

WHAT IS SEXUAL CRIME?

In Singapore, sexual offences include, but are not limited to, the following:

1. Rape;
2. Sexual assault involving penetration;
3. Sexual penetration of a minor;
4. Sexual grooming of a minor;
5. Sexual abuse and exploitation of a child or young person;
6. Procurement of sexual activity with a person with mental disability;
7. Outrage of modesty.

WHAT SHOULD I DO IF I AM A VICTIM OF SEXUAL CRIME?

Report the incident to the Police, regardless of when it happened. Call 999 if you require immediate Police assistance, or visit the nearest Neighbourhood Police Centre (NPC) to speak to a police officer.

WHAT IS THE REPORTING PROCESS AT THE POLICE STATION?

If a report is lodged at a NPC, an officer will interview you briefly in a private room and help you with the report lodging process. An investigation officer (IO) specially trained to handle sexual crime cases will interview you and record a statement from you. The statement is a record of your account of what happened.

HOW DO THE POLICE INVESTIGATE SEXUAL CRIME?

The Police adopt a victim-centric approach in our investigation process, and IOs are specially trained to handle sexual crime cases. The investigation process includes i) receiving a report, ii) conducting interviews and statements recording, iii) gathering of evidence, and iv) referring the case to the Attorney-General's Chambers for review on the appropriate outcome.

If you require emotional support at any point, you may request the assistance of a Victim Care Officer. You may also be provided with other victim-centric support services and resources to help you cope with the process.

FORENSIC MEDICAL EXAMINATION

If required, victims of sexual crime may be brought to the One-Stop Abuse Forensic Examination (OneSAFE) Centre, located at the Police Cantonment Complex, or a hospital to undergo forensic medical examination conducted by medical professionals.

WILL MY IDENTITY BE PROTECTED IN THE COURTS?

If the perpetrator is prosecuted in court, you may be required to testify in court should the case proceed for trial. Your identity will be protected and there are measures to support you during the prosecution process.

Sexual Offences A Report Of The Cambridg:

Prostitution, Women and Misuse of the Law Helen J. Self, 2004-08-02 This is an examination from a feminist historian's standpoint of the background to the present system of regulating prostitution in Britain which is generally admitted to be not only unjust and discriminatory but ineffective even in achieving its stated aims Concentrating on the 1950s and especially on the Wolfenden Report and the 1959 Street Offences Act it is a thorough exposure of the sexual double standard and general misogynist assumptions underlying legislation relating to prostitution In addition to the detailed analysis of the 1950s legislation and the background to it there is an exposition of the subsequent workings of the Act and of attempts to amend or repeal it Crimes of Violence NA NA, 2015-12-25 Federal Probation, 1960 Secrets and Silence Beatrix Campbell, 2023-10-10 The child sexual abuse scandal in the English county of Cleveland in the 1980s was a defining moment but not the scandal we were led to believe it was Acclaimed journalist Beatrix Campbell has uncovered government documents that show how medical evidence of childhood rape identified by pioneering paediatricians was deemed credible but dangerous it was more important to save money than save children This book reveals how this secret has framed policy making and public opinion and the consequences it has had for children professionals justice and the state The deaths of national treasures Sir Jimmy Savile and Sir Cyril Smith led to a torrent of evidence of childhood suffering the discovery of widespread sexual exploitation and institutional abuse across the world all in plain sight The Cleveland children have remained in the shadows Now for the first time a Cleveland child delves into her records and shares her story **Sexual Violence on Trial** Rachel Killeen, Eithne Dowds, Anne-Marie McAlinden, 2021-02-28 Sexual Violence on Trial provides a contemporary critical examination of the investigation prosecution and cultural contexts of sexual violence It draws on Northern Ireland as a case study while also drawing on experiences from other jurisdictions across the United Kingdom and island of Ireland Public and academic debates concerning the high profile Belfast Rugby Rape Trial and the subsequent Gillen review of the arrangements to deliver justice in serious sexual offence cases have been mirrored at a global level with movements such as MeToo and TimesUp This book brings together the perspectives of practitioners and academics to discuss contemporary challenges surrounding the societal and legal framing of sexual violence It examines key aspects of the criminal justice process including the challenges of supporting victims of responding to a range of forms of sexual violence such as rape peer abuse intimate partner violence and forced to penetrate cases as well as alternative perspectives and future reforms It also considers broader debates including balancing the interests of victims and defendants the impact of cultural myths and stereotypes the challenges of the digital age models of consent legal representation for victims and anonymity and publicity surrounding trials Written by leading authorities in the field Sexual Violence on Trial will be of great interest to students and scholars of Criminology Law and Sociology Sexual Offences University of Cambridge. Violence Jennifer Brown,Sandra Walklate,2011-10-19 This book situates the complexity of violence within its broader context and covers a wide span of sexual violence including sexual harassment bullying and murder as well as domestic violence Sexual Violence and Restorative Justice Marie Keenan,Estelle Zinsstag,2023-02-10 Concerned by the high attrition rates for sexual crime and the secondary victimization experienced by victims during their participation in the criminal justice system this book analyses the extent to which restorative justice can address the justice gap that exists in

