No More Heroines? Sue Bridger, Rebecca Kay, Kathryn Pinnick, 2005-08-04 With the collapse of Soviet rule and the emergence of independent Russia the image of Russian women in the Western imagination has changed dramatically The robust tractor drivers and athletes have been replaced by glamorous but vulnerable beauty queens or the dishevelled and downcast women trading goods on the streets The authors of this work take a closer look at what lies behind the above images and how Russian women are coping with a very different sort of life The main focus is on the effect of unemployment on Russian women and how they are coping with it Based on case studies and personal interviews carried out in the Moscow region in 1993 94 No More Heroines will provide both specialist and non specialist alike with access to the thinking of women and their organisations in Russia today

**Hostages No More** Betsy DeVos, 2022-06-21 Now a National Bestseller From coronavirus lockdowns to critical race theory in the classroom it has become crystal clear that America's schools aren't working for America's students and parents No one knows this better than Betsy DeVos Long before she was tapped by President Trump to serve as secretary of education DeVos established herself as one of the country's most influential advocates for education reform from school choice and charter schools to protecting free speech on campus She's unflinching in standing up to the powerful interests who control and benefit from the status quo in education which is why the unions the media and the radical left made her public enemy number one Now DeVos is ready to tell her side of the story after years of being vilified by the radical left for championing common sense conservative reforms in America's schools In Hostages No More DeVos unleashes her candid thoughts about working in the Trump administration recounts her battles over the decades to put students first hits back at woke curricula in our schools and details the reforms America must pursue to fix its long and badly broken education system And she has stories to tell DeVos offers blunt insights on the people and politics that stand in the way of fixing our schools For students families and concerned citizens DeVos shares a roadmap for reclaiming education and securing the futures of our kids and America

*The Politics of Problem Definition* David A. Rochefort, Roger W. Cobb, 1994 At the nexus of politics and policy development lies persistent conflict over where problems come from what they signify and based on the answers to those questions what kinds of solutions should be sought Policy researchers call this process problem definition Written for both scholars and students this book explains how and why social issues come to be defined in different ways how these definitions are expressed in the world of politics and what consequences these definitions have for government action and agenda setting dynamics The authors demonstrate in two theoretical chapters and seven provocative case studies how problem definition affects policymaking for high profile social issues like AIDS drugs and sexual harassment as well as for problems like traffic congestion plant closings agricultural tax benefits and air transportation By examining the way social problems are framed for political discussion the authors illuminate the unique impact of beliefs values ideas and language on the public policymaking process and its outcomes In so doing they establish a common vocabulary for the study of problem definition review and critique the insights of existing work on the topic and identify directions for future research

*Apartheid No More* Reitumetse Obakeng Mabokela, Kimberly Lenease King, 2001-02-28 The South African higher education system has historically been characterized by racial and gender inequities inherited from the discriminatory

policies of the apartheid era From the ascent to power of the National Party in 1948 tertiary institutions were divided along ethno linguistic lines in accordance with the segregationist policies of the apartheid system The 1990s ushered in a new political era characterized by the unbanning of political parties the release of political prisoners and the shift of political power from the Nationalist party to the government of national unity led by the African National Congress Since the change of government in 1994 there has been a concerted effort to transform the system of higher education from one in which race gender and class determine access and success to a more equitable one The demise of apartheid in South Africa requires that educational institutions transform in order to reflect the changing nature of the country This volume includes case studies on South African tertiary institutions immersed in the process of transformation examining the issue of language policy at Afrikaans medium institutions the challenges that the historically white English medium institutions face when including a previously excluded group the experiences of Black South African students enrolled at such institutions and the challenges faced by historically disadvantaged institutions
