Sexual Life In Sexual Greece:

Sexual Life in Ancient Greece Hans Licht,1963

Sexual Life in Ancient Greece Hans Licht (pseud.),1932

Sexual Life in Ancient Greece - With Thirty-Two Full-Page Plates Hans Licht,2018-08-10 Hans Licht's *Sexual Life in Ancient Greece* provides a fascinating account of ancient Greek society with a focus on sexuality Exploring many different aspects of daily life from marriage customs and clothing to festivals and beauty contests it offers a fantastic overview of Greek society and ideals not to be missed by those with an interest in the subject Contents include Greek Ideals of Life Marriage and the Life of Women The Greek Woman Marriage Customs Additions and Supplementary Information The Human Figure Clothing Nakedness Gymnastics Beauty Contests and Further Remarks on Nakedness Bathing Festivals etc Many vintage books such as this are increasingly scarce and expensive It is with this in mind that we are republishing this volume now in an affordable modern high quality edition complete with a specially commissioned new introduction on Greek mythology

The Reign of the Phallus Eva C. Keuls,1993-04-27 At once daring and authoritative this book offers a profusely illustrated history of sexual politics in ancient Athens where the phallus dominated almost every aspect of public life Complementing the text are 345 reproductions of Athenian vase paintings depicting the phallus

Sex and the Ancient City Andreas Serafim,George Kazantzidis,Kyriakos Demetriou,2022-05-09 This volume aims to revisit further explore and tease out the textual but also non textual sources in an attempt to reconstruct a clearer picture of a particular aspect of sexuality i e sexual practices in Greco Roman antiquity Sexual practices refers to a part of the overarching notion of sexuality specifically the acts of sexual intercourse the erogenous capacities and genital functions of male and female body and any other physical or biological actions that define one's sexual identity or orientation This volume aims to approach not simply the acts of sexual intercourse themselves but also their legal social political religious medical cultural moral and interdisciplinary e g emotional performative perspectives as manifested in a range of both textual and non textual evidence i e architecture iconography epigraphy etc The insights taken from the contributions to this volume would enable researchers across a range of disciplines e g sex gender studies comparative literature psychology and cognitive neuroscience to use theoretical perspectives methodologies and conceptual tools to frame the sprawling examination of aspects of sexuality in broad terms or sexual practices in particular

The Sex Atlas Erwin J. Haeberle,2020-05-18 No detailed description available for *The Sex Atlas*

Sex and the Constitution: Sex, Religion, and Law from America's Origins to the Twenty-First Century Geoffrey R. Stone,2017-03-21 A New York Times Book Review Editors Choice Selection A volume of lasting significance that illuminates how the clash between sex and religion has defined our nation's history Lee C Bollinger president Columbia University Lauded for bringing a bracing and much needed dose of reality about the Founders views of sexuality New York Review of Books Geoffrey R Stone's *Sex and the Constitution* traces the evolution of legal and moral codes that have legislated sexual behavior from America's earliest days to today's fractious political climate This fascinating

and maddening Pittsburgh Post Gazette narrative shows how agitators moralists and especially the justices of the Supreme Court have navigated issues as divisive as abortion homosexuality pornography and contraception Overturning a raft of contemporary shibboleths Stone reveals that at the time the Constitution was adopted there were no laws against obscenity or abortion before the midpoint of pregnancy A pageant of historical characters including Voltaire Thomas Jefferson Anthony Comstock Margaret Sanger and Justice Anthony Kennedy enliven this commanding synthesis of scholarship Publishers Weekly that dramatically reveals how our laws about sex religion and morality reflect the cultural schisms that have cleaved our nation from its founding

The Origins and Role of Same-Sex Relations in Human Societies James Neill, 2011-10-17 This groundbreaking work draws on a vast range of research into human sexuality to demonstrate that homosexuality is not a phenomenon limited to a small minority of society but is an aspect of a complex sexual harmony that the human race inherited from its animal ancestors Through a survey of the patterns of sexual expression found among animals and among societies around the world and an examination of the functional role homosexual behavior has played among animal species and human societies alike the author arrives at some provocative conclusions that a homosexual or bisexual phase is a normal part of sexual development that same sex relations play an important balancing role in regulating human reproduction that many societies have institutionalized homosexual traditions in the past and that the harsh condemnation of homosexuality in Western society is a relatively recent phenomenon unique among world societies throughout history This well researched and meticulously documented book is the first that integrates into a coherent picture the startling revelations about human sexuality coming from the recent work of sexual researchers psychologists anthropologists and historians The view that emerges of an ambisexual human species whose complex sexual harmony is being thwarted by the imposition of an artificial understanding of nature represents a new way of thinking about sex

Sex the Measure of All Things Jonathan Gathorne-Hardy, 2000 The life story of the sex researcher whose statistics were so extensive that only ten percent went into his two published books and most of the data is still being actively mined today Jacket

