Sexual Medicine Karthik Gunasekaran, Shah Dupesh Khan, 2018-09-18 Though sexual medicine is probably among the oldest of medical specialties in fact not much was spoken about the subject till Kinsey published his first report in 1948 Speaking of

sex was not considered a taboo by ancient civilizations but this has not continued into the modern era Herein lies the principle problem patients and even doctors are not willing to openly discuss sexuality and sexual health Healthcare professionals also fail to discuss these pertinent issues due to a lack of time resources and general fear of causing offense More importantly there seems to be a lack of good training Societies like the International Society of Sexual Medicine and European Society of Sexual Medicine ESSM are actively taking up the cause and furthering research into this particular field Considering that the prevalence of male and female sexual dysfunction in the general population ranges between 2 and 10% the need of the hour is to train more doctors to professionally practice sexual medicine Good textbooks on sexual medicine for primary healthcare providers are few and far between The ESSM has come out with a working syllabus but a more concise text is still lacking This book Sexual Medicine Principles and Practice aims to bridge that gap by presenting scientific principles in the treatment of male and female sexual dysfunction while also highlighting numerous recent advances Reviewing basic principles like assessment of male and female sexual function and or dysfunction along with sex therapy it offers an essential reference guide for physicians surgeons gynecologists urologists and all those wish to practice sexual medicine

Love, Lust, and Learning Juliana Ashford, 2024-10-04 Discover the Essence of Modern Sexuality Prepare to embark on an enlightening journey that delves deep into the multifaceted nature of adult sexuality with Love Lust and Learning A Modern Guide to Adult Sexuality This comprehensive guide offers a wealth of knowledge insight and practical advice for anyone eager to expand their understanding of sexual identity intimacy and connection Exploring everything from the foundations of sexual identity to the intricate dynamics of modern relationships this book provides a fresh perspective on topics often left unspoken Each chapter invites readers to embrace their sexuality with confidence and curiosity addressing key aspects such as emotional intimacy effective communication and the art of balancing love and desire Immerse yourself in a world where sexual education never ceases and discovery becomes a lifelong pursuit Whether it s understanding the impact of technology on your relationships or navigating the complexities of consent and boundaries this guide empowers you to take control of your own sexual journey The vast array of topics ensures that every reader regardless of their background or experience finds invaluable insights to enhance their personal and relational growth With compassion and sensitivity the book also tackles challenging subjects like sexual trauma and cultural perspectives offering pathways to healing and acceptance Through knowledge and understanding you ll gain the tools needed to foster a more fulfilling and harmonious relationship with yourself and others Open the door to a transformative exploration of what it means to truly embrace your sexuality Are you ready to deepen your connection and reignite your passion Take the first step towards a more informed and empowered sexual life today

Body Image, Self-Esteem, and Sexuality in Cancer Patients J. M. Vaeth, 1986-06-11

Desperate for Sex: A Guide to Managing Urges, Masturbation, and Mindful Hookups Ruby Spencer, Feeling overwhelmed by sexual desire but unsure what to do about it You re not alone Desperate for Sex is a practical no nonsense guide for single

people struggling with intense sexual urges Instead of making impulsive decisions that lead to regret this book teaches you how to stay calm embrace healthy self pleasure techniques and make smart satisfying choices when it comes to partners and hookups You ll learn how to manage frustration why masturbation is more than just a quick fix with techniques to maximize pleasure and how to choose the right sexual partners for the right reasons Whether you re dealing with dry spells casual encounters or a raging libido this book provides the clarity and control you need to turn desperation into confidence and sex into something truly fulfilling

Handbook of Sexuality-Related Measures Clive M. Davis,1998 Fundamental to understanding human sexual expression is reliable and valid measurement and assessment Many instruments have been developed to measure a myriad of sexuality related states traits behaviours and outcomes Few are easily accessible and the information is often limited concerning appropriate use and psychometric properties To counter these problems the Handbook of Sexuality Related Measures reproduces more than 200 instruments accompanied by essential information for their use in research educational and clinical settings Each chapter describes the development and appropriate use of each instrument Reliability and validity data are summarized and referenced *Handbook of Sexuality-Related Measures* Terri D. Fisher,Clive M. Davis,William L. Yarber,2013-09-13 This classic and invaluable reference Handbook written for sex researchers and their students has now been completely revised in a new edition complete with its own companion website It remains the only easy and efficient way for researchers to learn about evaluate and compare instruments that have previously been used in sex research In this third edition of the Handbook 218 scales complete with full descriptions and psychometric data are made available with additional information provided at the companion website for this volume

Empowered Sarah Banet-Weiser,2018-10-25 In Empowered Sarah Banet Weiser examines the deeply entwined relationship between popular feminism and popular misogyny as it plays out in advertising online and multimedia platforms and nonprofit and commercial campaigns Examining feminist discourses that emphasize self confidence body positivity and individual achievement alongside violent misogynist phenomena such as revenge porn toxic geek masculinity and men s rights movements Banet Weiser traces how popular feminism and popular misogyny are co constituted From Black Girls Code and the Always LikeAGirl campaign to GamerGate and the 2016 presidential election Banet Weiser shows how popular feminism is met with a misogynistic backlash of mass harassment assault and institutional neglect In so doing she contends that popular feminism s problematic commitment to visibility limits its potential and collective power

Neurological Links Jenny Smith,AI,2025-03-17 Neurological Links explores the intricate relationship between the brain and sexual health offering insights into how neurological processes affect desire arousal and overall sexual well being It highlights the importance of understanding the neurobiology of sexuality explaining how disruptions in neural pathways and neurotransmitter imbalances can lead to sexual dysfunction For example the book delves into how chronic stress can negatively impact sexual function by disrupting delicate neurological balances The book uniquely bridges neuroscience and

psychology presenting complex information in an accessible manner for both professionals and general readers The book examines key brain regions like the hypothalamus and amygdala and neurotransmitters such as dopamine and serotonin detailing their roles in sexual motivation and pleasure It emphasizes the impact of psychological factors including stress and trauma on these neurological processes With a focus on evidence based research Neurological Links progresses from basic neuroanatomy to the neural circuits involved in the sexual response cycle and concludes with therapeutic interventions that target neurological pathways to enhance sexual health

Deserving Desire Beth Montemurro, 2014-09-01 Women experience considerable changes in their bodies lives and identity between the ages of twenty and seventy including marriage motherhood the dissolution of relationships and menopause all of which often impact sexuality In *Deserving Desire* Beth Montemurro takes a wide ranging look at the evolution of women s sexuality over time with a specific focus on the development of sexual subjectivity that is sexual confidence agency and a sense of entitlement to sexual desire Detailed stories of the ninety five women in this study explore how they become more comfortable with their bodies when most begin to enjoy sex feel confident and positive about engaging in it and how they become sexual subjects in control of their bodies *Deserving Desire* explores the complex multi stage process in which sexual subjectivity evolves over a woman s lifetime As girls they learn about sex and how those around them parents peers religion and media regard sex Physical and emotional transitions such as having a baby or ending a relationship further affect women s sexual confidence and desire Montemurro emphasizes that sexual subjectivity is about feeling in control of sexual decision making and acting purposefully and confidently Though adolescent sexuality has been a major focus of sociological research few studies have examined as Montemurro does here the development of sexuality through women s lives and the events that change the way women feel about themselves their bodies and their relationships