current justice provision Building on clinical experience and earlier research on sexual crime the authors engage with the complex dynamics and traumatic impact of sexual crime as a critical starting point for their research and examine whether restorative justice can contribute to a more enhanced justice response The book presents extensive new data on restorative justice as applied in sexual violence cases across the globe It engages with feminist concerns regarding the traumatic impact of sexual violence and the potential for re-traumatisation the power imbalances that characterise these offences and the potential for re-victimisation the potential for coercion of the victim to participate in the process the potential for manipulation of restorative justice by the offender and the potential that restorative justice could lead to the reprivatisation of sexual crime and ultimately to its decriminalisation Having examined these topics in detail the book concludes there is an important role for restorative justice in addressing the justice gap that exists after sexual crime and offers guidance on how this can be achieved

Sexual Violence Against Children in Britain Since 1965 Nick Basannavar, 2021-11-30 This book investigates the changes and continuities in the ways in which sexual violence has been interpreted and represented in Britain since 1965 It explores the representational trail of the Moors murders and subsequent trial of 1966 the emergence of age of consent abolitionism in the 1970s Cleveland's child sexual abuse crisis of 1987-8 and 2010 and 20s contemplations on the Jimmy Savile scandal Harnessing research into popular media forms and a huge range of personal political and professional records Nick Basannavar carefully parses and illustrates the ways in which journalists medical workers politicians lobbyists and other groups assembled and animated their narratives revealing complex rhetorical and emotional processes This book challenges problematic conceptual dichotomies such as silence noise or ignorance knowledge It shows instead that although categories such as child sexual abuse and paedophilia may be relatively recent linguistic value constructs sexual violence against children has existed and been represented across historical moments in changeable and challenging ways

Mothers Surviving Child Sexual Abuse Carol-Ann Hooper, 2013-01-11 Despite increased recognition of the high incidence of child sexual abuse little attention has so far been paid to the women on whom children primarily depend for care and protection their mothers Informed by theory and research on other situations involving loss secrecy and moral dilemmas as well as the rapidly accumulating knowledge of child sexual abuse Mothers Surviving Child Sexual Abuse offers a new analysis of mothers' reactions and responses presenting a fresh perspective on a shocking problem for practitioners and policy makers involved in child protection as well as students and lecturers of social work and social studies and women's studies

Clinical Aspects of Sexual Harassment and Gender Discrimination Sharyn Ann Lenhart, 2004-03-20 This book addresses the psychological impact of sexual harassment and gender discrimination from both a clinical and theoretical perspective whereas previous literature on the topic has emphasized legal and employment consequences To start Lenhart provides a comprehensive summary and integration of existing literature and discusses relevant aspects of the workplace and legal environments The second portion of the book deals with the psychodynamics of sexual harassment and

gender discrimination placing these violations in proper psychological perspective along the same lines as rape battering and other forms of gender based abuse The wide spectrum of psychological consequences of discrimination will be discussed and an effective and integrative model for intervention and treatment will be presented Sex Trafficking of Children Online Beatriz Susana Uitts,2022-07-20 This book addresses child sex trafficking in the era of digital technology As a global problem human trafficking frequently victimizes the most vulnerable children Offenders often use the Internet as a vehicle for criminal activities including acts to sexually exploit them With Internet access growing exponentially more children are online every day increasing their risk of becoming involved in sexual exploitation or being treated as a commodity Inconsistent law among countries and the lack of adequate cooperation across borders make combating this issue increasingly difficult Using a human rights approach this book offers alternative solutions and recommendations including establishing a legal protection framework to fight practices that sexually exploit children in cyberspace In addition it promotes multi stakeholder collaboration in the context of corporate social responsibility to prevent and combat these offenses This book explores the intersection of children s human rights online sex trafficking and international legislation It provides helpful insights for lawmakers legal practitioners scholars law enforcement officers child advocates and students interested in human rights law criminal law and child protection **Mandatory Reporting Laws and the Identification of Severe Child Abuse and Neglect** Ben Mathews,Donald C. Bross,2015-03-17 This book provides the first comprehensive international coverage of key issues in mandatory reporting of child abuse and neglect The book draws on a collection of the foremost scholars in the field as well as clinicians and practice based experts to explore the nature history impact and justifiability of mandatory reporting laws their optimal form legal and conceptual issues and practical issues and challenges for reporters professional educators and governments Key issues in non Western nations are also explored briefly to assess the potential of socio legal responses sex trafficking forced child labour and child marriage The book is of particular value to policy makers educators and opinion leaders in government departments dealing with children and to professionals and organisations who work with children It is also intended to be a key authority for researchers and teachers in the fields of medicine nursing social work education law psychology health and allied health fields **Report by the Joint Select Committee of the House of Lords and the House of Commons on the Criminal Law Amendment Bill [H.L.], the Criminal Law Amendment [no. 2] Bill [H.L.], and the Sexual Offences Bill [H.L.]** Great Britain.
