HUAC. As everyone knows, the purpose of HUAC was to investigate, punish, and if possible extirpate, membership in or sympathy for the Communist Party of the USA, a.k.a. the CP-USA, in American cultural and institutional life, by specifically focusing on Hollywood. I've also read and thought lots about The Hollywood Ten—the ten Hollywood directors and screenwriters who were forced to appear before HUAC in a show trial in 1947, and then were fired from their jobs by their Hollywood studio bosses, imprisoned, and blacklisted, for refusing to testify and for contempt of court, and in particular for refusing to repudiate their Communist beliefs or sympathies and "name names," i.e., denounce their friends and associates. The Ten explicitly and quite reasonably claimed legal and moral protection for their Communist beliefs or sympathies and for their judicial silence, under the First Amendment. And then, of course, they were fired, imprisoned, and blacklisted anyway. So much for The Bill of Rights. Ultimately, in the McCarthy era, many thousands of people—including one former member of my Department—were named, investigated, and lost their jobs or were otherwise punished by blacklisting for the

Drucilla Cornell, 1999-09-01 This new edition of Drucilla Cornell's highly acclaimed book includes a substantial new introduction by the author which situates the book within current feminist debates In *Beyond Accommodation* Drucilla Cornell offers a highly original vision of what feminist theory can give contemporary women She challenges essentialist and naturalist accounts of feminine sexuality arguing that any attempt to affirm woman's value and difference by either emphasizing her maternal role or repudiating the feminine only entraps women once again in a container that curtails feminine sexual difference legitimizes the masculine fantasy of woman and reinstates rather than dismantles the gender hierarchy In response to these movements *Beyond Accommodation* strives to broaden the scope of feminist theory by articulating a platform under the concept of relative universalism which proposes the idea that women are not a unified and homogenous group although they are positioned as women in patriarchy Cornell's theory allows for differences in women's situations without giving up on the idea that women are fighting a common phenomenon called patriarchy      **George Orwell**