The Encyclopædia of Sexual Behaviour Albert Ellis, Albert Abarbanel, 2013-09-24 The Encyclopedia of Sexual Behavior Volume 1 is a comprehensive review of the major aspects of the biology physiology and anatomy of sex This book is divided into 57 chapters that also cover the major facets of the emotional psychological sociological legal anthropological geographical and historical aspects of sexuality including the related fields of love marriage and the family This book deals first with the advances in sex research the issues on abortion abstinence adolescent sexuality and the link between sex and aging The subsequent chapters consider the demographic geographical and anthropological aspects of sex life the physiology anatomy and history of sex the attitude toward sex the concept of autoerotism and the religious view of sex Other sex related topics covered include chastity and virginity child sexuality nakedness coitus contraception courtship culture social dancing and sex education This book further discusses the emotional aspects of sex such as divorce marriage extramarital sex relations family

and reproduction The remaining chapters look into the issues of hermaphroditism homosexuality illegitimacy impotence and jealousy This book is of value to psychologists psychiatrists sociologists medical practitioners and researchers and workers in the allied fields **A Sexual Odyssey** Kenneth E. Maxwell,2013-11-11

The Brave New World of Sex We've seen in less than a generation a swift revolution in human sexual behavior attitude and consequences so dramatic that some people are left in a state of stunned dismay and the public at large in aimless confusion Much of the trend if you can call a revolution a trend is fueled by or at least made possible by technological innovations dating back to the middle of the twentieth century The birth control pill opened the gate to promiscuity with little fear of pregnancy marriage became an annoyance divorce became an opportunity two working parents became a necessity and teenage sex became nearly as socially acceptable as holding hands or going to the movies The copulation explosion resulted in a spiraling epidemic of children giving birth to children many of them on welfare Girls seeking relief through abortions were sometimes forced to have their unwanted offspring despite the inevitability of some of them living in poverty and a desperate dead end environment of squalor and crime Some misguidedly wanted babies and ended up the same way To top it all discipline 2 A Sexual Odyssey became a lost art leaving schools and neighborhoods infested with gun toting knife wielding teenage delinquents even in middle class areas who engaged in contests to see who could get the most girls knocked up The chaotic state of fornication mating and birthing may be a throwback to the past **Sex, the World History** John R. Gregg,2019-07-26

Sex The World History Through Time Religion and Culture is a daring exploration of human sexuality from the ancient to the modern world Sex The World History traces sexual attitudes from the transcendent to the bizarre throughout world cultures Unmasked are sexual practices and beliefs previously omitted or obscured from all historical telling In a scathing condemnation of religion and its control of sex the book explores the intricate dance between spirituality and sexuality Revealed for the first time is a history of bisexuality in the majority of human cultures Prior to Christianity bisexual orientation was common in Asia the Pacific Africa the Americas and Europe Religions have controlled sex and gender orientation throughout time The history of LGBTQ across the globe is illuminated here How have women been exploited in sexual and cultural roles from prehistory to present day How does religion affect women's sexuality throughout time The supremacy of the Mother Earth Goddess throughout most of human existence and her relatively recent fall have had drastic consequences for women's sexual expression and identity Other topics included are sex slavery and human trafficking child brides forced marriages Roman Catholic abuses war time sexual crimes Victorian licentiousness the evolution of sexual attitudes in North and South America the sexual revolution of the counter culture Offered here is an encyclopedic tour of the sexuality of humankind **Hellenismos** Tony

Mierzwicki,2018-08-08 Discover how to heed the call of Greek gods and goddesses by incorporating Greek polytheistic practice into your daily life Hellenismos provides the reader with the necessary tools to quickly enter into Pagan Greek religion The book combines an accurate historical understanding with practices updated for today's needs Brandy Williams

author of *For the Love of the Gods* and *The Woman Magician* The religion of the ancient Greeks has lain dormant for too long In *Hellenismos* Tony Mierzwicki shows how to bring it back in all of its primal glory Learn how to forge personal relationships with the ancient Greek deities Recreate the practices of the Greeks and enjoy the richness of their spiritual practices Explore this accessible introduction to Greek reconstruction and discover Ancient Greek history and culture Deities Daimones and Heroes Simple daily observances and personal practice The lunar cycle and festival observances Controversial issues regarding Greek reconstruction *Hellenismos* clearly and concisely provides fascinating insights into a world to which we are all indebted a world of gods and heroes and spirits and magick and all that is great judicious and distinct in the western soul

Lon Milo DuQuette author of *Homemade Magick* and *Low Magick* Mierzwicki has succeeded in combining fine scholarship with deep vision to provide the reader with a comprehensive overview of Grecian polytheistic theory and practice His offering brings to life an ancient tradition made relevant for modern times Kristoffer Hughes author of *The Book of Celtic Magic* From the Cauldron Born and *The Journey Into Spirit* An excellent guide Advancing from daily personal practices to the sacred lunar month and finally to the annual festival cycle Tony gently draws the reader deeper into Hellenic polytheism John Opsopaus author of *The Oracles of Apollo* and *The Pythagorean Tarot* The author provides a wonderful guide to crafting your own personal path of venerating the ancient Greek gods and goddesses while remaining true to the spirit of the time Karen Tate author of *Walking An Ancient Path*

