SEXUAL HARASSMENT

REVISED EDITION

EDITED BY

EDMUND WALL

Sexual Harassment Confrontations And Decisions

Joan A. Brathwaite

Sexual Harassment Confrontations And Decisions:

Sexual Harassment Edmund Wall,1992 Essays on sexual harassment discussing the legal and moral complexity and focusing on opposing views *Sexual Harassment* Linda LeMoncheck,Mane Hajdin,2000-01-01 The question of what constitutes sexual harassment from suggestive remarks to outright threats from off color jokes to lewd posters on office walls is contentious as is the question of how to address sexual harassment Do all instances of sexual harassment constitute sex discrimination Are some instances merely sexual attraction gone wrong Do social policies aimed at eliminating sexual harassment in the workplace violate freedom of expression or do they make working relationships possible between women and men In this uncompromising yet respectful debate two philosophers of widely divergent views present clear arguments and then respond directly to each other s reasoning LeMonchek argues for a feminist perspective on sexual harassment that is sensitive to the politics of gender Hajdin contends that this perspective is both morally confusing and legally problematic and that sexual harassment can be better addressed by traditional moral and legal categories **Sexual Correctness** Wendy McElroy,2001-06-15 As feminist and women positive ideas and ideals exploded in the 1960s and 1970s a sexual revolution was forged allowing women a variety of lifestyle choices Many current feminists called gender feminists by some too often are fighting to limit the sexual options of women They view women as victims of patriarchy whom must be protected from making incorrect sexual choices such as choosing to work in pornography or prostitution As a movement author McElroy believes feminism is in danger of drifting from sexual liberation to sexual correctness This work gives a critical overview of the ideological shift among many feminists The issues of sexual correctness are examined in detail showing how the changing ideology is destroying the principle of a woman s body a woman s right and endangering women s right to choose On each issue this work presents alternatives in the individualist traditions that defined the feminism movement for many years Thinking about Sexual Harassment Margaret A. Crouch,2001 This illuminating work on one of today s most provocative issues provides all the necessary information for careful critical thinking about the concept of sexual harassment Consisting mainly of two parts it first traces the construction of the concept of sexual harassment from the original public uses of the term to its definitions in the law in legal cases and in empirical research It then analyzes philosophical definitions of sexual harassment and a number of issues that have arisen in the law including the reasonable woman standard and whether same sex harassment should be considered sex discrimination Sure to spark intense discussion this book explains a complex notion in a lucid and engaging manner appropriate for anyone broadly curious about the notion of sexual harassment **The Philosophy of Sex** Raja Halwani,Jacob M. Held,Natasha McKeever,Alan Soble,2022-02-28 With twenty five essays seven of which are new to the eighth edition this best selling volume examines the nature morality and social meanings of contemporary sexual phenomena Topics include sexual desire and activity masturbation Sexual orientation asexuality transgender issues Zoophilia rape casual sex and promiscuity love and sex polyamory sexual consent

sexual perversion sexual ethics objectification BDSM sex and technology sex and race and sex work Updated and new discussion questions offer students starting points for debate in both the classroom and the bedroom

Higher Education: Handbook of Theory and Research J.C. Smart, 2012-12-06 To recapitulate Greeks differ from Independents and from the academy's value priorities but for the most part these differences derive from antecedent characteristics Moreover there are some grounds for speculating that these antecedent differences reflect fundamental temperamental differences extraversion and gregariousness mediated by social interaction as opposed to interaction through ideas Only to a limited degree does the Greek system appear to adversely affect the acquisition and assimilation of the academy's value priorities i.e. students as a whole Greek and Independent alike appear to become more independent liberal socially concerned and culturally sophisticated by graduation However the Greek system's effect on the behavior of Greeks is more troubling an effect largely mediated by the use and abuse of alcohol and the relative absence of direct institutional supervision Assuming the retention of the Greek system then the promotion of the academy's agenda appears dependent on an understanding and accommodation of the personal characteristics of Greeks using appropriate pedagogical methods to advance the academy's educational objectives and both educational and administrative regulatory efforts to control the use and abuse of alcohol With or without the Greek system the advancement of the academy's agenda involves these considerations since the characteristics of students as a whole encompass the characteristics emphasized among Greeks

