Sexual Behavior Problems And Management:

Sexual Behavior Nathaniel McConaghy, 2013-11-21 Many issues remain unresolved in sexuality In some cases this is because the information is not available to resolve them In others it is but the available conclusions the information supports block its acceptance because they conflict with the positions of dominant groups in the politics of sexuality Possibly the most obvious example is the determination of many theorists to ignore the evidence that while men rarely report being sexually assaulted when questioned in community surveys they make up a third of the victims and a quarter of the perpetrators of sexual assault are women These findings are incompatible with the feminist theory that sexual assault is not a sexual act but normal male behavior motivated politically to maintain men's dominance of women Most research supporting the theory investigated women only as victims and men only as aggressors Some feminists have dismissed the need for any research to support their beliefs on the ground that such research is busy work establishing what women already know One belief considered not to require research is that heterosexual pornography made for a male audience increases the prevalence of rape by encouraging rape supportive attitudes of male aggression and female submission No criticism has been directed at the soft core pornography of Mills and Boon stories written for women that promote similar attitudes Human Sexuality and its Problems John Bancroft, 2008-12-29 Prepared by one of the world's leading authorities Human Sexuality and its Problems remains the foremost comprehensive reference in the field Now available in a larger format this classic volume continues to address the neurophysiological psychological and socio cultural aspects of human sexuality and how they interact Fully updated throughout the new edition places a greater emphasis on theory and its role in sex research and draws on the latest global research to review the clinical management of problematic sexuality providing clear practical guidelines for clinical intervention Clearly written this highly accessible volume now includes a new chapter on the role of theory and separate chapters on sexual differentiation and gender identity development transgender and gender non conformity and HIV AIDS and other sexually transmitted diseases Human Sexuality and its Problems fills a gap in the literature for academics interested in human sexuality from an interdisciplinary perspective as well as health professionals involved in the management of sexual problems Long awaited new edition of the definitive reference text on human sexuality Addresses the neurophysiological psychological and socio cultural aspects of human sexuality and how they interact Examines the normal sexual experience and covers the various ways in which sex can be problematic including dysfunctional out of control high risk and illegal sexual behaviour Reviews the clinical management of problematic sexuality and provides clear practical guidelines for clinical intervention Presents a broad cross disciplinary perspective of the subject area making the book suitable for all professionals involved in the field Presents a more theoretical approach to the study of human sexuality reflecting recent changes in research Includes a section on brain imaging to demonstrate the latest research findings in sexual arousal and to compare and contrast individuals with normal and low levels of sexual desire Discusses the use of sex

as a mood regulator and the importance of current research in this area Discusses the impact on the internet on the modern sexual world Explores the relevance of transgender and gender non conformity Contains a chapter on HIV and AIDS and other sexually transmitted infections Chapter on therapy fully updated to reflect the movement towards integration of psychological and pharmacological approaches to management Explores the complex relationships between anger sexual arousal and sexual violence **Developmentally Disabled Persons with Sexual Behavior Problems** Gerry D.

The Perversion of Youth Frank C. DiCataldo, 2009-06-01 Over the past two decades concern about adolescent sex offenders has grown at an astonishing pace garnering heated coverage in the media and providing fodder for television shows like Law Order Americans reaction to such stories has prompted the unquestioned application to adolescents of harsh legal and clinical intervention strategies designed for serious adult offenders with little attention being paid to the psychological maturity of the offender Many strategies being used today to deal with juvenile sex offenders and even to define what criteria to use in defining juvenile sex offender do not have empirical support and Frank C DiCataldo cautions may be doing more harm to children and society than good The Perversion of Youth critiques the current system and its

methods for treating and categorizing juveniles and calls for a major reevaluation of how these cases should be managed in the future Through an analysis of the history of the problem and an empirical review of the literature including specific cases and their outcomes DiCataldo demonstrates that current practices are based more on our collective fears and moral passions than on any supportive science or sound policy Handbook of Child Maltreatment Jill E. Korbin,Richard D.

Krugman,2013-11-26 This Handbook examines core questions still remaining in the field of child maltreatment It addresses major challenges in child maltreatment work starting with the question of what child abuse and neglect is exactly It then goes on to examine why maltreatment occurs and what its consequences are Next it turns to prevention treatment and intervention as well as legal perspectives The book studies the issue from the perspective of the broader international and cross cultural human experience Its aim is to review what is known but even more importantly to examine what remains to be known to make progress in helping abused children their families and their communities Equine Reproduction Angus O.
