but who are basically uncomfortable with diverse expressions of sexuality One would hope that such trends and the ignorance about sex and sexuality that they reflect would not touch medical professionals That Dr **This Is Supposed to Be Fun** Myisha Battle, 2023-01-24 A certified clinical sexologist s radically inclusive guide to sex and dating Swipe Match Get ghosted Repeat Modern dating can quickly start to feel like an overwhelming slog It s easy to forget the point of it all this is supposed to be fun Enter professional sex and dating coach Myisha Battle Drawing on an engaging and diverse collection of client stories This Is Supposed to Be Fun is a uniquely inclusive sex positive guide to help you skip past the games and get what you really want out of dating and relationships no matter what that may be Whether you re trying to create the perfectly imperfect dating profile stay true to your authentic self on dates match with people interested in kink or break up with compassion Battle s friendly proven advice is indispensable This Is Supposed to Be Fun will help make the world of dating and relationships more enjoyable and bearable for everyone **Human Sexuality** Eric Golanty, Gordon Edlin, 2011-03-02 Human Sexuality The Basics presents the core

information underlying the vast subject of human sexuality in a concise no frills manner that is easy for students to read and comprehend Emphasis on the biological basis of sexuality provides students with a structure to understand the important aspects of sexuality presented in other chapters This approach also provides the basis for encouraging tolerance acceptance and understanding of different sexual preferences and behaviors Critical thinking questions at the end of each chapter along with learning objectives summaries and definitions of terms facilitate learning for students Book Jacket

Sexuality in Emerging Adulthood Elizabeth M. Morgan, Manfred H. M. Van Dulmen, 2021 *Sexuality in Emerging Adulthood* provides a comprehensive overview of sexuality at the stage straddling adolescence and adulthood Accompanying seven of the chapters in the volume are brief scientific reports offering new related research The volume also contains four method tutorials that discuss topics in sex research such as ethical considerations recruitment and incentive strategies and identity affirming methods

Sexuality Education Elizabeth Schroeder, Judy Kuriansky, 2009-04-30 An exemplary team of professionals provides a comprehensive look at sex education the heated debate over federal controls current research and practice programs politics legislation and cultural and religious issues related to sex and sexuality education In the groundbreaking *Sexuality Education Past Present and Future* the history practices and politics of sexuality education are explained Respected educators counselors and therapists marshal both research and educated opinion to offer insights into exactly what is meant by sex education what the various approaches are what age appropriate lessons are supported by most professionals and the impact of government policies Noting that the need for sexuality education has expanded to adults from new parents to senior citizens this unique work also takes readers into classrooms and makes them privy to conversations representing everyone from elementary school students to nursing home residents These comments reveal the range of unanswered questions about sex questions

that are important for psychological as well as physical health In addition the contributors explore ongoing issues in sexuality education such as how to present culturally competent lessons that include consideration of race ethnicity gender religion and sexual orientation The experts also examine sexuality education in other countries the challenges those countries face and their victories over unplanned pregnancy and STDs in the global effort to preserve sexual health **Ebony**, 1973-08 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine Have Sexual Values Changed in America? David L. Bender, 1989 Treatment Interventions in Human Sexuality Carol Nadelson, 2012-12-06 Despite much progress in the past ten years American medical schools have woefully inadequate sex education curricula While some have a reasonable amount of lecture time few have clinical opportunities for students to develop practical skills in working with patients who are struggling with sexual problems It is my impression that the same is true in medical and gynecological residencies as well as in graduate schools of psychology counseling and social work This book was specifically written to help fill that gap This is a book for clinicians and it will provide a wealth of practical clinical knowledge and skills in dealing with the gamut of patient s sexual concerns problems and dilemmas Twenty four experts have contributed eighteen chapters which address both the common and unusual sexual issues encountered in practice These include sexual concerns from childhood to old age gender identity and sexual preference sexual dysfunction including that of the physically ill and disabled counseling with students premarital marital and divorced patients fertility and infertility and chapters dealing with rape incest and other sexual contacts between adults and children Of particular importance are chapters on human sexuality in American minority populations a chapter on alcohol medication and other drugs and a chapter on medical management of sexual problems in the gay population a subject long ignored by the profession The focus on practical intervention and skill development is amplified by the concluding four appendixes devoted to patient management problems *Objection* Debra Lieberman, Carlton Patrick, 2018-07-03 Why do we consider incest wrong even when it occurs between consenting adults unable to have children Why are words that gross us out more likely to be deemed obscene and denied the protection of the First Amendment In a world where a gruesome photograph can decisively influence a jury and homosexual behavior is still condemned by some as unnatural it is worth asking is our legal system really governed by the power of reason Or do we allow a primitive human emotion disgust to guide us in our lawmaking In *Objection* psychologists Debra Lieberman and Carlton Patrick examine disgust and its impact on the legal system to show why the things that we find stomach turning so often become the things that we render unlawful Shedding light on the evolutionary and psychological origins of disgust the authors reveal how ancient human intuitions about what is safe to eat or touch or who would make an advantageous mate have become co opted by moral systems designed to condemn behavior and identify groups of people ripe for marginalization Over time these moral stances have made their way into legal codes and disgust has thereby served as the impetus for laws against behaviors

almost universally held to be disgusting corpse desecration bestiality and as the implicit justification for more controversial prohibitions homosexuality use of pornography Written with a critical eye on current events Lieberman and Patrick build a case for a more reasoned approach to lawmaking in a system that often confuses gross with wrong **Religious and Sexual Identities** Andrew Kam-Tuck Yip, Sarah-Jane Page, 2016-04-08 Presenting qualitative and quantitative findings on the lived experiences of around seven hundred young adults from Christian Muslim Jewish Hindu Buddhist Sikh and mixed faith backgrounds Religious and Sexual Identities provides an illuminating and nuanced analysis of young adults perceptions and negotiations of their religious sexual youth and gender identities It demonstrates how these young adults creatively construct meanings and social connections as they navigate demanding but exciting spaces in which their multiple identities intersect Accessible quantitative analyses are combined with rich interview and video diary narratives in this theoretically informed exploration of religious and sexual identities in contemporary society A timely investigation revealing the multiplicity of contemporary identities this book will appeal not only to sociologists and scholars of religion but also to those working in the fields of youth studies sexuality gender and identity *Choices in Relationships* David Knox, Caroline Schacht, I. Joyce Chang, 2020-01-07 Cutting edge and student friendly Choices in Relationships takes readers through the lifespan of relationships marriages and families and utilizes research to help them make deliberate informed choices in their interpersonal relationships

Sexual Values Introduction

In today's digital age, the availability of Sexual Values books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sexual Values books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Sexual Values books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Sexual Values versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Sexual Values books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sexual Values books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Sexual Values books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals.

These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Sexual Values books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Sexual Values books and manuals for download and embark on your journey of knowledge?