Engendering Difference Vesna Kondrič Horvat, Victor Kennedy, 2018-07-27 Constructing difference where there should be none is the main subject of this collection of essays about gender and its cultural manifestations and representations From the pronouns we use through the titles and positions we hold in our workplaces to the more salient issues concerning abuse of power and exertion of violence gender runs as a seemingly inevitable divide This volume addresses the continuing relevance of the quest to diminish that gap from the perspectives of literature language film law employment aging and agency both social and political

Sexual Harassment as an Ethical Issue in Academic Life Leslie Francis, 2001 Sexual harassment is a controversial and complicated issue on college campuses today Bringing both philosophical and legal training to the discussion Leslie Pickering Francis here provides the first full examination of sexual harassment as an ethical issue in education Francis examines the issues raised by the definition understanding and regulation of campus sexual harassment and addresses arguments that its regulation may conflict with academic freedom and choice in relationships Visit our website for sample chapters

Stop Street Harassment Holly Kearsley, 2010-08-03 Using groundbreaking studies news stories and interviews this book underscores that there will never be gender equity until men stop harassing women in public spaces and it details strategies for achieving this goal Street harassment is generally dismissed as harmless but in reality it causes women to feel unsafe in public at least sometimes To achieve true gender equality it must come to an end Stop Street Harassment Making Public Places Safe and Welcoming for Women draws on academic studies informal surveys news articles

and interviews with activists to explore the practice s definition and prevalence the societal contexts in which it occurs and the role of factors such as race and sexual orientation Perhaps more crucially the book makes clear how women experience street harassment how they feel about and respond to it and the ways it negatively impacts lives But understanding is only a beginning In the second half of the book readers will find concrete strategies for dealing with street harassers and ways to become involved in working to end this all too common violation Educators counselors parents and other concerned individuals will discover resources for teaching about harassment and modeling behavior that will help prevent harassment incidents

Gender-Based Violence: A Comprehensive Guide Parveen Ali, Michaela M. Rogers, 2023-06-01 This book provides comprehensive information about various types of gender based violence GBV and abuse GBV is a major public health and social problem that affects people mostly women and girls in every community culture and country GBV refers to the violence or a pattern of abusive behaviours including physical aggression sexual coercion psychological abuse and controlling behaviours resulting in physical sexual or psychological harm It is associated with severe physical and psychological consequences and can result in death GBV can take many forms including female foeticide infanticide female genital mutilation child marriage grooming trafficking forced marriage dowry related abuse honour based violence rape sexual assault stalking harassment street violence abuse against older people domestic violence and intimate partner violence It can take place in public private and virtual settings and within the context of intimate familial community and institutional relationships While all these forms affect girls and women more boys and men can also be exposed of various forms of violence including child abuse sexual abuse wartime violence corporal punishment to name a few This book takes a unique approach and presents an overview of gender based violence and related practices throughout the world The book is written in a user friendly manner in order to be accessible as an introductory text to a wide range of readers including students practitioners and researchers Edited by a public health academic and a social worker with contributions representing a wide range of disciplines the book will appeal to many professions including nurses midwives social care and social work practitioners police teachers psychologists and sociologists