Sexual Life in Ancient Greece Paul Brandt, 1974 **Sex, Society, and the Making of Pornography** Jeffrey Escoffier, 2021-02-12 Pornographic films combine fantasy and real sex to create a unique genre of entertainment This book explores how the making of pornographic films is a social process that draws on the fantasies sexual scripts and sexual identities of performers writers directors and editors to produce sexually exciting videos and movies

Sexual Ethics Todd A. Salzman, Michael G. Lawler, 2012-05-18 Two principles capture the essence of the Catholic tradition on sexual ethics that each and every marriage act must remain open to the transmission of life and that any human genital act must occur within the framework of marriage In the Catholic tradition moral sexual activity is institutionalized within the confines of marriage and procreation and sexual morality is marital morality But theologians Todd Salzman and Michael Lawler contend that there is a disconnect between many of the Church's absolute sexual norms and other theological and intellectual developments explicitly recognized and endorsed in the Catholic tradition especially since the Second Vatican Council These developments include the shift from a primary static worldview to a historically conscious worldview one that recognizes reality as dynamic evolving changing and particular By employing such a historically conscious worldview alternative claims about the moral legitimacy of controversial topics such as contraception artificial reproduction and homosexual marriage can faithfully emerge within a Catholic context Convinced of the central role that love desire and fertility play in a human life and also in the life of Christian discipleship the authors propose an understanding of sexuality that leads to the enhancement of human sexual relationships and flourishing This comprehensive introduction to

Catholic sexual ethics complete with thought provoking study questions at the end of each chapter will be sure to stimulate dialogue about sexual morality between Catholic laity theologians and the hierarchy Anyone seeking a credible and informed Catholic sexual ethic will welcome this potentially revolutionary book **The Sexual Person** Todd A. Salzman, Michael G. Lawler, 2008-05-21 Two principles capture the essence of the official Catholic position on the morality of sexuality first that any human genital act must occur within the framework of heterosexual marriage second each and every marriage act must remain open to the transmission of life In this comprehensive overview of Catholicism and sexuality theologians Todd A Salzman and Michael G Lawler examine and challenge these principles Remaining firmly within the Catholic tradition they contend that the church is being inconsistent in its teaching by adopting a dynamic historically conscious anthropology and worldview on social ethics and the interpretation of scripture while adopting a static classicist anthropology and worldview on sexual ethics While some documents from Vatican II like *Gaudium et spes* the marital act promotes self giving by which spouses enrich each other gave hope for a renewed understanding of sexuality the church has not carried out the full implications of this approach In short say Salzman and Lawler emphasize relationships not acts and recognize Christianity's historically and culturally conditioned understanding of human sexuality *The Sexual Person* draws historically methodologically and anthropologically from the best of Catholic tradition and provides a context for current theological debates between traditionalists and revisionists regarding marriage cohabitation homosexuality reproductive technologies and what it means to be human This daring and potentially revolutionary book will be sure to provoke constructive dialogue among theologians and between theologians and the Magisterium *Sexual Life in Ancient Greece ...* Paul Brandt, Lawrence Hawkins Dawson, 1932 *Shadow of Spirit* Philippa Berry, Andrew Wernick, 2006-04-27 By illuminating the striking affinity between the most innovative aspects of postmodern thought and religious mystical discourse *Shadow of Spirit* challenges the long established assumption that western thought is committed to nihilism This collection of essays by internationally recognised scholars explores the implications of the fascination with the sacred divine or infinite which characterizes much contemporary thought It shows how these concerns have surfaced in the work of Derrida Baudrillard Lyotard Kristeva Irigaray and others Examining the connection between this postmodern turn and the current search for a new discourse of ethics and politics it also stresses the contribution made by feminist thought to this unexpected intellectual direction *The Psychology of Sex (Vol. 1-6)* Havelock Ellis, 2022-12-10 Havelock Ellis's monumental work *The Psychology of Sex* spans six volumes offering an exhaustive exploration of sexual behavior identity and societal norms through a blend of psychological analysis and cultural critique Written in the late 19th and early 20th centuries Ellis's pioneering approach intertwines scientific inquiry with a narrative style that is both accessible and richly detailed This seminal text not only maps the biological and psychological underpinnings of human sexuality but also delves into broader themes of gender morality and the impact of societal constraints on sexual expression positioning the work within the burgeoning field of sexology during a

time of great socio political change Havelock Ellis a prominent English physician and social reformer brought a radical lens to topics often shrouded in taboo His progressive views on sexuality influenced by the early feminist movement and his collaboration with contemporary thinkers shed light on the complexities of sexual identity and human behavior Ellis s combination of clinical observation and humanistic philosophy reflects his commitment to destigmatizing sexual discourse a mission that deeply informed his writing process This landmark series is essential reading for anyone interested in the evolution of sexual psychology and the cultural implications of sexual identity Ellis s insightful analysis resonates with contemporary discussions surrounding sexuality and offers historical context crucial for understanding modern perspectives Readers will find themselves compelled by Ellis s lucid prose and thorough research making this work an indispensable addition to both academic and personal libraries