The Office and Philosophy J. Jeremy Wisniewski, 2011-08-31 Just when you thought paper couldn t be more exciting this book comes your way This book jammed full of paper unites philosophy with one of the best shows ever The Office Addressing both the current American incarnation and the original British version The Office and Philosophy brings these two wonders of civilization together for a frolic through the mundane yet curiously edifying worlds of Scranton s Dunder Mifflin and Slough s Wernham Hogg Is Michael Scott in denial about death Are Pam and Jim ever going to figure things out Is David Brent an essentialist Surprisingly The Office can teach us about the mind Aristotle and humiliation Even more surprisingly paper companies can allow us to better understand business ethics Don t believe it Open this book and behold its beautiful paper Join the philosophical fray as we explore the abstract world of philosophy through concrete scenes of the unexamined life in The Office You may discover that

Gareth Keenan is secretly a brilliant logician that Dwight Schrute is better off deceiving himself that David Brent is an example of hyperreality and that Michael Scott is hopelessly lost but you probably already knew that *Classified Index of National Labor Relations Board Decisions and Related Court Decisions*, 2005 *Loose Women, Lecherous Men* Linda LeMoncheck, 1997 The author discusses methods for mediating the tensions among apparently irreconcilable feminist perspectives on women's sexuality and shows how a feminist epistemology and ethic can advance the dialogue in women's sexuality across a broad political spectrum **Women and the Law** Joan A. Brathwaite, 1999 *Contemporary Moral Issues* Lawrence M. Hinman, 2016-07-01 *Contemporary Moral Issues* is an anthology that provides a selection of readings on contemporary social issues revolving around three general themes Matters of Life and Death Matters of Equality and Diversity and Expanding the Circle which includes duties beyond borders living together with animals and environmental ethics The text contains a number of distinctive high profile readings and powerful narratives including Jonathan Foer's *Eating Animals* Eva Feder Kittay's *On the Ethics of Selective Abortion for Disability* and Susan M Wolf's *Confronting Assisted Suicide and Euthanasia My Father's Death* Each set of readings is accompanied by an extensive introduction a bibliographical essay pre reading questions and discussion questions *Philosophy of Sex* Alan Soble, 2002-05-28 Leading philosophers discuss a range of issues relating to sex in this revised and expanded version of Alan Soble's popular anthology of essays New material includes date rape and sexual harassment *A-L* Alan Soble, 2006 *Witch Hunt* Richmond West, 2009-02-24 *Passionate and provocative* this novel faces the issue of our society's sexual McCarthyism head on especially as it manifests in abuses of hostile environment sexual harassment law Lupe Diego a lapsed Catholic philosophy professor with a feminine Spanish name faces accusations after a relationship goes sour Encountering gender prejudice along the way plus faced with losing his career Lupe finds a renewed faith Even as he sees gay friends fall under a wave charges when tyrannical sexual ideology rocks the campus **Communication Yearbooks Vols 6-33 Set** Various, 2021-12-02 The *Communication Yearbook* annuals originally published between 1977 and 2009 publish diverse state of the discipline literature reviews that advance knowledge and understanding of communication systems processes and impacts across the discipline Topics dealt with include Communication as Process Research Methodology in Communication Communication Effects Taxonomy of Communication and European Communication Theory Information Systems Division Mass Communication Research Mapping the Domain of Intercultural Communication Public Relations Feminist Scholarship Communication Law and Policy Visual Communication Communication and Cross Sex Friendships Across the Life Cycle Television Programming and Sex Stereotyping InterCultural Communication Training Leadership and Relationships Media Performance Assessment Cognitive Approaches to Communication *Communication Yearbook 23* Michael Roloff, 2012-03-22 *Communication Yearbook 23* originally published in 2000 includes discussions about the relationship between communication and the emotional processes The authors do not confine the reviews to research conducted in a

single context but instead draw upon scholarship that informs about shame and guilt in intimate family organizational and public discourse Also explored is literature on compliance resistance and the emotional reactions that accompany resistance Other reviews address issues involving communication about sexual harassment in the workplace cross cultural influences on management styles and the mass media s role in encouraging change in body shape Offering a tremendous variety of in depth analyses of communication scholarship in a broad array of research areas this is a vital sourcebook for researchers teachers and students alike
